The Virgin Mary in Late Medieval and Early Modern English Literature and Popular Culture Gary Waller, 2011-01-20 This book was first published in 2011 The Virgin Mary was one of the most powerful images of the Middle Ages central to people's experience of Christianity During the Reformation however many images of the Virgin were destroyed as Protestantism rejected the way the medieval Church over valued and sexualized Mary Although increasingly marginalized in Protestant thought and practice her traces and surprising transformations continued to haunt early modern England Combining historical analysis and contemporary theory including issues raised by psychoanalysis and feminist theology Gary Waller examines the literature theology and popular culture associated with Mary in the transition between late medieval and early modern England He contrasts a variety of pre Reformation texts and events including popular mariology poetry tales drama pilgrimage and the emerging New Learning with later sixteenth century ruins songs ballads Petrarchan poetry the works of Shakespeare and other texts where the Virgin's presence or influence sometimes surprisingly can be found

Mary, Bearer of Life Christopher Cocksworth, 2023-05-31 Whether through

suspicion or ignorance serious consideration of what Mary can teach us has been lacking in large swathes of the church for some time Drawing on careful biblical exegesis church history and ecumenical thinking this book suggests how a serious understanding of Mary might influence our ethical thought and considers some of the key theological tensions at the heart of the church's engagement with Mary

Mary's Bodily Assumption Matthew Levering, 2014-11-24 In *Mary's Bodily Assumption* Matthew Levering presents a contemporary explanation and defense of the Catholic doctrine of Mary's bodily Assumption He asks How does the Church justify a doctrine that does not have explicit biblical or first century historical evidence to support it With the goal of exploring this question more deeply he divides his discussion into two sections one historical and the other systematic Levering's historical section aims to retrieve the rich Mariological doctrine of the mid twentieth century He introduces the development of Mariology in Catholic Magisterial documents focusing on Pope Pius XII's encyclical *Munificentissimus Deus* of 1950 in which the bodily Assumption of Mary was dogmatically defined and two later Magisterial documents Vatican II's *Lumen Gentium* and Pope John Paul II's *Redemptoris Mater* Levering addresses the work of the neo scholastic theologians Joseph Duhr Alo's Janssens and R'ginald Garrigou Lagrange before turning to the great theologians of the *nouvelle th ologie* Karl Rahner Hans Urs von Balthasar Louis Bouyer Joseph Ratzinger and their emphasis on biblical typology Using John Henry Newman as a guide Levering organizes his systematic section by the three pillars of the doctrine on which Mary's Assumption rests biblical typology the Church as authoritative interpreter of divine revelation under the guidance of the Holy Spirit and the fittingness of Mary's Assumption in relation to the other mysteries of faith Levering's ecumenical contribution is a significant engagement with Protestant biblical scholars and theologians it is also a reclamation of Mariology as a central topic in Catholic theology

writings by Agnes Strickland Edmund Waterton and Hopkins and in the modern period writers like Eliot Charles Williams Robert Lowell and A N Wilson The concluding chapter uses contemporary feminist theology to view Walsingham not just as a symbol of nostalgia but a place inviting spiritual change through its potential sexual and gender transformation God's Presence Frances Young,2013-10-10 Explores how teachings of the church fathers can be applied today despite the differences in our intellectual and ecclesial environments **Sex These Days** Jon Davies, Gerard Loughlin,1997-06-01 What has been lost what has been gained in replacing sexual orthodoxy with the heresies of postmodern sexualities In the recent past even within living memory sex has usually been a matter of monogamous heterosexual marriage and the procreation of children Other sexual practices were seen as deviations from the patriarchal norm Today things are different and western liberal societies promote and celebrate a growing multiplicity of sexual familial and procreational practices and relationships Nine writers assess the directions in which our societies are being led Biblical Theology C. Clifton Black,2024-11-19 An essential collection of C Clifton Black s best essays on the theology of the New Testament Clift Black is well known and widely loved for his exegetical acuity his theological seriousness his pastoral kindness and the most delightful sense of humor in the biblical studies guild All these qualities are amply displayed in these thirty essays written across four decades of his career including four essays that are published here for the first time Biblical Theology Essays Exegetical Cultural and Homiletical represents the fruit of a lifetime of studying preaching praying training pastors walking in the light and laughing in the valley of the shadow of death Black s keen mind and pastoral heart make this volume a rich contribution to the field of biblical theology God's Mother, Eve's Advocate Tina Beattie,2002-12-01 Tina Beattie has written a stunning book on the theology of woman Her stated objective is to discern the place of the female body in the Christian story of salvation and she has done so from the very heart of Christian stylisations of the female the figures of Mary and Eve Beattie has pursued her subject with the aid of French psychoanalytic feminism these writers are preoccupied as is Catholic theology with questions of language and symbolism But she deliberately puts herself at odds with neo orthodoxy and feminist liberal theology she believes that theologians like von Balthasar depart from the best Patristic tradition of Marian theology with disastrous effect Nor does she offer any solace to the Marina Warners of this world in a book which is strong in defence of classical Marian theology She defends with passion and theological insight not only the Virgin Birth the Immaculate Conception and the Assumption but also the perpetual virginity of Mary Virginal desire according to Beattie need not be seen negatively but as an affirmation of the integrity of women s desire before God in a way not dependent on the phallus nor reducible to genitality *Original Grace* Mary Aquin O'Neill RSM,2023-02-28 O Neill s Original Grace provides a fresh analysis of biblical texts and explores the rich tradition and development of Marian devotion liturgical prayer artwork and dogma It invites the reader to discover how our capacity for biblical and theological understanding matures over time correcting our perception of Mary the second Eve and the mother of Jesus the Christ and of the place and role of women in church and society This exhilarating

