Reflections On The Gospel Of John Volume 2 The Bread Of Life:

Pastor John, Volume II Brian N. Tebbutt, 2022-01-28 John's Gospel can be both inspiring and bewildering. This book enables insight into the Gospel in a fresh way. How is it that we respond to it as we do? Understanding is enhanced by studying the text and by being aware of the kind of responses we make. Reading and working with it will deepen fellowship and skill in pastoral care. John's text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers. This book elucidates chapters five to nine of the Gospel, presenting insights that involve us in the story. The content derives from years of teaching John's Gospel in workshops and reflection groups in varying church contexts. Guidance is given in working in this way and in how we can share our insights with each other in the light of the text. This experience of John's Gospel is illuminated using recent ways of reading. What the story means is conveyed in detailed Bible study. It becomes real for us. How this happens is explored by understanding the process of reading and by observing our reactions to the text. John's Christ becomes central to who we are.

Reclaiming Love Ajith Fernando, 2013-04-02 In 1 Corinthians 13 Paul places love at the very center of what it means to embrace life in Christ. All other spiritual gifts are worth nothing in comparison. But the love explained in those verses is nothing short of radical. Fernando's pastoral work in the midst of the cultural and ethnic tensions of Sri Lanka often brought up a very real and honest question: Can the biblical teaching about

love actually be practiced The answer he discovered is a resounding yes The radical love of God is not only real but it is the key to experiencing joy in the pain and suffering of this world Believers must look to the Scriptures for God s teaching on the true nature of love its divine origins and its power for those who trust in Christ This book offers reflections on the Bible s consistent teaching on love and shares real life experiences of learning to love in difficult situations

Jesus Becoming Jesus, Volume 2 Thomas G. Weinandy,2021-03-26 Jesus Becoming Jesus Volume 2 A Theological Interpretation of the Gospel of John Prologue and the Book of Signs follows upon the first volume of this series entitled Jesus Becoming Jesus The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John s Gospel He does this in the light of the Church s doctrinal and theological tradition particularly in keeping with the Second Vatican Council s Dogmatic Constitution Dei Verbum This is accomplished through a close reading of John s Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus

as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John's Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus relationship to his Father as the Father's incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves Weinandy offers a singular vibrant and luminous reading of John's Gospel one that reveals the Evangelist's theological depth and doctrinal sophistication In so doing Weinandy makes manifest the particular beauty of the Gospel According to John

Dionysus, Christ, and the Death of God, Volume 2 Giuseppe Fornari, 2020-09-01 This magisterial reflection on the history and destiny of the West compares Greco Roman civilization and the Judeo Christian tradition in order to understand what both unites and divides them Mediation understood as a collective symbolic experience gives society unity and meaning putting human beings in contact with a universal object known as the world or reality But unity has a price the very force that enables peaceful coexistence also makes us prone to conflict As a result in order to find a common point of convergence of at one ment someone must be sacrificed Sacrifice then is the historical pillar of mediation It was endorsed in a cosmic religious sense in antiquity and rejected for ethical reasons in modernity where the Judeo Christian tradition plays an intermediate role in condemning sacrificial violence as such while accepting sacrifice as a voluntary act offered to save other human beings Today as we face the collapse of all shared mediations this intermediating solution offers a way out of our moral and cultural plight **Elenchus bibliographicus**, 1988 **Feminist Companion to John** Amy-Jill

Levine, 2002-06-01 The second feminist volume volume on Johannine literature includes an Introduction by Amy Jill Levine Adele Reinhartz on Women in the Johannine Community An Exercise in Historical Imagination Satako Yamaguchi I Am I Do Sayings and Women in Context and Dorothy Lee Abiding in the Fourth Gospel Colleen Conway writes on Gender Matters in John Adeline Fehribach on The Crucifixion in the Fourth Gospel A Birthing Moment Deborah Sawyer on Water and Blood Birthing Images in John's Gospel Harold Attridge on Don't Be Touching Me Recent Feminist Scholarship on Mary Magdalene and Jane Schaberg Thinking Back through the Magdalene **The Gospels and Christian Life in History and Practice** Richard Valantasis, Douglas K. Bley, Dennis C. Haugh, 2009-06-15 The Gospels And Christian Life reads the four canonical Gospels as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe Each gospel has

an imaginative portal an introductory chapter introducing the necessary background for understanding the social intellectual and religious setting for each gospel Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community s practices Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community its unique practices and the way people were trained to become members of it This book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the New Testament *Scripture Within Scripture* Bruce Gordon Schuchard,1992 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1896 **The Literary World** ,1885 NKJV.
