Olas Wake:

Finnegans Wakes Patrick O'Neill, 2022-03-01 James Joyce's astonishing final text *Finnegans Wake* 1939 is universally acknowledged to be entirely untranslatable. And yet no fewer than fifteen complete renderings of the 628 page text exist to date in twelve different languages altogether and at least ten further complete renderings have been announced as underway for publication in the early 2020s in nine different languages. *Finnegans Wakes* delineates for the first time in any language the international history of these renderings and discusses the multiple issues faced by translators. The book also comments on partial and fragmentary renderings from some thirty languages altogether including such perhaps unexpected languages as Galician, Guarani, Chinese, Korean, Turkish, and Irish, not to mention Latin and Ancient Egyptian. Excerpts from individual renderings are analysed in detail together with brief biographical notes on numerous individual translators. Chronicling renderings spanning multiple decades, *Finnegans Wakes* illustrates the capacity of Joyce's final text to generate an

inexhaustible multiplicity of possible meanings among the ever increasing number of its impossible translations. **The Executioner of Eldr Hâag** Björn Drobe, 2025-08-05 In Ynex, the capital of Mindhr, a newcomer is making waves in the underworld. His reputation as an assassin spreads from the One Eyed Dragon inn to The Tower tavern, whispered in every shadowed corner. Trained by the dreaded masters of Ar Danach, he is a master of every form of combat, capable of bringing down any foe. More than a hundred contracts bear his mark, whether the target be man, woman, or child. Even the kingpins of the Eel district dare speak his name only in hushed tones. The Executioner of Eldr Hâag. In this trade, enemies are plentiful and friendship is a myth no one believes in anymore. Though the capital promises riches beyond imagining, envy breeds in the dark, and the past has a way of catching even the most feared of assassins. **Create Your Own History - The**
