Hseham Amrahs,2024-01-06 All the aspects should be considered while choosing the name The name should be kept which is easy to pronounce as well as being meaningful Sometimes a person keeps the old and traditional name of the child but they should not forget that if their child is born in modern times then the name given by you may not cause him to become a comic

character in the future At the same time some people also believe that if we name our child after a famous person then he will become famous like that person So let us tell you that a person becomes greater by his actions and moves forward only because of his efforts That is why always keep the name afterthought In many places you can guess the religion of the child by name By the way in present modern times people do not give much preference to religion etc while naming All they need for their child is just a catchy and easy name
