Secrecy and Deceit David Martin Gitlitz,2002 Comprehensive history of crypto Jewish beliefs and social customs

Unbroken Charles Papiernik,2004 Twentieth century Jewish history is embodied in this autobiography of a World War II Holocaust survivor who lives today in Argentina Charles Papiernik was educated in a Polish stetl a small town Breaking away from his ultra orthodox Hasidic teachers he became

active in socialist youth movements in Warsaw and moved to Paris to join his brothers. In spite of being deported and spending time in concentration camps including Auschwitz he survived the war and immigrated to Montevideo Uruguay where he opened a business and prospered. After twenty five years in Uruguay political and economic turmoil prompted him to immigrate once again this time to Buenos Aires where once again his business acumen led to financial success. He eventually retired devoting his energies to telling the public about the horrors of the Holocaust. One of the few South American Holocaust memoirs available in English. Papiernik's story is very different from the stereotypical image of Holocaust survivors in South America forced to live cheek by jowl with ex Nazis. Papiernik took Uruguay and Argentina by storm and claims never to have encountered anti-Semitism. **I Am of the Tribe of Judah** Stephen A. Sadow, 2024-04-15

The first anthology of its kind *I Am of the Tribe of Judah* Poems from Jewish Latin America brings together poetry from the Mexican border to the tip of South America. Originally written in Spanish Portuguese Yiddish Ladino Casteidish and Hebrew these poems have been translated into English many for the first time by a group of prize winning translators. This multilingual collection looks at the tradition across more than five hundred years featuring poems that exalt being Jewish whether Ashkenazi or Sephardic and poems that express humor and satire. Conversely there are poems in response to anti-Semitism and poems of exile of protest and of the Holocaust. In a different mode there are wondrous poems on mysticism and Kabbalah. The book includes an insightful introduction and historical background by world renowned literary and social critic Ilan Stavans professor at Amherst College. *Stavans Unbound* Bridget Kevane, 2019-08-27

Twenty five years ago Ilan Stavans published his first book *Imagining Columbus: The Literary Voyage* 1993. Since then Stavans has become a polarizing figure dismissed and praised in equal measure a commanding if contested intellectual whose work as a cultural critic has been influential in the fields of Latino and Jewish studies politics immigration religion language and identity. He can be credited for bringing attention to Jewish Latin America and issues like Spanglish he has been instrumental in shaping a certain view of Latino Studies in universities across the United States as well abroad he has anthologized much of Latino and Latin American Jewish literature and he has engaged in contemporary pop culture via the graphic novel. He was the host of a PBS show called *Conversations with Ilan Stavans* and has had his fiction adapted into the stage and the big screen. The man as one critic stated clearly has energy to burn and it does not appear to be abating. This collection celebrates twenty five years of Stavans's work with essays that describe the good and the bad the inspired and the pedestrian the worthwhile and the questionable. *Like a Bride and Like a Mother* Rosa Nissán, 2013-02-15

These two autobiographical novels lay bare the life journey of a Mexican Jewish woman reconciling herself with a Sephardic background her parent's dictates and her husband's and family's expectations. The only constant in her life is a need to find her own way and the story of how she does so is intensely personal and yet universal in its humanness. This quest begins in Oshinica's childhood at about age ten she's taken from the public school in Mexico City and placed in a Jewish one. There she begins to understand what it means to be

Jewish Though somewhat indifferent to Hebrew lessons she warms to the teacher who shares experiences of the Holocaust and learns that being Jewish means being different Oshinica's family thwarts her desire to enter the university and instead she's pushed into marriage at age seventeen Children follow quickly four in all and into the 1960s Oshinica tries to be a dutiful wife and mother while continuing to be an obedient daughter But the insular Jewish neighborhood that sheltered and defined her life is impinged upon as modernity transforms Mexico City Seeing films like the Fellini movie *8 1/2* and experiencing a culturally changing capital city sets her on a quest for her own voice and space Eventually she separates and divorces supports herself as a commercial photographer and enrolls in a creative writing course taught by Elena Poniatowska one of Mexico's most prominent women authors The short pieces begun in that course evolved into these two novels The remarkable story they tell is how Oshinica's many and often painful journeys of discovery led to a personal peace I've never met a person so natural and spontaneous Rosa Niss n adapts herself to life the way a plant adapts itself to the soil or the sun Elena Poniatowska *The Entre Ríos Trilogy* Perla Suez, 2006 These novels written by Perla Suez in Spanish and translated into English by Rhonda Dahl Buchanan take place in Entre Ríos the Argentine province where thousands of Jewish immigrants settled at the end of the nineteenth century
