Lord Of Light:

Lord of Light Roger Zelazny, 2004-05-11 Earth is long since dead On a colony planet a band of men has gained control of technology made themselves immortal and now rules their world as the gods of the Hindu pantheon Only one dares oppose them he who was once Siddhartha and is now Mahasamatman Binder of Demons Lord of Light

Bound in a River of Light Michelle Redonnet, 2007-04 This little book is a collection of essays on discipleship and community and one story written for the Spiritus Christi community in Rochester New York Taken together these essays become the story of one woman's inner journey through mid life Beginning at a time when the author still had children at home the essays move through her time in seminary and her work at St Joseph's House of Hospitality the Rochester Catholic Worker as she explores God's call and learns that life after children is full and rich after all Profits from the sale of this book will benefit the Spiritus Christi Mental Health Ministry

Sacred Starts MD Sharr, 101-01-01 The idea behind this book came from watching countless parents struggle to find the right name something not too common yet not so unusual that it becomes unrelatable something meaningful but also easy to pronounce across cultures and languages something spiritual but also timeless and fitting for today's generation Choosing a name in the Hindu tradition is often influenced by astrology religion family expectations linguistic beauty and even numerology Yet despite so many considerations what every parent truly seeks is a name that feels just right a name that instantly speaks to the heart This book is created to support that journey of discovery We understand that choosing the right name can feel overwhelming at times but we want to assure you that you're not alone Sacred Starts is here to guide you with clarity warmth and careful research Every name in this book has been handpicked with thoughtfulness and wherever applicable we've included meanings origins and contextual references so you can understand the story each name carries These names are not just labels they are carriers of tradition emotion and identity We also believe that there's nothing wrong with wanting your child to have a name that stands out A name can be a quiet whisper of uniqueness a gentle mark of individuality in a crowd Originality in naming is not about being odd it's about being authentic And authenticity requires attention care and yes sometimes a little extra research That's why this book goes beyond the usual and brings you a carefully curated blend of both classic and contemporary Hindu baby names

The Word of Light Shlomo Giora Shoham, 2008-12-18 One of the fundamental enigmas of our existence and for that matter Gods existence is the act of creation Has the cosmos been created ex nihilo or was it an intelligent design by God Does God having created the world let it evolve and develop on its own subject to the rules of evolution and chance or does God intervene in every step of evolution in a deus ex machina manner What is the role of man in creation Is it as central as existentialism and quantum mechanics assure us that without human consciousness interacting with energy matter there would not be any objects and life forms Is man the crown of creation permanently or once evolution forms a more effective connecting agent between spirit and energy matter will man be relegated to the world of fossils The book concludes with a thorough examination of human norms values and morals As such this book constitutes a comprehensive treatise on the genesis of the world the birth of God and the role of man

A Fallen Redemption Vince Seim, 2016-07-10 Book II of the Heaven Hell Humanity Trilogy As angels descend from the High Heavens and the demonic armies of Hell rise from the depths Humanity balances on the precipice of extinction The war of immortals has returned

The Prince of Darkness Jeffrey Burton Russell, 2016-03-10 The Devil Satan Lucifer Mephistopheles throughout history the Prince of Darkness the Western worlds most powerful symbol of evil has taken many names and shapes Jeffrey Burton Russell here chronicles the remarkable story of the Devil from antiquity to the present While recounting how past generations have personified evil he deepens our understanding of the ways in which people have dealt with the enduring problem of radical evil After a compelling essay on the nature of evil Russell uncovers the origins of the concept of the Devil in various early cultures and then traces its evolution in Western thought from the time of the ancient Hebrews through the first centuries of the Christian era Next he turns to the medieval view of the Devil focusing on images found in folklore

scholastic thought art literature mysticism and witchcraft Finally he follows the Devil into our own era where he draws on examples from theology philosophy art literature and popular culture to describe the great changes in this traditional notion of evil brought about by the intellectual and cultural developments of modern times Is the Devil an outmoded superstition as most educated people today believe Or do the horrors of the twentieth century and the specter of nuclear war make all too clear the continuing need for some vital symbol of radical evil A single volume distillation of Russell s epic tetralogy on the nature and personification of evil from ancient times to the present published by Cornell University Press between 1977 and 1986 The Prince of Darkness invites readers to confront these and other critical questions as they explore the past faces of that figure who has been called the second most famous personage in Christianity Wheels of Light Fr. Con Buckley,2015-02-12 These introductions homilies reflections and prayers are not theory but a priest s experience of a liturgical approach that works The testimony of the faithful who say what a lovely mass what a moving homily could I have a copy is his touchstone So is the popularity of the homilies on his internet web A Priest Reflects This book works because it treats each Sunday liturgy as a seamless robe of rich interwoven themes Thus the introduction identifies the links between the Old Testament reading and the Gospel and adds any gems from the second reading Then when the scripture is read people clued in to the overall import listen more profitably The homily elaborates the key themes from the readings further and relates them to life with stories anecdotes newspaper headlines references to common events etc The aim is that the Word should light up our contemporary experience The final doxology reinforces the point that the Word is life for this world not just the next The creed introduction summarizes the whole and the prayers carry that on into petitions for church leaders civil authorities youth the sick the dead and special needs There are special prayers for our youth that gaps in our congregations there will be bridged And the presiding minister should add other topical issues of the day The reflection after holy communion again reinforces the overall message but also leaves the people of God with something spicy and memorable to take home So all in all this book should light up our masses or services and make them gospel based relevant inspirational and focused The homilies are timed at about five minutes people s normal attention span So don t miss out on this innovative book Buy it and it will light up your Sunday mass and provide spiritual food for the following week
