Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg,2019-06-11 A fabulously off beat collection of short stories about love the best and worst thing in the universe written by the creator of BoJack Horseman with his hallmark scathing dark humor Transcendent tragicomedy Prepare to be devastated and made whole again The A V Club Featuring A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding A pair of lonely commuters who ride the subway in silence forever eternally failing to make that longed for contact A struggling employee at a theme park of U S presidents who discovers that love can t be genetically modified And fifteen more tales of humor romance whimsy cultural commentary and crushing emotional vulnerability *Off the Rails* Matt Jones,2007-04 Many years ago a highly intelligent race of people living in China discovered a fault with the Earth s natural orbital trajectory which if left unresolved would result in the world ending in the mid twenty first century The

leaders of these people whilst travelling the world in search of a solution to the problem arrived in London Here they stumbled on the theory that if they created vast but subtle movements across the Earth s surface then such weight shifts would have a reasonable bearing on the rate at which the Earth rotates and thus would alter its orbital path To provide this weight a project named Commuters was created so called due to a misprint of Computers This was performed by building a railway infrastructure throughout the land and simultaneously inventing a large number of excitingly named well paid but virtually harmless jobs This created both the demand and the mechanism for many people to travel in the same direction at a given time of day The group of pioneers were adamant that the real reason for their work should not be made public yet at the same time the project needed to be monitored To satisfy this an organisation called the Littlepeople was created whereby those directly involved with the project took invisible jobs within society From these positions they could easily observe their work without fear of detection themselves They therefore occupied jobs that are commonly labelled working class or unskilled as they were unlikely to be noticed by the Commuters within these positions *My Disabled Mate* Maureen

Elochukwu,2023-11-05 Eighteen year old Raleigh Rivercrest s life is uncertain having been an orphan her whole life Her caretaker s boyfriend and her caretaker are pressuring her to find a home of her own but Raleigh is unable to provide for herself She finds solace in her young principal s older brother Lucien but he is not what he seems Lucien is a werewolf and Raleigh is drawn into the world of werewolves and Alphas Despite her disability and child like behavior Raleigh falls for Lucien However their romance is put on hold when an enemy from Lucien s past returns and seems to have a vendetta against Raleigh Now Raleigh must protect herself her pack and discover the truth of who she is **Love: A User's Guide**

Clare Naylor,2012-06-13 Working for Vogue Amy spends her days dressing waif models in London s latest apparel while fending off insults from the Gucci garbed staff Hardly the glamorous job she hoped it would be But that won t stop her from fantasizing about the sensational life she knows she s destined for or the prince who s bound to redeem her from a less than glowing record in romance However beneath her dreamy exterior Amy has a sure streak of common sense So when the impossible happens and her path crosses that of London s hottest film star she swoons with longing expecting nothing in return But Orlando Rock has other ideas For Amy is just the kind of girl he s after smart and witty different from the daft supermodels and vain leading ladies he s dated before Or is she For with fame fortune and true love just around the corner Amy s head is spinning her jet fueled imagination poised for takeoff Is her love for Orlando stronger than her lust for the limelight or is she merely fated to be the paparazzi s latest prey **The Witches In Love Part 4: 6 Fantasy Fiction**
