hen do you think is trying to devour you and your gift Each chapter in this book is dedicated to a hen that may be keeping you from singing and dancing performing your art or becoming all that God created you to be Well call them hen drances Even before the foundation of the earth God wrote history and it is known as His story because only God His son and His Spirit can give an accurate account and story of my life In His story He included you me and every other person throughout all of time Do you see why everyone else that attempts to tell your story becomes **Deconstruction** Martin
