Cumulative Book Index, 1925 A world list of books in the English language **Fiancé for Christmas** Catherine George, 2010-11-15 'Tis the season for deception and desire in this merrily mischievous romance from the USA Today bestselling author Cassie Lovell had good reason to resist Nick Seymour's rakish good looks and matching charm But that was easier said than done when it seemed that the only way to calm a family crisis at Christmas was for Cassie and Nick to pretend to be engaged Well Nick decided it was and Cassie knew she must go along with him for the sake of their two little nieces If she didn't Alice and Emily might have their Christmas ruined If only Nick wasn't insisting that his mistletoe make believe with Cassie look as convincing as possible complete with kisses and a ring Pretty soon she found herself wishing it was for real after all Semester Off Anna Kennedy, 2025-01-21 This coming of age story follows seventeen year old Heather Webster as she spends a semester off in England before college Still grieving the loss of her parents five years prior Heather struggles with this abrupt change in plans orchestrated by her strict aunt and guardian Kristin However Heather soon settles into life with her father's old friends the Andersons and their son Brian Through vivid descriptions and relatable characters the author immerses the reader into Heather's journey as she explores England makes close friends falls in love and grapples with the decision of where her future lies The Andersons provide the warmth and family connection Heather has been missing especially maternal Cindy Heather's friendship with Brian is particularly well developed and heartwarming The story also captures the culture traditions and atmosphere of England Flashbacks to Heather's childhood provide insight into her loving relationship with her parents and help the reader empathize with her grief A poignant dream conversation

with her deceased mother is especially moving Subplots involving Brian coming out as gay to his parents and a surprise birthday party add texture and interest The themes of finding family belonging growing up and moving forward after loss are deftly handled Heather s personal growth and realizations feel authentic and earned The open ended conclusion with Heather choosing to stay in England for college fits the story s tone while holding the promise of more adventures to come
