More Profile Than Courage The New York City Transit Strike Of 1966

Robert Asher, Ronald Edsforth

More Profile Than Courage The New York City Transit Strike Of 1966:

More Profile Than Courage Michael Marmo,1990-01-01 The New York City Transit Strike of 1966 occurred during the formative period of labor relations between government and municipal employees and served as an impetus to convince legislators in many jurisdictions that legislation was needed to regulate public sector bargaining Marmo analyzes the role of the media in public sector bargaining and demonstrates how heavy reliance and manipulation of the media by interested parties affected the outcome of political decision making during one of the most significant strikes ever to take place in the history of public sector negotiations in the United States The book also tells the dramatic story of a confrontation between urbane Yale educated John Lindsay and the crusty acid tongued union antagonist Michael Quill More Profile Than Courage Michael Marmo,1990 *Mass Media* James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes **Working-Class New York** Joshua B. Freeman,2021-04-06 A lucid detailed and imaginative analysis The Nation of the model city that working class New Yorkers created after World War II and its tragic demise More than any other city in America New York in the years after the Second World War carved out an idealistic and equitable path to the future Largely through the efforts of its working class and the dynamic labor movement it built New York City became the envied model of liberal America and the scourge of conservatives everywhere cheap and easy to use mass transit work in small businesses and factories that had good wages and benefits affordable public housing and healthcare for all Working Class New York is an engrossing Dissent account of the birth of that ideal and the way it came crashing down In what Publishers Weekly calls absorbing and beautifully detailed history historian Joshua Freeman shows how the anticommunist purges of the 1950s decimated the ranks of the labor movement and demoralized its idealists and how the fiscal crisis of the mid 1970s dealt another crushing blow to liberal ideals as the city s wealthy elite made a frenzied grab for power A grand work of cultural and social history Working Class New York is a moving chronicle of a dream that died but may yet rise again

The Era Was Lost Glenn Dyer,2024-10-29 An exciting yet relatively unknown episode in American labor history took place in New York City between 1965 and 1975 Rank and file members of numerous unions caught a strike fever as they challenged the entrenched power of some of the country s most powerful politicians employers and union leaders in a wave of contract rejections wildcat strikes and electoral campaigns Workers in unions across New York wanted more than better contracts they contested control of the work process racism on the job and workers place in America s socioeconomic hierarchy while implicitly and explicitly demanding greater democratic control of their representative organizations Some

initial challenges were effective and succeeded in delivering better contracts and unseating undemocratic leaders However those early successes were short lived Glenn Dyer traces the way workers were met with employer recalcitrance and union attacks that proved too powerful to organize against In the face of this resistance workers retreated into a survivalist attitude of accommodation and resignation contributing to the decline of social democratic New York and working class power in the city Ultimately Dyer argues the failures of the rank and file organizing efforts in New York City which was the biggest center of organized labor in the country shows how stunted workers aspirations and numerous defeats not only uprooted the foundations of New York s uniquely social democratic polity but also ushered in a national era of increased working class subservience that has resonance today

The Encyclopedia of Strikes in American History Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28 Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation s history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of workers lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry s various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations

Photos a Topic Finder a bibliography and name and subject indexes add to the works appeal

The Encyclopedia of New York State Peter Eisenstadt, 2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New

York City to rich farmland upstate and to the west Entries by experts chronicle New York's varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state's diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state's past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

City of Workers, City of Struggle Joshua B. Freeman, 2019-04-30 From the founding of New Amsterdam until today working people have helped create and re create the City of New York through their struggles Starting with artisans and slaves in colonial New York and ranging all the way to twenty first century gig economy workers this book tells the story of New York's labor history anew City of Workers City of Struggle brings together essays by leading historians of New York and a wealth of illustrations offering rich descriptions of work daily life and political struggle It recounts how workers have developed formal and informal groups not only to advance their own interests but also to pursue a vision of what the city should be like and whom it should be for The book goes beyond the largely white male wage workers in mainstream labor organizations who have dominated the history of labor movements to look at enslaved people indentured servants domestic workers sex workers day laborers and others who have had to fight not only their masters and employers but also labor groups that often excluded them Through their stories how they fought for inclusion or developed their own ways to advance it recenters labor history for contemporary struggles City of Workers City of Struggle offers the definitive account of the four hundred year history of efforts by New York workers to improve their lives and their communities In association with the exhibition City of Workers City of Struggle How Labor Movements Changed New York at the Museum of the City of New York

Research Frontiers in Industrial Relations and Human Resources David Lewin, Olivia S. Mitchell, Peter D. Sherer, 1992 Comprises 16 chapters subsumed under four major subject areas unions collective bargaining and dispute resolution human resources management labour market research and the regulation of labour management relations

Paris and the Spirit of 1919 Tyler Stovall, 2012-03-22 This transnational history of Paris in 1919 explores the global implications of the revolutionary crisis of French society at the end of World War I As the site of the peace conference Paris was a victorious capital and a city at the center of the world and Tyler Stovall explores these intersections of globalization and local revolution The book takes as its central point the eruption of political activism in 1919 using the events of that year to illustrate broader tensions in working class race and gender politics in Parisian French and ultimately global society which fueled debates about colonial subjects and the empire Viewing consumerism and consumer politics as key both to the revolutionary crisis and to new ideas about working class identity and arguing against the idea that consumerism depoliticized working people this history of local labor movements is a study in the making of the modern world

