Rediscovering Masculinity Reason Language And Sexuality:

Rediscovering Masculinity Victor J. Seidler, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Sartre, Self-formation and Masculinities** Jean-Pierre Boulé, 2005 Published on the occasion of Sartre's Centenary this book helps to understand the man behind the work offering a psycho social analysis of Jean Paul Sartre with an emphasis on his masculinity It sets out to contextualize Sartre in terms of his psycho sexual formation and processes of self constitution in view of his childhood The main period under detailed study is 1905 1945 before Sartre became the Sartre It concentrates on his early childhood his teenage years in La Rochelle the years at the Ecole Normale and the first few years of his adulthood with specific attention on the war years An analysis of Sartre's relationships follows with Simone de Beauvoir and other women and men including love and sex before a postscript covering the period 1973 1980 This essay is not a reductive account It tells the story of Jean Paul Sartre from the inside out so that the achievements of one of the major intellectuals of the 20th Century can be measured against his own internal struggles

Masculinities Raewyn Connell, 1995 Here is a powerful reply to Iron John a fresh look at the complicated nature of what R W Connell calls masculinities One of the most important voices in the new feminist scholarship by men Connell provides a nuanced and incisive analysis of how our notions of masculinity have evolved in psychoanalysis social science and historically in the creation of a global economy There is not one but many masculinities he claims in a bold critique of the men's movement and other simplistic approaches to sexual identity Instead Connell delineates the complicated dynamics of masculine politics and recent changes in male identity Drawing on rich ethnographic work Connell offers portraits of dozens of men of different classes some working to change masculinities some resisting change Eel openly disparages his wife The first chance I can see to get rid of her she's gone Mark who calls himself a very straight gay thinks men should behave in traditionally masculine ways If you're a guy why don't you just act like a guy he asks Danny undertaking the long haul of his own sexism admits It's hard not to be aggressive sometimes Connell offers the first critical history of ideas and the most sophisticated theoretical analysis of masculinity to date His attempts to understand changes in male identity and to think about these issues on a global scale are unique Integrating social science feminist theory gay theory and psychoanalysis in an innovative yet unusually accessible way he develops a new theory of masculinity politics This is a book for everyone interested in the history of western masculinities and the sexual politics of the contemporary era **AIDS and Adolescents**

Lorraine Sherr, 2022-12-29 Originally published in 1997 Aids and Adolescents provided an insight into a wide range of adolescent issues which were rarely compiled in one volume at the time Much of the HIV epidemic response had been at the individual level in the hope that this narrow focus would provide the key to containment and resolution of spread However over the ten years since the epidemic had taken hold it was clear that paradigms were limited input was uncritical and large cohorts were overlooked In this text a series of contributions have been compiled to explore adolescent issues ranging from

sexual behaviour and health education campaigns to HIV prevention and HIV AIDS care The chapters begin by giving an overview of adolescent problems such as homelessness pregnancy and gender and explore why these problems are so often overlooked We then move on to an examination of the facts and fictions associated with adolescent risk challenging some of the basic current notions underpinning approaches to the subject at the time Also included are particular focused studies of Australian adolescents beliefs about HIV and STDs and also the American adolescents perceptions of drug injection Finally the volume gives a focused view of those with HIV infection with a review of findings of the time neuropsychological and psychological factors This overview provided some comments on merging issues and future directions Today it can be read in its historical context **Revealing Male Bodies** Nancy Tuana,William Cowling,Maurice Hamington,Greg

Johnson,2002-05-06 Revealing Male Bodies is the first scholarly collection to directly confront male lived experience There has been an explosion of work in men s studies masculinity issues and male sexuality in addition to a growing literature exploring female embodiment Missing from the current literature however is a sustained analysis of the phenomenology of male gendered bodies Revealing Male Bodies addresses this omission by examining how male bodies are physically and experientially constituted by the economic theoretical and social practices in which men are immersed Contributors include Susan Bordo William Cowling Terry Goldie Maurice Hamington Don Ihde Greg Johnson Bj rn Krondorfer Alphonso Lingis Patrick McGann Paul McIlvenny Terrance MacMullan Jim Perkinson Steven P Schacht Richard Schmitt Nancy Tuana Craig L Wilkins and John Zuern Mothers, Warriors, Guardians of the Soul Geraldine Theresa Horan,2012-08-09 This study shows

that women involved in National Socialism in the years 1924 1934 developed and shaped a recognizable discourse which communicated and reflected their position and status within the NS movement The analysis is based on a variety of text types produced by members of NS women s organisations and includes official correspondence circulars reports pamphlets monographs and articles from NS women s journals It draws upon several areas of linguistic theory including feminist linguistics semantics pragmatics and discourse analysis and the salient features identified in the female discourse are placed within a sociolinguistic framework While previous research into the language of the NS system has largely ignored the possibility of a cohesive female discourse the study supports the idea that this discourse was dynamic and at times heterogeneous whilst also displaying many self defining and self referential features It is characterised by its ambiguities and apparent contradictions which expresses separateness and difference yet also solidarity with the NSDAP White Men

Aren't Thomas DiPiero,2002-09-09 A critical psychoanalytic account of white masculinity which argues that it is incorrect to naturalize the power of masculinity and offers an alternative account Recreating Sexual Politics Victor J.

