Empty Promises Ann Rule, 2001-03-09 MORE THAN 20 MILLION COPIES OF ANN RULE'S BOOKS IN PRINT In this unnerving collection drawn from her personal crime files America's best true crime writer Kirkus Reviews

Ann Rule brilliantly dissects the convoluted love affairs that all too often end in violence. Expertly analyzing a shocking headline making case, Rule unmask the deadly motives inside a seemingly idyllic marriage: a beautiful young wife, a rising star in America's top ranked computer corporation and a prosperous husband, the scion of a family building business. With an adorable son and a gorgeous home, the couple seemed to have it all. But a furtive evil permeated their days and nights, dragging them into a murky world of drugs, sordid sex and con operations. In this realm, one of them would prove to be a virtual innocent, the other a manipulator with no conscience. Sudden violent death brought their charade of a fairy tale romance to a tragic end with a brutal crime that might never have come to light were it not for the stubborn detectives and prosecutors whose fight for justice spanned an entire decade. *Empty Promises* recounts several other cases where the search for love brought only lies and betrayal, a cautionary primer perhaps for those who trust too much, too soon. Powerful because they strike so close to home, the cases in *Empty Promises* will leave readers shaken by the realities of love gone terribly and fatally wrong.

Kiss Me, Kill Me Ann Rule, 2004-12-01 The dark side of love is no fairy tale. And while we may like to believe that crimes of the heart only victimize those who aren't careful, this page turning collection of must read accounts will convince you otherwise. America's #1 true crime writer Ann Rule reveals how lovers become predators, how sex and lust can push ordinary people to desperate acts, and how investigators and forensics experts work to unravel the most entangled crimes of passion. Extracting behind the scenes details, Rule makes these volatile relationships utterly real and masterfully recreates the ill fated chains of events in such cases as the ex Marine and martial arts master who seduced vulnerable women and then destroyed their lives, the killer whose calling card was a single bloodred rose, the faithless wife who manipulated and murdered without conscience, the blind date that set the stage for a killer's brutality and more. In every case, the victim young and innocent or older and experienced unknowingly trusted a stranger with the sociopathic skill to hide their dark motives until it was too late to escape a web of deadly lies, fatal promises and homicidal possession.

Possession Ann Rule, 1997-08 When Danny and Joanne Lindstrom's camping trip in the Cascade mountains goes terribly awry, beautiful young Joanne is left alone and stranded in the savage wilderness.

In the Name of Love Ann Rule, 1998 From true cases in crime files. Written by a former Seattle policewoman.
