have addressed aspects of the bible generally regarded as offensive and unacceptable **The Moral Foundations of Life** Oswald Chambers,1936 **No!** Paul C. McGlasson,2012-06-01 Sometimes theological ideas are good topics for ongoing debate Other times the community of faith needs to come to a decision yes or no Christian Reconstructionism offers the Christian church a basic approach to faith different from mainstream historic Christianity Is their approach warranted Or is it a fundamental distortion of the gospel The present volume seeks to set out the case that Christian Reconstructionism is not a legitimate variation of Christian doctrine but rather a serious misunderstanding of the gospel attested in Holy Scripture First an attempt is made to look at the basic ideas of Christian Reconstructionism Rather than focusing on names and dates the focus is on the set of ideas that characterize this view of Christianity Second a response is given to each of the main ideas The response makes use of traditional Protestant Roman Catholic and Eastern Orthodox doctrine but it is based primarily on careful exegesis of Scripture The ultimate question is if Christian Reconstructionism is grounded in the Bible or in a political ideology foreign to Scripture An epilogue briefly points to a different way of seeing Christian involvement in contemporary global society *Pro-Life Answers to Pro-Choice Arguments* Randy Alcorn,2009-01-21 As politicians citizens and families continue the raging national debate on whether it s proper to end human life in the womb resources like Randy Alcorn s *Pro-life Answers to Prochoice Arguments* have proven invaluable With over 75 000 copies in print this revised and updated guide offers timely information and inspiration from a sanctity of life perspective Real answers to real questions about abortion appear in logical and concise form The final chapter Fifty Ways to Help Unborn Babies and Their Mothers is worth the price of this book alone *The Church Speaks* James I. Cook,2002 With the passing of time and the development of significant cultural changes the Reformed Church in America has continued to examine its perspectives on Christian teaching Here the contemporary doctrinal positions of the RCA as presented by its Commission on Theology are gathered into one convenient reference work The papers included here are divided into chapters according to six categories scripture faith sacraments ministry witness and sexuality Within these documents are important statements on such topics as Christian witness in today s pluralistic society the role and authority of women in ministry Christian witness to Muslims and the church and homosexuality
