Radical Right Wing Populism In Western Europe

Elisabeth Carter

Radical Right Wing Populism In Western Europe:

Radical Right-Wing Populism in Western Europe Hans-Georg Betz, 1994-09-12 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah L. de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

The Radical Right and the Radical Right-wing Populism in Western Europe Hans-Georg Betz, 1991

Do They Make a Difference? Benjamin Biard, Laurent Bernhard, Hans-Georg Betz, 2019-10-15 Over the last three

decades numerous radical right populist parties RRPP have emerged developed and strengthened their electoral weight in Western Europe Yet while several RRPP have managed to formally participate in government coalitions such as in Italy Austria and Switzerland or to informally support minority governments such as in Denmark and in The Netherlands and while other RRPP have become highly visible opposition forces such as in France and Germany the influence exercised by RRPP remain underexplored It is essential to focus on their policy influence because of their electoral strength but also because they are often perceived by journalists citizens policy makers as well as by researchers as a threat to democracy As a reaction mainstream parties tend to adopt specific strategies such as measures of militant democracy towards RRPP The aim of this book is to contribute to theoretical and empirical research in political science by bringing together a variety of contributions about the influence of RRPP in terms of policies on their core issues To that end we ask under which circumstances these parties are able to do so in contemporary Western Europe This book proposes to focus on the role played by party status Are RRPP better able to leave their imprints when they are in power or support minority governments than when they hold opposition or outsider status in Western Europe

The Impact of Radical Right-Wing Parties in West European Democracies M. Williams, 2006-09-02 This book contends that far right parties play pivotal roles in setting the tone of political debates shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically

Radical Right-Wing Populism in Western Europe Hans-Georg Betz, 1994-09-01 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at

national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

The Oxford Handbook of the Radical Right Jens Rydgren, 2018

The radical right an introduction Jens Rydgren Ideology and discourse The radical right and nationalism Tamir Bar On The radical right and islamophobia Aristotle Kallis The radical right and anti semitism Ruth Wodak The radical right and populism Hans Georg Betz The radical right and fascism Nigel Copsey The radical right and euroscepticism Sofia Vasilopoulou Issues Explaining electoral support for the radical right Kai Arzheimer Party systems and radical right wing parties Herbert Kitschelt The radical right and gender Hilde Coff Globalization cleavages and the radical right Simon Bornschier Party organization and the radical right David Art Charisma and the radical right Roger Eatwell Media and the radical right Antonis A Ellinas The non party sector of the radical right John Veugelers and Gabriel Menard The political impact of the radical right Michelle Hale Williams The radical right as social movement organizations Manuela Caiani and Donatella Della Porta Youth and the radical right Cynthia Miller Idriss Religion and the radical right Michael Minkenberg Cross national links and international cooperation Manuela Caiani Political violence and the radical right Leonard Weinberg and Eliot Assoudeh Case studies The radical right in France Nonna Mayer The radical right in Germany Austria and Switzerland Uwe Backes The radical right in Belgium and the Netherlands Joop J M van Holsteyn The radical right in Southern Europe Carlo Ruzza The radical right in the UK Matthew J Goodwin and James Dennison The radical right in the Nordic countries Anders Widfeldt The radical right in Eastern Europe Lenka But kov The radical right in post soviet Russia Richard Arnold and Andreas Umland The radical right in post soviet Ukraine Melanie Mierzejewski Voznyak The radical right in the United States of America Christopher Sebastian Parker The radical right in Australia Andy Fleming and Aurelien Mondon The radical right in Israel Arie Perliger and Ami Pedhazur The radical right in Japan Naoto Higuchi

The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries

Radicalisation and Crisis Management Vasiliki Tsagkroni, 2024-06-14 This book discusses theories of crisis management and the radical right to shed light on how responses to crisis influence radical right parties in their presence discourse and evolution The book offers a comparative perspective by examining case studies with various traditions of radical right actors presenting data on how crisis exploitation can assist in exploring reconsidering bargaining and learning about the prospects of change of political parties The book focuses on the debate on radicalization and crisis management Similar to the already existing economic political post Brexit and migration crises in Europe discourses of fear around the latest health crisis are paving the way for further radicalised discourse from the far right The book looks into how radical right parties in Europe have responded to these crises It monitors and explores how crisis exploitation impacts political strategies opportunity seeking

behaviours and the evolution of the discourse of radical right parties in the contemporary political landscape Therefore this book is a must read for researchers students and policy makers interested in a better understanding of populism radical right parties electoral studies as well as comparative politics in general **The Radical Right in Switzerland** Damir

Skenderovic,2009-09-01 There has been a tendency amongst scholars to view Switzerland as a unique case and comparative scholarship on the radical right has therefore shown little interest in the country Yet as the author convincingly argues there is little justification for maintaining the notion of Swiss exceptionalism and excluding the Swiss radical right from cross national research His book presents the first comprehensive study of the development of the radical right in Switzerland since the end of the Second World War and therefore fills a significant gap in our knowledge It examines the role that parties and political entrepreneurs of the populist right intellectuals and publications of the New Right as well as propagandists and militant groups of the extreme right assume in Swiss politics and society The author shows that post war Switzerland has had an electorally and discursively important radical right since the 1960s that has exhibited continuity and persistence in its organizations and activities Recently this has resulted in the consolidation of a diverse Swiss radical right that is now established at various levels within the political and public arena *Understanding Democratic Politics* Roland

