Mohamed Taher

Moonies In America Cult Church And Crusade:

"Moonies" in America David G. Bromley, Anson D. Shupe, 1979-11-01 Moonies in America advances our understanding of social movements using the particular data provided by a study of the Unification Church one of the most widely known and least understood of the cults which blossomed in the 1970 The organizational structure historical developments and society's response to the Reverend Sun Myung Moon's movement are examined in detail Shupe and Bromley have written an important book with an analysis which is based on sound empirical study and which is genuinely original at the theoretical level It is a book which can without reservation be recommended to anyone with the slightest interest in the dynamics of resource mobilization in the case of a world transforming movement [Moonies in America](#) David G. Bromley, Anson D. Shupe, Moonies in America advances our understanding of social movements using the particular data provided by a study of the Unification Church one of the most widely known and least understood of the cults which blossomed in the 1970 The organizational structure historical developments and society's response to the Reverend Sun Myung Moon's movement are examined in detail Shupe and Bromley have written an important book with an analysis which is based on sound empirical study and which is genuinely original at the theoretical level It is a book which can without reservation be recommended to anyone with the slightest interest in the dynamics of resource mobilization in the case of a world transforming movement

The Other Side of Joy Julius H. Rubin, 2000 Rubin focuses on the incidence of religious melancholy among the Bruderhof This is an affective disorder that has long been associated with pietistic conversion and is characterized by a sense of abandonment by God **Of Gods and Men** British Sociological Association. Sociology of Religion Study Group. Conference, 1983

Reactions to the Law by Minority Religions Eileen Barker, James Richardson, 2020-12-30 Much has been written about the law as it affects new and minority religions but relatively little has been written about how such religions react to the law This book presents a wide variety of responses by minority religions to the legal environments within which they find themselves An international panel of experts offer examples from North America Europe and Asia demonstrating how religions with relatively little status may resort to violence or passive acceptance of the law how they may change their beliefs or practices in order to be in compliance with the law or how they may resort to the law itself in order to change their legal standing sometimes by forging alliances with those with more power or authority to achieve their goals The volume concludes by applying theoretical insights from sociological studies of law religion and social movements to the variety of responses The first systematic collection focussing on how minority religions respond to efforts at social control by various governmental agents this book provides a vital reference for scholars of religion and the law new religious movements minority religions and the sociology of religion **Culture, Social Movements, and Protest** Hank Johnston, 2016-12-05 This cutting edge research volume advances the widely accepted perspective that cultural factors are central elements in shaping trajectories organizational forms recruitment protest strategies and ideologies of social

movements Hank Johnston brings together international experts in cultural analysis to focus on narratives frames speech acts subcultural networks and new developments in cultural theory By introducing innovative methodologies this title will be of key importance to scholars across the social sciences including sociology political science geography anthropology and women s studies Johnston s exciting book is a significant contribution to the cultural analysis of social movements

Monitored Peril Darrell Y. Hamamoto,1994 A meticulous work of history cultural criticism and political analysis Monitored Peril illuminates the unstable relationship between the practices of commercial television programs liberal democratic values and white supremacist ideology The book clearly demonstrates the pervasiveness of racialized discourse throughout U S society especially as it is reproduced by network television

The 60s Communes Timothy Miller,2015-02-01 The greatest wave of communal living in American history crested in the tumultuous 1960s era including the early 1970s To the fascination and amusement of more decorous citizens hundreds of thousands of mostly young dreamers set out to build a new culture apart from the established society Widely believed by the larger public to be sinks of drug ridden sexual immorality the communes both intrigued and repelled the American people The intentional communities of the 1960s era were far more diverse than the stereotype of the hippie commune would suggest A great many of them were religious in basis stressing spiritual seeking and disciplined lifestyles Others were founded on secular visions of a better society Hundreds of them became so stable that they survive today This book surveys the broad sweep of this great social yearning from the first portents of a new type of communitarianism in the early 1960s through the waning of the movement in the mid 1970s Based on more than five hundred interviews conducted for the 60s Communes Project among other sources it preserves a colorful and vigorous episode in American history The book includes an extensive directory of active and non active communes complete with dates of origin and dissolution

Routledge Library Editions: Women and Religion Various,2022-07-30 RLE Women and Religion gathers in one place a collection of previously out of print titles from a variety of historic imprints Encompassing a range of experiences the set provides an essential reference source on some of the key points in the field of women and religion

