A Gift of Belief Kathleen W. Buechel, 2021-06-01 Philanthropy has long been associated with images of industrial titans and wealthy families In Pittsburgh long a center for industry the shadows of Carnegie Mellon Frick and others loom especially large while the stories of working class citizens who uplifted their neighbors remain untold For the first time these two portraits of Pittsburgh philanthropy converge in a rich historic tapestry The Gift of Belief reveals how Pittsburghers from every strata creed and circumstance organized their private resources for the public good The industrialists and their foundations are here but stand alongside lesser known philanthropists equally involved in institution building civic reform and community empowerment Beginning with sectarian philanthropy in the nineteenth century moving to scientific philanthropy in the early twentieth century and Pittsburgh Renaissance era institution building and concluding with modern entrepreneurship twelve authors trace how Pittsburgh aligned with led or lagged behind the national philanthropic story and explore how ideals of charity and philanthropy entwined to produce distinctive forms of engagement that has defined Pittsburgh s civic life **Memory Wars** A. Lynn Smith, 2023-07 2024 Choice Outstanding Academic Title Memory Wars explores how commemorative sites and patriotic fanfare marking the mission of General John Sullivan into Iroquois territory during the Revolutionary War continue to shape historical understandings today Sullivan s expedition was ordered by General George Washington at a tenuous moment of the Revolutionary War It was a massive enterprise involving thousands of men who marched across northeastern Pennsylvania into what is now New York state to eliminate any present or future threat from the British allied Iroquois Confederacy Sullivan and his men carried out a scorched earth campaign obliterating more than forty Iroquois villages including homes fields and crops For Indigenous residents it was a catastrophic invasion For many others the expedition yielded untold bounty American victory over the British along with land and fortunes beyond measure for settlers who soon moved onto the razed village sites The Sullivan Expedition has long been fixed on the landscape of Pennsylvania and New York by a cast of characters including amateur historians newly formed historical societies and local chapters of the Daughters of the American Revolution Asking how it is that people continue to celebrate Sullivan in the present day Memory Wars underscores the symbolic value of the past as well as the dilemmas posed to

contemporary Americans by the national commemorative landscape *Iron Empires* Michael A. Hiltzik, 2020 From Pulitzer Prize winner Michael Hiltzik the epic tale of the clash for supremacy between America's railroad titans **Forthcoming**
