Losing Everything Stories:

Losing Everything David Lozell Martin, 2008-12-30 In *Losing Everything* his first book of nonfiction acclaimed novelist David Lozell Martin tells his wildest most outlandish story yet his own One evening in the mountainous forest of his isolated West Virginia farmhouse Martin became disoriented when searching for a horse who had wandered off the property Wading through the dark and guiding his horse with a belt around its neck Martin felt as though every step was taking him deeper into the mountains Instead he unknowingly spent the night walking in a wide circle that brought him back to where he started This quickly became a metaphor for Martin s life The more lost I get the closer to home I come After growing up with a violent father who nearly killed Martin s clinically insane mother Martin pursued a writer s life with a vengeance becoming vulnerable to struggles with alcohol financial ruin and legal feuds Then after a betrayal by his soul mate Martin s sanity was in as much jeopardy as his mother s had ever been a state of mind that in his case led to gunfire divorce and at least one trip to the emergency room But *Losing Everything* is less about getting lost and more about finding your way home again In his pursuit of stability Martin uncovered lessons that might help others who have encountered loss take pleasure in something as small as an ampersand keep a list of people you know who have died meet your own death like a warrior and be glad you don t own a monkey Deeply personal yet surprisingly universal Martin s story is for anyone who has wandered astray If not a road map his journey is a guide providing hard earned wisdom to illuminate the path home *Losing Everything* S. P.

Murray, 2017-12-12 *Losing Everything A Family s Journey with Alzheimer s Disease* is written about our long journey with Mom and her illness as well as how this disease has impacted our lives Alzheimer s is a thief that slowly robs families of loved ones long before their lives end This book is in memory of the mother we once knew and even though she is still alive she was stolen by this disease and is now forever lost to us Mom is sick and getting sicker each day Once Mom became ill I began keeping a journal with the idea that it might help Mom s memory Of course it did not Instead the journal is a series of anecdotes that touches on all the core emotions that we feel anger frustration laughter and most importantly love **How**

to Lose Everything Christa Couture, 2020-09-19 Christa Couture has come to know every corner of grief its shifting blurry edges its traps its pulse of love at the centre and the bittersweet truth that sorrow is a powerful and wise emotion From the amputation of her leg as a cure for bone cancer at a young age to her first child s single day of life the heart transplant and subsequent death of her second child the divorce born of grief and then the thyroidectomy that threatened her career as a professional musician *How to Lose Everything* delves into the heart of loss Couture bears witness to the shift in perspective that comes with loss and how it can deepen compassion for others expand understanding inspire a letting go of little things and plant a deeper feeling for what matters At the same time Couture s writing evokes the joy and lightness that both precede and eventually follow grief as well as the hope and resilience that grow from connections with others Evoking Joan Didion s *The Year of Magical Thinking* and Rachel Cusk s *A Life s Work* Couture explores the emotional and psychological

experiences of motherhood partnership and change Deftly connecting the dots of sorrow reprieve and hard won hope *How to Lose Everything* contains the advice Couture is often asked for as well as the words she wishes she could have heard many years ago It is also an offering of kinship and understanding for anyone experiencing a loss *How to Lose Everything* Philipp Mattheis,2013-07-23 Jonathan Sam Schulz and Eric usually spend their summers hanging out at the park skateboarding and dreaming about the time when they ll finally move out of the suburbs But in the summer of 1994 the four teenagers find a small fortune hidden inside an abandoned house What starts out as a blessing soon turns into a curse however as stress drugs and dwindling funds raise some serious questions about the future Eighteen years later Jonathan returns to that life changing summer to tally up the cost of that discovery exploring how a broken dream led to a totally renewed sense of purpose *The Art of Losing Everything - And Why It's the Best Thing That Can't Happen to You* Barbara O'Neal, Prince Jason,2025-10-12 What if losing everything wasn t the end but the beginning We fear failure heartbreak and loss as life s worst tragedies But hidden inside those moments of collapse is a kind of freedom most people never find the power to rebuild without illusion *The Art of Losing Everything* is a raw honest exploration of what happens when life falls apart and how it can awaken the version of you that comfort kept asleep Through deep insight real stories and hard earned wisdom this book reveals Why hitting rock bottom shatters your ego but frees your soul How loss strips away illusion and forces you to confront truth The hidden strength that only shows up when you have nothing left to protect How to rebuild your identity purpose and peace from ground zero Why freedom often comes disguised as failure This isn t a story about giving up it s about breaking open It s about discovering that sometimes you have to lose what you thought you needed to find who you really are If you ve ever lost money love faith or direction *The Art of Losing Everything* will show you why those endings aren t punishments they re invitations Because sometimes life has to take everything from you just to give you yourself *Life Is About Losing Everything* Lynn Crosbie,2012-05-05 From the author of the wildly controversial books *Liar* and *Paul s Case* comes one of the most anticipated and perhaps in some quarters feared books of the year This is author Lynn Crosbie at her most honest most cutting most hilarious and most heartbreaking The stories told here are at once a cache a repository of a seven year period in the author s life and too a gymnasium a place where she can flex her prodigious wit and her dazzling stash of literary tricks Deft with matters both low and highbrow here are stories about 80s big hair bands and the lasting theological value of the *Rocky* series here too are stories contemplating critical theory and fine art *Life Is About Losing Everything* speaks with manic yet grave authority about risking and losing everything and then sorting through the remains to discover what is beautiful what is trash and what ultimately belongs ***A Lot of Life - Is Winning It All Worth Losing Everything?*** Kyle Mathis,2014-10-22 Caleb was an average guy with average guy problems He never seemed to have enough money he hated his job and he hated his live in girlfriend He felt trapped and he didn t know what to do Everyone needs a little help once in a while Coming home late from work on a Saturday night to his inebriated girlfriend was the last