Outbreaks Jerry D. Rose,1982 From the Salem witch hunts and the storming of the Bastille to the Holocaust the Montgomery bus boycott and the People s Temple mass suicide extraordinary episodes of collective behavior fill our history books In Outbreaks Jerry D Rose examines the social conditions that generate panic nonviolent and violent protest religious revivals programs and the like and analyzes their connection to ordinary human behavior Rose begins with an overview of traditional theories and approaches that have been applied to collective behavior and the introduces his own framework Four chapters are devoted to the different categories of collective behavior Disasters when social systems are unable to sustain the resources required for their own continuation Protest when unusual or extralegal tactics are used to achieve a political goal Persecution when persons or behaviors viewed as threats to the social order are sought out and suppressed Renewal when people work to change what they see as a growth in moral indifference

and corruption Each chapter examines the background causes of the episodes participation who starts or joins process how the episode develops and how the spectators participants and authorities interact and the consequences the success or failure of the action and its side effects and by products The final chapter revisits the realm of the general theory of collective behavior seeking new coherent empirically valid insights into the role of the episodic dimension in human behavior Rose brings the subject alive with numerous examples of collective behavior from the panic created by Orson Welles s 1938 Martian invasion broadcast to the eruption of Mount St Helens the Italian earthquake the Miami riots the Attica prison uprising the purges in revolutionary Iran and the growth of religious cults **Baring Our Souls** Kathleen S. Lowney, After framing the genre in this way Dr Lowney s book raises the essential question conversion to what The faith preached on talk shows is based on the principles of the Recovery Movement among whose tenets are that care for one s self is the highest virtue and that psychological wounds that endure from childhood into adulthood create troublesome and addictive behaviors or codependency The only cure is to join a therapeutic 12 step group **BOOK JACKET Baring Our Souls** probes the roots of the genre in the religion of recovery and holds both up to the scrutiny of sociological inquiry This will be a welcome supplementary text in courses in social problems media and civil religion **BOOK JACKET The to Z of New Religious**

Movements George D. Chryssides, 2006-04-17 Alongside the older and more established religions there are hundreds indeed thousands more which have recently emerged These new religious movements or NRMs for lack of a better name are not only numerous they are also extremely varied and stem from a wide array of sources They run the gamut from small to large and all possess a tendency to constantly expand And while their potential for good is considerable more often than not it is their abuses that are noticed Still writing them off as sects is too easy especially when they are as poorly understood as they often are The A to Z of New Religious Movements is a major contribution to understanding these new and formative religions While leaving any evaluation to the reader it offers brief descriptions of well over a hundred NRMs in the dictionary section along with information on the founders and leaders and also their roots in Christianity Buddhism Hinduism Islam and other more traditional religions The impact of modern philosophy and science are also weighed Since their roots often lay further back the chronology starts in the 18th century and continues to the present and the introduction attempts the arduous task of defining and categorizing the NRMs The extensive bibliography provides further reading **Cyber Worship in**

Multifaith Perspectives Mohamed Taher, 2006 Cyber Worship in Multifaith Perspectives as is implied by its name explores worship i e Prayer Praise Scripture Sacrament Rituals Confessions Eucharist Rites Pilgrimages Reflection Contemplation etc on the Internet It is not an everything you need to know guide about the subjects of faith and belief religions online religions on the Net or religions in cyberspace Rather it is a book about religious and spiritual experience under the rubric cyber worship which is the variety of ways religious devotion is performed and carried out on the Internet The term Cyber Worship is a catchall phrase which includes variants such as online worship virtual worship electronic prayer cyber puja cyber

synagogue and so on Dr Mohamed Taher has thus assembled a quick reference for two groups those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments As such this book provides an interesting and current perspective on a practice that will continue to grow in the future Religion in Sociological Perspective Keith A. Roberts,David Yamane,2015-07-18 This fully updated Sixth Edition of Religion in Sociological Perspective introduces students to the basic theories and methods in the field and shows them how to apply these analytic tools to new groups they encounter Authors Keith A Roberts and David Yamane explore three interdependent subsystems of religion meaning structure and belonging and their connections to the larger social structure While they cover the major theoretical paradigms of the field and employ various middle range theories to explore specific processes they use the open systems model as a single unifying framework to integrate the theories and enhance student understanding The Sixties and Beyond Nancy Christie,Michael Gauvreau,2013-01-01 In the decades following the Second World War North America and Western Europe experienced widespread secularization and dechristianization many scholars have pinpointed the 1960s as a pivotally important period in this decline The Sixties and Beyond examines the scope and significance of dechristianization in the western world between 1945 and 2000 A thematically wide ranging and interdisciplinary collection The Sixties and Beyond uses a framework that compares the social and cultural experiences of North America and Western Europe during this period The internationally based contributors examine the dynamic place of Christianity in both private lives and public discourses and practices by assessing issues such as gender relations family life religious education the changing relationship of church and state and the internal dynamics of religious organizations The Sixties and Beyond is an excellent contribution to the burgeoning scholarship on the 1960s as well as to the history of Christianity in the western world The Oxford Handbook of New Religious Movements James R. Lewis,Inga B. Tollefsen,2016-04-12 The study of New Religious Movements NRMs is one of the fastest growing areas of religious studies and since the release of the first edition of The Oxford Handbook of New Religious Movements in 2003 the field has continued to expand and break new ground In this all new volume James R Lewis and Inga B T llefsen bring together established and rising scholars to address an expanded range of topics covering traditional religious studies topics such as scripture charisma and ritual while also applying new theoretical approaches to NRM topics Other chapters cover understudied topics in the field such as the developmental patterns of NRMs and subcultural considerations in the study of NRMs The first part of this book examines NRMs from a social scientific perspective particularly that of sociology In the second section the primary factors that have put the study of NRMs on the map controversy and conflict are considered The third section investigates common themes within the field of NRMs while the fourth examines the approaches that religious studies researchers have taken to NRMs As NRM Studies has grown subfields such as Esotericism New Age Studies and neo Pagan Studies have grown as distinct and individual areas of study and the final section of the book investigates these emergent fields Jews in the Japanese Mind David G.

