The Original Blues Lynn Abbott, Doug Seroff, 2017-02-27 Blues Book of the Year Living Blues Association of Recorded Sound Collections Awards for Excellence Best Historical Research in Recorded Blues Gospel Soul or R the shadowy prehistory and early development of the blues is illuminated detailed and given substance At the end of the nineteenth century vaudeville began to replace minstrelsy as America s favorite form of stage entertainment Segregation necessitated the creation of discrete African

American vaudeville theaters When these venues first gained popularity ragtime coon songs were the standard fare Insular black southern theaters provided a safe haven where coon songs underwent rehabilitation and blues songs suitable for the professional stage were formulated The process was energized by dynamic interaction between the performers and their racially exclusive audience The first blues star of black vaudeville was Butler String Beans May a blackface comedian from Montgomery Alabama Before his bizarre senseless death in 1917 String Beans was recognized as the blues master piano player of the world His musical legacy elusive and previously unacknowledged is preserved in the repertoire of country blues singer guitarists and pianists of the race recording era While male blues singers remained tethered to the role of blackface comedian female coon shouters acquired a more dignified aura in the emergent persona of the blues queen Ma Rainey Bessie Smith and most of their contemporaries came through this portal while others such as forgotten blues heroine Ora Criswell and her prot g Trixie Smith ingeniously reconfigured the blackface mask for their own subversive purposes In 1921 black vaudeville activity was effectively nationalized by the Theater Owners Booking Association T O B A In collaboration with the emergent race record industry T O B A theaters featured touring companies headed by blues queens with records to sell By this time the blues had moved beyond the confines of entertainment for an exclusively black audience Small time black vaudeville became something it had never been before a gateway to big time white vaudeville circuits burlesque wheels and fancy metropolitan cabarets While the 1920s was the most glamorous and remunerative period of vaudeville blues the prior decade was arguably even more creative having witnessed the emergence popularization and early development of the original blues on the African American vaudeville stage

Praying Earnestly with Faith Rev. Dr. Mark Boyd,2015-09-17 This book was written for all mankind in this universe to follow instructions from the first book that was set before us Yes that was the first true book which was written for all men to follow and that first book was called the Holy Bible which is still the number one book in the entire world Basic things that were written from the Lord for all mankind to heed to and to follow all His Instructions for all the human race to stay on the straight and narrow path without a stumble But Before His return to this wretched and cruel world all of Gods people we must get ready before Leaving this ugly and sorrowful world but there is something we must do before leaving this Earth We must clean up all the ugliness that is in our hearts and change our minds to a new way of thinking and that is thinking with a pure mind and a pure heart which is Christlike any other way of thinking will not do We must have an earnest heart to satisfy our Lord and Savior Jesus Christ Because with an earnest heart this book will show you how to get gratification in our Lord and Savior Jesus Christ and in yourself You see to know the Lord you must pray with an earnest heart to get your prayers answered So you see when we learn from the Master who is our Lord and Savior Jesus Christ we get all kinds of excellent results Let us take this scenario on what an earnest heart should be when Jesus Christ prayed to His father He prayed with
