Lost Civil War Diaries:

The Lost Civil War Diaries Timothy J. Regan, Kenneth John Pluskat, 2003 Now after 141 years these diaries originally compiled in two manuscripts are being published for the first time unedited and in their entirety Rarely are any new discoveries made of the written material on the American Civil War and this may be the last major find of Civil War period literature The Lost Civil War Diary of John Rigdon King Donald B. Jenkins, 2018-10-21 On a crisp fall day in October of 1862 a precocious seventeen year old boy went into a bookshop in his hometown of Hagerstown Maryland and purchased a composition book Into his new diary John R King would steadfastly record what he did see and hear daily as the Civil War raged around him During May of 1862 after learning the photography trade John took portraits of Union soldiers stationed in the Shenandoah Valley Then on May 23 1862 when he heard the sounds of battle he attempted to flee on a wagon He was soon captured by Stonewall Jackson's troops His treasured diary was taken Force marched to a Confederate prison John vowed revenge Two weeks after escaping from captivity John joined the Union Army He fought with fury courage and valor was wounded three times and became a war hero Later John was not only appointed by two presidents to prestigious positions in the Pension Bureau but he also became leader of the Grand Army of the Republic After lost for 150 years his diary was recently discovered and is now being published **Diary as Literature: Through the Lens of**

Multiculturalism in America Angela R. Hooks, 2020-02-20 Meandering plots dead ends and repetition diaries do not conform to literary expectations yet they still manage to engage the reader arouse empathy and elicit emotional responses that many may be more inclined to associate with works of fiction Blurring the lines between literary genres diary writing can be considered a quasi literary genre that offers a unique insight into the lives of those we may have otherwise never discovered This edited volume examines how diarists poets writers musicians and celebrities use their diary to reflect on multiculturalism and intercultural relations Within this book multiculturalism is defined as the sociocultural experiences of underrepresented groups who fall outside the mainstream of race ethnicity religion gender sexual orientation disability and language Multiculturalism reflects different cultures and racial groups with equal rights and opportunities equal attention and representation without assimilation In America the multicultural society includes various cultural and ethnic groups that do not necessarily have engaging interaction with each other whereas importantly intercultural is a community of cultures who learn from each other and have respect and understand different cultures Presented as a collection of academic essays and creative writing *The Diary as Literature Through the Lens of Multiculturalism in America* analyses diary writing in its many forms from oral diaries and memoirs to letters and travel writing Divided into three sections *Diaries of the American Civil War Diaries of Trips and Letters of Diaspora and Diaries of Family Prison Lyrics and a Memoir* the contributors bring a range of expertise to this quasi literary genre including comparative and transatlantic literature composition and rhetoric history and women and gender studies *The Lost Civil War Diary of Captain John Rigdon King* Donald B.

Klapper,2024-10-29 This book offers a vivid look at the wartime experiences of a Southern Jewish white woman a slaveholder who was forced to leave her home due to the upheavals of the Civil War but maintained a fierce devotion to her family and to the Confederate values that shaped her world **Personal Recollections and Civil War Diary, 1864** Lemuel Abijah Abbott,1908 The following Diary covering the interesting period of the Civil War from January 1 to December 31 1864 and a portion of 1865 to the surrender of General R E Lee at Appomattox Court House Va was kept by the Author at the age of twenty two when an officer of the Tenth Regiment Vermont Volunteer Infantry Third and First Brigade Third Division Third and Sixth Corps respectively Army of the Potomac and is a brief war history as seen by a young soldier literally from the front line of battle during General U S Grant s celebrated campaign from the Rapidan River to Petersburg Va and Gen P H Sheridan s famous Shenandoah Valley campaign in the summer and fall of 1864 During this time the Author passed from the grades of Second to First Lieutenant and Captain and commanded in the meantime in different battles five or more companies in his regiment which afforded an excellent opportunity to make a fairly interesting general diary of the fighting qualities of his regiment and especially of the companies which he commanded during that most interesting period of the Civil War when the backbone of the Rebellion was broken which together with Sherman and Thomas cooperations led to the surrender of General R E Lee at Appomattox C H April 9 1865 **Winning and Losing in the Civil War** Albert Castel,1996 *Winning and Losing in the Civil War* collects fifteen of the most influential short writings by accomplished Civil War historian Albert Castel each presented with his trademark wit style and analytical precision The author expounds on some of the most provocative arresting issues surrounding the war including the dispute over inevitability of Northern victory and the question of Lee s greatness on and off the battlefield Castel contemplates presidents and mules generals and guerrillas lovers and haters facts and opinions actualities and probabilities In addition he uses the volume as a forum for reflecting on his role as historian identifying the primary problem facing present day practitioners of Civil War historiography

and illuminating what remains to be accomplished in this heavily tilled but ever popular field of scholarly inquiry **The 4th Michigan Infantry in the Civil War** Martin N. Bertera, Kim Crawford, 2010-10-01 This fascinating narrative tells the story of a remarkable regiment at the center of Civil War history The real life adventure emerges from accounts of scores of soldiers who served in the 4th Michigan Infantry gleaned from their diaries letters and memoirs the reports of their officers and commanders the stories by journalists who covered them and the recollections of the Confederates who fought against them The book includes tales of life in camp portraying the Michigan soldiers as everyday people recounting their practical jokes illnesses political views personality conflicts comradeship and courage The book also tells the true story of what happened to Colonel Harrison Jeffords and the 4th Michigan when the regiment marched into John Rose's wheat field on a sweltering early July evening at Gettysburg Beyond the myths and romanticized newspaper stories this account presents the historical evidence of Jeffords's heroic yet tragic hand to hand struggle for his regiment's U S flag **Women's Diaries**

from the Civil War South Sharon Talley, 2023-08-18 Traditionally narratives of war have been male Sharon Talley writes In the pages that follow she goes on to disrupt this tradition offering close readings and comparative studies of fourteen women's diaries from the Civil War era that illuminate women's experiences in the Confederacy during the war While other works highlighting individual diaries exist and Talley notes that there has been a virtual explosion of published primary sources by women in recent years this is the first effort of comprehensive synthesis of women's Civil War diaries to attempt to characterize them as a distinct genre Deeply informed by autobiographical theory as well as literary and social history Talley's presentation of multiple diaries from women of differing backgrounds illuminates complexities and disparities across female wartime experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many **Women's Diaries from the Civil War South** A Literary Historical Reading is an essential text for scholars in women's studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women's lives in the South and how their diverse responses shaped the course of the war in return