Goodman, Masanori Miyazawa, 2000-01-01 Shortly before releasing deadly sarin gas on the Tokyo subway in March 1995 the Aum Shinrikyo religious cult published a vicious 95 page antisemitic tract that declared war on its Jewish archenemy The gassing of the Tokyo subway was the culmination of a century of Japanese theorizing about Jews an important part of which has been antisemitic In recent years books blaming Jews for everything from the designs on Japanese currency to the 1995 Kobe earthquake have appeared and some have sold millions of copies What explains this virtual obsession with Jews in Japan a country that has no Jews In this highly original cultural and intellectual history David G Goodman and Masanori Miyazawa show that present day Japanese attitudes toward Jews are the result of a process of accretion that began nearly 200 years ago Skillfully tracing the historical development of Japanese images of Jews against the background of the development of modern Japanese culture they describe how these images reflect the great themes of modern Japanese intellectual life Spanning fields ranging from politics to poetry the authors demonstrate how Japanese attitudes toward Jews have had real political and cultural consequences culminating in the 1995 subway gassing and resonating into the twenty first century *The World's Greatest Religious Leaders* Scott E. Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders correcting the misinformation that can be on the internet Religious leaders have shaped the course of history and deeply affected the lives of many individuals This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world Scholars from around the world each one an expert in his or her field and all holding advanced degrees came together to create an essential resource for students and for those with an interest in religion and its history Every entry has been carefully edited in a two stage review process guaranteeing accuracy and readability throughout the work Not strictly a biographical reference that recounts the facts of religious figures lives the book helps users understand how the selected figures changed history The entries are accompanied by excerpts of primary source documents and suggestions for further reading while the book closes with a bibliography of essential print and electronic resources for further research Why Nothing Works Marvin Harris, 2011-01-11 From cults to crime to porno parlors this book is about a lot of things that are new and strange in America today This book is about cults crime and shoddy goods and the shrinking dollar It s about porno parlors and sex shops and men kissing in the streets It s about daughters shaking up women on the rampage marriages postponed divorces on the rise and no one having kids It s about old ladies getting mugged and raped people shoved in front of trains and shoot outs at gas pumps And letters that take weeks to get delivered waiters who throw food at you rude sales help and computers that bill you for things you never bought It s about broken benches waterless fountains cracked windows dirty toilets crater filled roads graffiti covered buildings slashed paintings toppled statues stolen books It s about shoelaces that break in a week bulbs that keep burning out pens that won t write cars that rust stamps that don t stick stitches that don t hold buttons that pop off

zippers that jam planes that lose their engines reactors that leak dams that burst roofs that collapse It s about astrologers shamans exorcists witches and angels in space suits It s about a lot of other things that are new and strange in America today from the Introduction Communal Life Yosef Gorni, IaÑicov Oved, IditWyEd Paz, 1987-01-01 This remarkable compendium brings together more than eighty scholars from throughout the world to examine the experience of the kibbutz and communal living Through careful examination of the ideological historical educational sociological and economic origins and realities of communal living the contributors provide strong and positive support for the belief that a cooperative society can exist within an antagonistic competitive system Taken together these contributions provide dialogue among and between those who research communal life and those who live it

Moonies In America Cult Church And Crusade Book Review: Unveiling the Magic of Language

Moonies In America Cult Church And Crusade Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Moonies In America Cult Church And Crusade PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Moonies In America Cult Church And Crusade PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Moonies In America Cult Church And Crusade free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