Seidler,2009-10-23 First published in 1991 this title examines sexual politics in a world which is being radically changed by the challenges of feminism Seidler explores how men have responded to feminism and the contradictory feelings men have towards dominant forms of masculinity **Remembering Diana** V. Seidler,2013-04-16 Analysing the events surrounding

the death of Diana Princess of Wales in 1997 Vic Seidler considers the public outpourings of grief and displays of emotion which prompted new kinds of identification and belonging in which communities came together regardless of race class gender and sexuality Recreating Sexual Politics (Routledge Revivals) Victor Seidler, 2009-12-15 This thought provoking book first published in 1991 examines sexual politics in a world which is being radically changed by the challenges of feminism Seidler explores how men have responded to feminism and the contradictory feelings men have towards dominant forms of masculinity Seidler's stimulating and original analysis of social and political theory connects personally to everyday issues in people's lives It reflects the growing importance of sexual and personal politics within contemporary politics and culture and demonstrates clearly the challenge that feminism brings to our inherited forms of morality politics and sexuality

Women, Men and Everyday Talk J. Coates, 2013-10-31 Bringing together a selection of some of the author's key papers on language and gender this book provides an overview of the development of language and gender studies over the last 30 years with particular emphasis on conversational data and on single sex friendship groups Sex and Religion, 2023-07-31

Feminism and Masculinities Peter F. Murphy, 2004-07-15 This Reader provides an international mixture of the best classic foundational pieces and recent key works that investigate masculinity from a feminist perspective The chapters examine a wide range of topics including gay liberation the men's movement black and working class masculinities homophobia and the Internet *Dismembering the Male* Joanna Bourke, 1996-05-15 Some historians contend that femininity was disrupted constructed and reconstructed during World War I but what happened to masculinity Using the evidence of letters diaries and oral histories of members of the military and of civilians as well as contemporary photographs and government propaganda *Dismembering the Male* explores the impact of the First World War on the male body Each chapter explores a different facet of the war and masculinity in depth Joanna Bourke discovers that those who were dismembered and disabled by the war were not viewed as passive or weak like their civilian counterparts but were the focus of much government and public sentiment Those suffering from disease were viewed differently often finding themselves accused of malingering Joanna Bourke argues convincingly that military experiences led to a greater sharing of gender identities between men of different classes and ages *Dismembering the Male* concludes that ultimately attempts to reconstruct a new type of masculinity failed as the threat of another war and with it the sacrifice of a new generation of men intensified **The Making of Heterosexualities** Vulca Fidolini, 2022-11-10 Drawing on an ethnographic study on young Moroccan immigrants in Europe France and Italy this book analyses the hegemonic power of heteronormativity and its plural expressions It tries to give an answer to the following main questions How the normative power of heterosexuality is socially constructed among men How and why heterosexuality is interpreted as the socially appropriate norm to be recognised as a true man by other men Attention is focused on those people who use heteronormativity in order to produce and reproduce heterosexual identifications through performing hegemonic masculinities The objective is to deconstruct the normality of heterosexuality

and the ways through which it is commonly used as a normative reference to talk about sexual life as well as to build masculinities especially within homosocial relationships An enlightening book consisting of a rich empirical material and theoretical analysis this volume will appeal to undergraduate and postgraduate students as well as postdoctoral researchers who are interested in fields such as Sociology Anthropology and Gender Studies **Redeeming Men** Stephen Blake Boyd,W. Merle Longwood,Mark William Muesse,1996-01-01 Contributors to this book historians biblical specialists theologians ethicists and scholars of comparative religions examine the relationship between religious tradition and manhood The essays cover a broad range of topics from the dynamics of power in shaping masculine identity to the role religion plays in shaping masculine identity to the experience of myth ritual spiritual discipline and community in the lives of men **AIDS: Setting A Feminist Agenda** Lesley Doyal,Jennie Naidoo,Tamsin Wilton,2018-12-07 AIDS Setting a Feminist Agenda presents an overview of the important issues raised for feminist theory and practice by the HIV AIDS epidemic and outlines the direction in which feminist debates about the subject are developing It makes essential links between feminism and HIV AIDS work and not only demonstrates that AIDS is a feminist issue but also suggests areas where feminism is long overdue The essays discuss medical issues the specific social and political impact of HIV AIDS on the lives of women of colour lesbians injecting drug users and prostitute women And Current Health Educational And Health Promotional Practice As It relates to women The volume is theoretical and practical suggesting theoretical models for understanding and challenging the social factors which are conducive to the spread of HIV among women and among men as well as offering models of good practice for working with and for women **Transforming Masculinities** Vic Seidler,2006-03-20 Critically exploring the ways in which men and masculinities are commonly theorized this multidisciplinary text opens up a discussion around such relationships and shows that as with feminisms there is a diversity of theoretical traditions It draws on a variety of examples and explores new directions in the complexities of diverse male identities and emotional lives across different histories cultures and traditions This book considers the experiences of different generations explores connections between masculinity and drugs investigates men and masculinities in a post 9 11 world considers new ways of thinking about male violence recognizes the importance of culture and provides spaces to explore different class race and ethnic masculinities Written in a practical versatile manner by an established author in this field it points to new directions in thinking and makes essential reading for advanced undergraduates postgraduates and researchers in the fields of sociology gender studies politics philosophy and psychology *Urban Fears and Global Terrors* Victor Seidler,2007-10-18 First published in 2007 Routledge is an imprint of Taylor Francis an informa company **Ways of Being Male** John Stephens,2013-10-18 Given the substantial impact of feminism on children s literature and culture during the last quarter century it comes as no surprise that gender studies have focused predominantly on issues of female representation The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion Now that masculinity has

emerges as an overt theme in children's literature and film critical consideration of the subject is timely if not long overdue *Ways of Being Male* addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences The contributors drawn from a variety of academic disciplines employ international discourses in literary criticism feminism social sciences film theory psychoanalytic criticism and queer theory in their wide ranging exploration of male representation With its illuminating array of perspectives this pioneering survey brings a long neglected subject into sharp focus