thing in his life he needed After yet another blowout fight he escapes to the home of his two best friends Spending his last 41 on cheap beer cigarettes and a lottery ticket seemed like a great reason to drink himself into a coma Upon his return the following morning to his apartment with a hangover riding shotgun he discovers that his girlfriend has packed up and left him His best girl friend Delaney decides to take him out for brunch to cheer him up During so he discovers a new fortune that awaits him He won the lottery So an average guy is now thrown into a not so average lifestyle While learning to balance his new fortune and old life new challenges are dropped at his feet He rarely makes the best decisions and ends up alienating his best friends his closest girl friend and his family Throughout his short spiritual journey he tries to understand himself women and the meaning of life A Lot of Life is a fun read with elements of dark humor It explores some of the what ifs some of us have fantasized about if we ever won the lottery It tackles issues of self esteem spirituality carnal hunger and excessive gluttony in life I m not sure how many of us would do the right thing when presented with some hedonistic options Caleb is just another guy in his strange new world Keywords Fiction Literary Fiction Contemporary Fiction Humor Adult Humor Dark Humor Lottery Lottery Winner **Nothing to Lose, Everything to Gain** Ryan Blair,2013-03-26 Like many entrepreneurs Ryan Blair had no formal business education But he had great survival instincts tenacity and above all a nothing to lose mindset His middle class childhood ended abruptly when his abusive father succumbed to drug addiction and abandoned the family Blair and his mother moved to a rough neighborhood and soon he was in and out of juvenile detention joining a gang just to survive Then his mother fell in love with a successful entrepreneur who took Ryan under his wing With his mentor s guidance Blair started his first company 24 7 Tech at age twenty one He has since created and sold several companies for hundreds of millions of dollars This is an inspirational guide full of powerful stories and lessons and a road map for entrepreneurial success **Nothing to Lose, Everything to Gain** Kathy Barnette,2020-02-04 Conservative political commentator Kathy Barnette shares how liberal leadership has failed the black community and how being a democrat is not synonymous with your skin color During his first historic run for the presidency in 2016 Donald Trump made an impassioned plea to the black community Give me a chance he said What the hell do you have to lose According to Kathy Barnette black Americans have nothing to lose except for crime ridden communities neighborhoods that have become shooting galleries more social welfare programs and the mocking indifference of the Democrat party Barnette argues that even a cursory look into the black community reveals the destabilizing effect liberal policies have had on the black family There was a time when Barnette bought into the same lie as everyone else that if you re black you must be a democrat In fact she was born into the Democrat party just as much as she was born into brown skin There was no point of separation Until she began to understand what it truly means to be black in America Barnette contends that being black is more than just the color of her skin It s a culture and a consciousness too In NOTHING TO LOSE EVERYTHING TO GAIN Barnette writes about why liberal policies have failed the black community time and time again and will fail the larger American community as Democrats rush

to the hard Left of the party From the Great Society to Kanye West s ongoing war with the liberal establishment this book provides sharp eloquent commentary on the most pressing issues facing black Americans today broken family structure loss of identity the legacy of slavery and more Barnette argues that President Trump has not been willing to presume that the black vote is a foregone conclusion resting comfortably in the back pockets of Democrats With his plainspoken style and willingness to face harsh truths the president has done more for the black community than any president since Abraham Lincoln Barnette insists the time is now to get back what has been lost to fix the brokenness and to recognize and support those who are actually working in our favor We have nothing to lose and even more to gain *I've Lost Everything...Now What?* Tom Morris,2009-10-05 Even though it seems unrecoverable you can grow through loss and what feels like you have lost everything