book reveals the benefit that courageous questioning can bring to the church's self understanding and to the vital relationships between women and men In it we gently discover that a wise and good God is our Creator affirming us in our gendered humanity still slowly teaching us what went on in Eden in Nazareth and on Calvary **The Dying of Jesus** Owen F. Cummings, 2016-07-13 The liturgical season of Lent and Good Friday are very important for Christians as they meditate and reflect upon the dying of Jesus These are traditions that take us back to the very beginnings of the Christian tradition From early times pilgrims have made their way to the Holy Land especially Jerusalem to walk where Jesus walked and to remember his death on the cross Not everyone can go to Jerusalem and we cannot stand at the foot of the cross of Jesus but the Stations of the Cross and the Seven Last Words may take us to Jerusalem and to Calvary imaginatively **Liberation Theology** Ian Linden, 1997 **Religion, Feminism, and Idoloclasm** Melissa Raphael, 2019-01-22 Religion Feminism and Idoloclasm identifies religious and secular feminism's common critical moment as that of idol breaking It reads the women's liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women's consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women's being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy *Religion and Sexuality* Michael A. Hayes, Wendy Porter, David Tombs, 2016-10-06 This volume on a provocative set of topics presents papers from the 1997 conference on Religion and Sexuality at Roehampton Institute London The papers do not confine themselves to contemporary discussion of the topics concerned but range widely in their discourse and discuss this relationship in social theological and political contexts

The Late Medieval Origins of the Modern Novel Rachel A. Kent, 2015-10-07 Dramatically refreshing the age old debate about the novel's origins and purpose Kent traces the origin of the modern novel to a late medieval fascination with the wounded and often eroticized body of Christ A wide range of texts help to illustrate this discovery ranging from medieval Piet's to Thomas Hardy to contemporary literary theory **The Metaphor of Gender** Katherine Abetz, 2025-01-06 Surely from now on all generations will call me blessed Luke 1:48 Trying to suppress sexual difference is to invite a genocide more

radical than any destruction that has ever existed in History Luce Irigaray Gendered identity always a sore spot in church history looks set to become a major thorn in the cultural flesh Mary has played more than one part in that history often in constricting ways Is something missing here Where are the generations who call her blessed Where are those who celebrate the interactions of divinity and humanity female and male in the announcement of a pregnant woman with God in utero This book follows The Wizard s Illusion revisiting the Land of Oz Traveling companions range from Elizabeth A Johnson to Paul Ricoeur and C S Lewis from Augustine and Karl Barth to Grace M Jantzen and Catherine Keller The quest is the imago Dei with its interweaving motifs in which there is room for the other in which gender is a metaphor for something far greater Identity meaning or postmodern ambiguity Vive la diff rence or vive la diff rance That is the question for our generation

Broken Bodies Karen O'Donnell, 2019-01-01 The Body of Christ is a traumatised body because it is constituted of traumatised bodies This monograph explores the nature of that trauma and examines the implications of identifying the trauma of this body Constructing new ways of thinking about the narratives at the heart of the Christian faith *Broken Bodies* offers a fresh perspective on Christian theology in particular the Eucharist and presents a call to love the body in all its guises It offers new pathways for considering what it means to be Christian and explores the impact that the experience of trauma has on Christian doctrine
