Rediscovering Expository Preaching John F. MacArthur, 1992 *Rediscovering Expository Preaching* John MacArthur, Masters College Faculty Staff, 1992 A vast reservoir of knowledge and experience from one of America's foremost speakers this definitive book touches every base from the history of expository preaching to the mandate for Biblical inerrancy MacArthur's goal is to motivate and equip the next generation of Christian leaders who want to provide wholesome spiritual nourishment for God's people from His Word *Preaching the Whole Bible as Christian Scripture* Graeme Goldsworthy, 2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry **Clearing the Fog from the Pulpit to the Pew (Effective Expository Preaching)** Alvin Low, 2006-09-29 How is your preaching Are people getting the message In *Clearing the Fog from the Pulpit to the Pew* Dr Alvin Low reveals timeless truths that will help you have clarity in the purpose and structure of your sermon allow you to make your central idea clear and develop a captivating presence in your delivery If you desire to be an effective communicator of Biblical truth come explore the heart of Dr Low in these pages **The Art of Preaching Old Testament Narrative** Steven D. Mathewson, 2021-06-15 A veteran pastor with thirty years of experience guides readers through a ten step process to preaching Old Testament narratives from text selection to delivery The first edition received a Christianity Today award of merit and a Preaching magazine Book of the Year award This edition now updated and revised throughout for a new generation includes a new chapter on how to preach Christ from the Old Testament and an exemplary sample sermon from Mathewson Foreword by Haddon W Robinson *Preaching* John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical

Anointed Expository Preaching Stephen Olford,2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God s inerrant Word **Creative Styles of Preaching** Mark Barger Elliott,2000-01-01 Elliott describes several different styles of contemporary preaching A discussion about each style such as narrative evangelistic African American and topical is followed by two example sermons from such preachers as Tony Campolo Barbara Brown Taylor Sam Proctor Fred Craddock and William Willimon **The Drama of Preaching** Eric B. Watkins,2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God s redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word *Small Church, Excellent Ministry* Jeffrey C. Farmer,2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches *Text-Driven Preaching* Daniel L. Akin,David L. Allen,Ned Mathews,2010 Collection of essays urging pastors to commit to presenting true expository preaching from the pulpit from publisher description *The Sunday After the Funeral* Timothy S. Thompson,2020-07-31 Tim Thompson invites you to journey with him in exploring a dimension of ministry that has been sparsely addressed in main stream scholarship Following innumerable experiences in dealing with traumatic situations as a local pastor a clinical chaplain and a military chaplain Reverend Thompson has aquired hard

learned lessons along the way Some readers are currently serving as pastors and have experienced traumatic situations themselves Others however may not have dealt with such situations but know someone who has had to deal with traumas as a pastor or a chaplain Envision yourself as a pastor of a local church say a mid size congregation in a semi rural context The sun rises announcing the dawn of another day It feels like just another day until it is rudely interrupted by the news that a member of your church has died tragically As the pastor you join with a grieving family reeling from shock and confusion to organize the funeral The funeral is well attended You have planned and executed a memorial service in which the deceased is honored and the family is nurtured A few days later you contemplate what to say on the Sunday after the funeral Anticipating a congregation dealing with a wide range of emotions from sadness to confusion to anger you prepare for an unprecedented challenge As you pour over scripture seeking God for His divine intervention in that moment perplexing questions course through your thoughts What do I say Where do I start Should I address this event at all or should I face it head on These are only few questions with many more racing through your mind Reverend Thompson has engaged in intense literary research and enlisted the experiences from other pastors to assist you for when these dreaded events occur

Letting The Text Win J.K. Jones, Mark Scott, 2014-10-13 Letting the Text Win is intentionally designed to help the new and inexperienced preacher capture a methodology in sermon making as well as discover a theology of preaching that can be built on for a lifetime Veteran preachers will also discover an encouraging reminder of the size and scope of this great undertaking Letting the Text Win will be a refresher course for all who proclaim the Word of God Handbook of Contemporary Preaching, 2nd Edition Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching *Equipped for Good Work* Cothen, Th.D., Joe H., 2002 The New Guidebook for Pastors James W. Bryant, Mac Brunson, 2007-06-01 Church leaders young and old will find professional advice and inspirations worth revisiting time and again throughout their ministry career in The New Guidebook for Pastors **How Effective Sermons Advance** Ben Awbrey, 2010-12-20 Sermon structure has been deemed an important component of preaching throughout the history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon structure has for the effective preaching of Scripture However sermon structure when incorporated in a sermon often is not as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principle Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance which are apparent in the outline of the sermon How Effective Sermons Advance provides a thorough and comprehensive treatment on the highly significant matter of sermon structure *How Effective Sermons End* Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching

could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

[A Manual for Preaching](#) Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's A Vision for Preaching offered an integrated biblical and theological vision for preaching A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon The author a well respected teacher of preachers shows how to discern the text's theological meaning and let that meaning shape the development of the sermon Clearly written and illustrated with Old Testament and New Testament examples the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla

Interpretation and Application Craig Brian Larson, 2022-05-03 How does one best make ancient biblical texts pertinent to the 21st Century listener while still maintaining the integrity of the Scriptures Interpretation and Application is designed to provide guidance on how to interpret and apply God's word honestly and accurately in a sermon This collection of short interviews essays and sermons is from today's best known preachers including Jeffrey Arthurs Haddon Robinson Joshua Harris David Jackman and John Henry Beukema The first section addresses important ways to ensure that your sermon doesn't ignore or mishandle God's word Chapters such as Let the Text Question Your Framework and Preaching the Melodic Line emphasize the importance of biblical truth over personal style or opinion and focus on drawing out the deeper themes within Scripture The second half addresses how the Bible intersects with real life because application is about explaining equipping and truly speaking to the hearts of the congregation Chapters like Blending Bible Content and Life Application and Sermon Application in a Post Christian Culture address how to preach accurately from the Bible while still having a regard for the listener's life questions and level of spiritual maturity