Axtmann,2003-03-06 This textbook is designed for first time students of politics It provides an ideal introduction and survey to the key themes and issues central to the study of democratic politics today The text is structured around three major parts concepts institutions and political behaviour and ideologies and movements Within each section a series of short and accessible chapters serve to both introduce the key ideas institutional forms and ideological conflicts central to the study of democratic politics and provide a platform for further in depth studies Each chapter contains a bullet point summary a guide to further reading and a set of questions for tutorial discussion Designed and written for an undergraduate readership *Understanding Democratic Politics* An Introduction will become an essential guide and companion to all students of politics throughout their university degree **The Populist Radical Right** Cas Mudde,2016-10-04 The populist radical right is one

of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research *The ^ATriumph of Israel's Radical Right* Ami

Pedahzur,2012-10-15 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel s radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel s elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In *The Triumph of Israel s Radical Right* acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right s steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right s institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

Russia and the Western Far Right Anton Shekhovtsov,2017-09-08 The growing influence of Russia on the Western far right has been much discussed in the media recently This book is the first detailed inquiry into what has been a neglected but critically important trend the growing links between Russian actors and Western far right activists publicists ideologues and politicians The author uses a range of sources including interviews video footage leaked communications official statements and press coverage in order to discuss both historical and contemporary Russia in terms of its relationship with the Western far right Initial contacts between Russian political actors and Western far right activists were established in the early 1990s but these contacts were low profile As Moscow has become more anti Western these contacts have become more intense and have operated at a higher level The book shows that the Russian establishment was first interested in using the Western far right to legitimise Moscow s politics and actions both domestically and internationally but more recently Moscow has begun to support particular far right political forces to gain leverage on European politics and undermine the liberal democratic consensus in the West Contributing to ongoing scholarly debates about Russia s role in the world its strategies aimed at securing legitimation of Putin s regime both internationally and domestically modern information warfare and propaganda far right politics and activism in the West this book draws on theories and methods from history political science area studies and media studies and will be of interest to students scholars activists and practitioners in these areas

Extreme Right Parties in Scandinavia Anders Widfeldt,2014-08-27 This book fills a gap in the extreme right literature currently available as there is no book length study of Scandinavia With the election of

many right wing parties across Europe this book is very timely *Radical Left Voters in Western Europe* Raul Gomez,Luis Ramiro,2022-10-07 *Radical Left Voters in Western Europe* explores who votes for Radical Left Parties in contemporary Western Europe and why Once considered a relic of the past which was doomed to disappear in affluent societies Radical Left Parties were able to survive unprecedented electoral crises in the 1980s and 1990s to become a stable and significant feature of contemporary West European politics Despite this our knowledge of the electorate of contemporary Radical Left parties is extremely limited To fill this gap this book analyzes the radical left electorate in 17 West European countries Belgium Cyprus Denmark Finland France Greece Germany Iceland Ireland Italy Luxembourg the Netherlands Norway Portugal Spain Sweden and Switzerland for a period of 18 years 2000 18 The research combines data from multiple sources surveys country level data and party level data to show how amidst social and political change Radical Left Parties have been able to maintain a relatively sizeable and clearly identifiable electorate with fairly similar socio demographic and attitudinal features Moreover the book argues that in order to explain electoral support for Radical Left Parties it is important to consider not only voter characteristics but also the characteristics of the parties themselves and of the political and economic context in which they compete for votes This book will be of interest to scholars of comparative politics political sociology electoral behaviour and political parties **Reflections on the Extreme Right in Western Europe, 1990-2008**

Christopher Husbands,2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this topic or on general political sociology **Inside the Radical Right** David Art,2011-02-21 What explains the cross national variation in the radical right s electoral success over the last several decades Challenging existing structural and institutional accounts this book analyzes the dynamics of party building and explores the attitudes skills and experiences of

radical right activists in eleven different countries Based on extensive field research and an original data set of radical right candidates for office David Art links the quality of radical right activists to broader patterns of success and failure He demonstrates how a combination of historical legacies and incentive structures produced activists who helped party building in some cases and doomed it in others In an age of rising electoral volatility and the fading of traditional political cleavages Inside the Radical Right makes a strong case for the importance of party leaders and activists as masters of their own fate

Radical Right Wing Populism In Western Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Radical Right Wing Populism In Western Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Radical Right Wing Populism In Western Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Radical Right Wing Populism In Western Europe free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Radical Right Wing Populism In Western Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Radical Right Wing Populism In Western Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Radical Right Wing Populism In Western Europe Books

1. Where can I buy Radical Right Wing Populism In Western Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
