Lords Prayer Text In Tradition:

The Lord's Prayer Gerald O'Collins,2007 In *The Lord's Prayer* the author explains what the prayer meant to Jesus himself and to his first followers and he also describes what the Our Father has continued to mean over the centuries and what it means today Like the story of his birth death and resurrection the prayer Jesus shared with his disciples has gone out to all nations and cultures *The Lord's Prayer* summarises the message of the kingdom and of the Gospel **BOOK JACKET**

The Lord's Prayer (Touchstone Texts) William M. IV Wright,2023-02-28 Since the beginning of Christianity the Lord's Prayer has occupied an important place in the lives of Jesus's disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord's Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God's Word to people When we say this prayer not only are we speaking to God but God is also speaking to us Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord's Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School **The Lord's Prayer** Kenneth W. Stevenson,2004 *The Lord's Prayer A Text in Tradition* is a quite unique title which studies the use and interpretation of the Lord's Prayer from the earliest times to the present day It draws together the work of scholars of the biblical patristic medieval reformation and modern periods [The Lord's Words](#) Michael Theobald,2025-11-11 The great Johannine speeches of Jesus in the fourth gospel exert an unbroken magic on their listeners They accomplish this by use of vivid imagery e g bread vine shepherd way and their many repetitions of crucial insights What seems at first monotonous actually draws one into a deep spiral of knowledge Apart from a few exceptions interpreters of John's gospel agree The historical Jesus did not speak as John styles his Jesus If the goal is to reconstruct the message and words of the historical Jesus one will have to turn to the synoptic gospels *The Lord's Words* develops a new explanation model for the genesis of the Johannine Jesus speeches These speeches are based on core words from the Johannine church tradition which the evangelist received reflected in the monologues and dialogues of the gospel and so worked out his speech compositions The study is not as in an older branch of research the apologetic attempt to connect John to a presumed Jesus tradition by tracing the development of the words of the Lord Rather the book focuses upon the literary and theological hermeneutics of the evangelist in dealing with those good words At the same time the book pursues the goal of uncovering the origins of the high Johannine Christology *Wisdom Christology* investigating the trauma of the Johannine Christians schism from the Jewish synagogue *Texts and Traditions* Peter Doble,Jeffrey Kloha,2014-07-24 The methodology of New Testament textual criticism the critical evaluation of readings and the history and texts of early Christianity is the focus of the influential work

of J K Elliott Texts and Traditions offers eighteen essays in his honour The essays by colleagues and students from his long career reflect Elliott's wide interest and impact From questions of the purpose and practice of textual criticism to detailed assessment of New Testament literature and the readings of its manuscripts to provocative studies of the reception of Jesus and the New Testament in the second century this volume will be of value to those studying the New Testament and Early Christianity Tradition of the Text Gerard J. Norton, Stephen Pisano, 1991 Jewish Traditions in Early Christian Literature, Volume 5 The Didache H.W.M. van den Sandt, David Flusser, 2002-01-01 This volume demonstrates that we should understand nascent Christianity and early Judaism as sharing to a large extent the same traditions It throws fresh light on the Jewishness of the Two Ways teaching in Didache 1-6 as it presents a cautious reconstruction of the Jewish prototype of the Two Ways and traces the Jewish life situation in which the instruction could flourish In the field of liturgical studies a significant contribution is made to the discussion of Didache 7-10 It improves our understanding of the Jewish provenance and historical development of Baptism and Eucharist The book also presents an intriguing look into the ministry of itinerant apostles and prophets Didache 11-15 considering the larger environment of Jewish religious and cultural history The Qur'an and the Aramaic Gospel Traditions Emran El-Badawi, 2013-12-17 This book is a study of related passages found in the Arabic Qur'an and the Aramaic Gospels i.e. the Gospels preserved in the Syriac and Christian Palestinian Aramaic dialects It builds upon the work of traditional Muslim scholars including al-Biqdī ca 808-1460 and al-Suyūdī 911-1505 who wrote books examining connections between the Qur'an on the one hand and Biblical passages and Aramaic terminology on the other as well as modern western scholars including Sidney Griffith who argue that pre-Islamic Arabs accessed the Bible in Aramaic The Qur'an and the Aramaic Gospel Traditions examines the history of religious movements in the Middle East from 180-632 CE explaining Islam as a response to the disunity of the Aramaic speaking churches It then compares the Arabic text of the Qur'an and the Aramaic text of the Gospels under four main themes the prophets the clergy the divine and the apocalypse Among the findings of this book are that the articulator as well as audience of the Qur'an were monotheistic in origin probably bilingual culturally sophisticated and accustomed to the theological debates that raged between the Aramaic speaking churches Arguing that the Qur'an's teachings and ethics echo Jewish Christian conservatism this book will be of interest to students and scholars of Religion History and Literature **Liturgy and Interpretation** Kenneth Stevenson, 2013-01-07 Kenneth Stevenson is one of the UK's leading liturgical scholars with an international reputation Much of his work is in the borderlands of theology worship and history The essays in this book are worked examples of the importance of interpretation and liturgy particularly in the light of the growing impact in recent years of reception history and how this interacts not only with biblical scholarship but with worship and doctrine as well Interpretation and Liturgy is a big subject and one that is unlikely ever to go away It is part of the twofold movement of divine initiative and human aspiration or to put it yet more directly what some would immediately call the inspiration of the Holy Spirit others would call the religious imagination and

others again would call both United in Prayer Peter E. Roussakis, 2019-06-10 Christians everywhere are uniquely linked together by a simple prayer which binds our hearts in Christian love the Lord's Prayer In the Lord's Prayer Jesus Christ provided His disciples with meaningful instructions about how to pray Praying this model prayer with one accord contributes to the binding together of our hearts in God's love The Lord's Prayer is sacred for Christians Through it in times of trial as well as ease we may turn to God for help and support This book provides a deeper study of this prayer of prayers with an overview of its scriptural context inclusions and order and an introduction to the Jewish Setting of the prayer The book concludes with the theme of Christians being united through learning and praying the Lord's prayer together