The Ungovernable City Vincent Cannato, 2009-07-21 Vincent Cannato takes us back to the time when John Lindsay

stunned New York with his liberal Republican agenda WASP sensibility and movie star good looks With peerless authority Cannato explores how Lindsay Liberalism failed to save New York and in the opinion of many left it worse off than it was in the mid 1960 s *The Immigrant Left in the United States* Paul Buhle, Dan Georgakas, 1996-04-11 This book investigates the role immigrant radicals have played in U S society from the mid nineteenth century to the present A valuable contribution to the history of the American Left it makes use of a wealth of material from immigrants whose everyday speech and intellectual discourse were not in the English language The social history scholarship that informs the essays is innovative in method and purpose Articles on Mexican American German Jewish Polish Japanese Chinese Filipino Italian Ukrainian Greek Arab and Haitian immigrants supply missing conceptual links between the immigration experience the neighborhood and the workplace and political labor and cultural institutions Taken together they offer a model study in transnational history one of the most important new fields of historical inquiry Included are essays by Douglas Monroy Stan Nadel Michael Topp Mary E Cygan Maria Woroby Michael W Suleiman Robert G Lee Carole Charles Van Gosse and the editors **Cold War in the Working Class** Ronald L. Filippelli, Mark McCulloch, 1995-01-01 This book tells the story of the rise and decline of the United Electrical Radio and Machine Workers of America UE from 1933 to 1990 Once the third largest industrial union in the United States the UE was the most powerful left wing institution in U S history and arguably the most significant victim of the anti communist purges that marked post World War II America This is an institutional study of the formation of the UE and the struggle for its control by left wing and right wing factions Unlike most books on unions during the Cold War this study carries the story up to the present showing the long term effects of the ideological battles Organizing the Unemployed James J. Lorence, 1996-01-01 Examines the organization of the unemployed during the Great Depression and demonstrates the linkage between their mobilization and automobile industry organization Organized Labor and American Politics, 1894-1994 Kevin Boyle, 1998-01-01 Traces the rise and fall of organized labor s political power over the course of the twentieth century **Divided Loyalties** Craig Phelan, 1994-09-08 John Mitchell was a contradictory figure representing the best and worst labor leadership had to offer at the turn of the century Articulate intelligent and a skillful negotiator Mitchell made effective use of the press and political opportunities as well as the muscle of his union He was also manipulative calculating tremendously ambitious and prone to place more trust in the business community than in his own rank and file Phelan relates Mitchell s life to many issues currently being debated by labor historians such as organized labor s search for respectability its development of a large bureaucracy its ambiguous relationship to the state and its suppression of worker input In addition he shows how Mitchell s life illuminates broad economic and political developments in the late nineteenth and early twentieth centuries **Autowork** Robert Asher, Ronald Edsforth, 1995-05-19 An anthology of original essays on the history of work experience in automobile factories from 1913 to the present Democratic Miners Perry K. Blatz, 1994-01-01 *Democratic Miners* traces the history of work and labor relations in the anthracite coal industry focusing on conditions that

led up to and followed the famous strike of 1902 That strike an epic five and a half month struggle led the federal government to intervene in a labor dispute for the first time in American history Focusing on the workplace Blatz puts the 1902 strike in the context of a turbulent half century of labor management relations Those years saw the unionization of the anthracite fields under the United Mine Workers of America amidst an evolving democratic tradition of rank and file protest against corporate control and ironically ended with a growing rift between miners and union leadership Unlike many books on labor relations this work concentrates especially on the workers themselves Working class as opposed to union history it contributes greatly to our understanding of working class formation in the Progressive years

Poor Women and Their Families Beverly Ann Stadum, 1992-01-01 This book brings to life early century counterparts of urban women identified today as victims of the feminization of poverty and recipients of aid from assistance programs With new details and original interpretations this book moves beyond earlier studies that focus only on female employment or family life of this generation It shows what poor women tried to do in the midst of multiple roles The book integrates themes of child rearing and homemaking with those of women s relations to men their reliance on female kin and their involvement in the neighborhood in employment and with city agencies and institutions

The Gentle General Elaine Leeder, 1993-09-30 This is the first major biography of Rose Pesotta the organizer and vice president of the International Ladies Garment Workers Union ILGWU from 1933 to 1944 After moving to the United States from the Ukraine in 1913 Pesotta became involved in the resurgence of the garment workers industry women s labor colleges and labor activism While working for the union she confronted serious opposition as a woman and an anarchist within an all male bureaucracy This book chronicles Pesotta s life while exploring a number of personal political themes The author examines Pesotta s relationships and friendships as they reflect the issues of gender power and sexuality paying particular attention to her relationships with Sacco and Vanzetti and with Emma Goldman In the course of this biography Leeder portrays the inherent conflicts between anarchism and bureaucratic organization and between female consciousness and male dominated institutions The book explores the potential for pragmatic activism by social visionaries and offers clear contextual frameworks within which to compare and contrast Pesotta to others in similar historical roles

More Profile Than Courage The New York City Transit Strike Of 1966 Introduction

In the digital age, access to information has become easier than ever before. The ability to download More Profile Than Courage The New York City Transit Strike Of 1966 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download More Profile Than Courage The New York City Transit Strike Of 1966 has opened up a world of possibilities. Downloading More Profile Than Courage The New York City Transit Strike Of 1966 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading More Profile Than Courage The New York City Transit Strike Of 1966 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download More Profile Than Courage The New York City Transit Strike Of 1966. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading More Profile Than Courage The New York City Transit Strike Of 1966. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading More Profile Than Courage The New York City Transit Strike Of 1966, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download More Profile Than Courage The New York City Transit Strike Of 1966 has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About More Profile Than Courage The New York City Transit Strike Of 1966 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
