Redneck County:

All-American Redneck Matthew J. Ferrence, 2014-03-30 In contemporary culture the stereotypical trappings of redneckism have been appropriated for everything from movies like *Smokey and the Bandit* to comedy acts like Larry the Cable Guy Even a recent president George W Bush shunned his patrician pedigree in favor of cowboy authenticity to appeal to voters Whether identified with hard work and patriotism or with narrow minded bigotry the Redneck and its variants have become firmly established in American narrative consciousness This provocative book traces the emergence of the faux Redneck within the context of literary and cultural studies Examining the icon's foundations in James Fenimore Cooper's *Natty Bumppo* an ideal white man free of the boundaries of civilization and the degraded rural poor of Erskine Caldwell's *Tobacco Road* Matthew Ferrence shows how Redneck stereotypes were further extended in *Deliverance* both the novel and the film and in a popular cycle of movies starring Burt Reynolds in the 1970s and 80s among other manifestations As a contemporary cultural figure the author argues the Redneck represents no one in particular but offers a model of behavior and ideals for many Most important it has become a tool reductive confining and sometimes almost liberating by which elite forces gather and maintain social and economic power Those defying its boundaries as the Dixie Chicks did when they criticized President Bush and the Iraq invasion have done so at their own peril Ferrence contends that a refocus of attention to the complex realities depicted in the writings of such authors as Silas House Fred Chappell Janisse Ray and Trudier Harris can help dislodge persistent stereotypes and encourage more nuanced understandings of regional identity In a cultural moment when so called Reality Television has turned again toward popular images of rural Americans as in for example *Duck Dynasty* and *Moonshiners* *All American Redneck* reveals the way in which such images have long been manipulated for particular social goals almost always as a means to solidify the position of the powerful at the expense of the regional

Betrayal and Conviction, Memoir of a Generation Robert Wood Darby, 2019-06-27 Author Robert Wood Darby was born and raised in Georgia This memoir is about the anti racism advocate growing up in the fifties and sixties and coming of age in the segregated South during the Civil Rights Movement Darby became an antiwar activist during the Vietnam War He studied at Emory University then at Tufts and Harvard in the late sixties a time of upheaval for the entire country He also chronicles his affliction with mental illness and manic depression which has gone into remission

Assumption Percival Everett, 2011-10-25 A baffling triptych of murder mysteries by the author of *I Am Not Sidney Poitier* Ogden Walker deputy sheriff of a small New Mexico town is on the trail of an old woman's murderer But at the crime scene his are the only footprints leading up to and away from her door Something is amiss and even his mother knows it As other cases pile up Ogden gives chase pursuing flimsy leads for even flimsier reasons His hunt leads him from the seamier side of Denver to a hippie commune as he seeks the puzzling solution In *Assumption* his follow up to the wickedly funny *I Am Not Sidney Poitier* Percival Everett is in top form as he once again upends our expectations about characters plot race and meaning A wild ride

to the heart of a baffling mystery Assumption is a literary thriller like no other To Newt or To Not Scott Crass,2024-04-02 In 1994 Democrats were reeling from losing control of the House of Representatives for the first time in 40 years Returning members entered the new 104th Congress powerless but the persona of the architect of that Republican takeover offered hope that their time in the wilderness would be brief Speaker Newt Gingrich was a visionary but often accompanied that quality with brazen legislative initiatives and instinctive remarks that often brought turbulence to his caucus Many of his majority makers had extreme views which they often expressed in eyebrow raising terms The approval of the new Congress tanked and a 1996 government shutdown was fuel to the fire Minority Leader Richard Gephardt made a ferocious drive to recapture the chamber for his Democrats that November and Gingrich became a leading involuntary character in many of the candidates campaigns While the effort to regain control fell short the many contests profiled in this book offer a fascinating look at overreach and rhetoric out of touch with much of America Joel and Family Ted Louis,2007-06 Continuing the story where Joel Escape from Abuse ended several months have passed since Crane Johnson adopted five abused boys They have settled into a somewhat normal family if you can call a thirty year old bachelor raising five active boys ages 6 to 13 as normal A serious life threatening illness strikes Joel Crane strives to maintain the family unit care for his sick son and run the consulting business he owns in San Antonio The family has to temporarily relocate to Houston while Joel is in the hospital The glue that holds the family together is their housekeeper and surrogate grandmother for the boys Hildy Along the way other children in need cross the family's path and are helped to a better life Crane's wealth allows him to solve most of the difficulties that come his way The one exception is his social life He is frustrated at every turn by family or business obligations A near disaster happens when the family returns to San Antonio upon Joel's release from the hospital The private jet Crane has chartered is forced to make an emergency landing Each difficulty the family encounters strengthens the bonds that hold the family together **Plan B** Jonathan Tropper,2010-05-11 The heartwarming debut novel by the New York Times bestselling author of This is Where I Leave You and One Last Thing Before I Go Turning thirty was never supposed to be like this Ten years ago Ben Lindsey Chuck Alison and Jack graduated from New York University and went out into the world fresh faced and full of dreams for the future But now Ben's getting a divorce Lindsey's unemployed Alison and Chuck seem stuck in ruts of their own making and Jack is getting more publicity for his cocaine addiction than his multimillion dollar Hollywood successes Suddenly turning thirty past the age their parents were when they were born older than every current star athlete or pop music sensation seems to be both more meaningful and less than they'd imagined ten years ago Plan B Jonathan Tropper's wonderful debut novel is about more than friendship love celebrity addiction kidnapping or even turning thirty it's a heartfelt comic riff on what it means to be an adult against your will to be single when you thought you'd have a family to discover you are not in fact immortal and to learn that Star Wars is as good a life lesson today as it was when you were six years old **Burning Water** Mercedes Lackey,2005 A sexy witch who writes romances and a police detective who sees
