**A Warrior's Heart** Tim Mehl, 2017-02-12 A Warrior's Heart is the spiritual autobiography of Tim G Mehl In it he shares about his struggles with ADD ADHD as a child in a time when schools and parents did not know how to handle a child with these issues This along with a difficult home life created feelings of self worthlessness and a low self esteem that led him toward the hippie movement of the 60s His story takes you through those hippie years along with the beginning of drug use and eventually dropping out of high school to enlist in the United States Navy He goes into great detail of the verbal abuse he sustained by his father as well as the serious respiratory illness of his mother who passed away just five days before his fifteen birthday When suicide seemed to be the only answer for his pain and hurt he found the love of God on the very day that he decided to kill himself He shares the incredible things that the Lord did in him for him and through him which eventually led him to become a peace officer with almost a thirty year law enforcement career He shares stories of God's protection even when he wasn't walking his Christian witness Near death experiences and how God protected him and kept him safe on the streets throughout his career as well as during his 10 year assignment working undercover Tim also shares his healing from the wounds and scars left by his feelings of failure rejection and worthlessness that penetrated deep into his heart By learning to forgive and receive forgiveness Tim takes you through his discovery of understanding and knowing God as his heavenly Father who has never rejected him or thought of him as a failure or worthless Becoming an ordained minister in 2004 God is using Tim and his wife Myrth in various areas of ministry within their church I have no doubt whatsoever that there are young people out there who are going through some of the exact things that I went through If this book about my testimony can reach just one person for Jesus Christ then everything that I ever went through was worth it I'd do it all over again if just one person comes to know Jesus as Lord and Savior

**Marijuana Boom** Lina Britto, 2020-03-24 Before Colombia became one of the world's largest producers of cocaine in the 1980s traffickers from the Caribbean coast partnered with American buyers in the 1970s to make the South American country the main supplier of marijuana for a booming US drug market fueled by the US hippie counterculture How did Colombia become central to the creation of an international drug trafficking circuit Marijuana Boom is the story of this forgotten history Combining deep archival research with unprecedented oral history Lina Britto deciphers a puzzle Why did the Colombian coffee republic a model of Latin American representative democracy and economic modernization transform into a drug paradise and at what cost

juxtaposes official drug policy and propaganda with subversive images that challenge and sometimes even taunt government and legal efforts As Marez shows despite the state s best efforts to use the media to obscure the hypocrisies and failures of its drug policies be they lurid descriptions of Chinese opium dens in the English popular press or Nancy Reagan s Just Say No campaign marginalized groups have consistently opposed the expansion of state power that drug traffic has historically supported Curtis Marez is assistant professor of critical studies at the University of Southern California School of Cinema Television
