Charles J Lopez,2015-10-13 From the good sisters and monks of the 11th century hospice care grew through the passions of 20th century people like Dame Cecily Saunders and Elizabeth Kubler Ross and into the recognized modality it is today of compassionate and palliative care for those who are on their final journal from this world Pastor Lopez rightly fills this name as he reaches out not only to patients and their families but the team of nurses doctors social workers and caregivers who offer their hands and hearts to those in need Within these pages you will find practical and compassionate words along with hands and a heart that knows the pain of loss and feet that are willing to accompany the reader on their journey Erased Anna Malaika Tubbs,2025-05-20 INSTANT NEW YORK TIMES BESTSELLER USA TODAY NATIONAL BESTSELLER AN AMAZON BEST BOOK OF THE YEAR SO FAR 2025 The new book from the New York Times bestselling author of The Three Mothers In Erased Anna Malaika Tubbs recovers all that American patriarchy has tried to destroy Patriarchy has oppressed women and denied their contributions worldwide but the United States of America has its own unique gendered hierarchy Dr Anna Malaika Tubbs applies her signature blend of approachable yet rigorous analysis in this definitive and groundbreaking history of American patriarchy She proves that humanity in the United States is determined by gender in a limited and flawed binary that is also always tied to whiteness Tubbs shows how a fabricated hierarchy became so deeply ingrained over time that it now goes unnoticed along with everything it intentionally conceals From the founding fathers to the current Supreme Court justices from the treatment of enslaved women to the American maternal health crises from the exclusion of women in the Constitution to the continued lack of an Equal Rights Amendment Tubbs brings together academic research the stories of freedom fighters both past and present and her own experiences to reveal what is erased in the wake of American patriarchy The system has survived by hiding the tools that are necessary to dismantle it But Tubbs beautifully reminds us that those tools including our intuition courage ancient wisdom and power are still well within our reach Erased is the story of the United States from a new perspective one where the people who shaped this country who have been oppressed and whose contributions have been denied are at the center reminding us that we can restore what has been strategically kept from us Once again Dr Anna Malaika Tubbs has written a book that will be a touchstone for conversations on gender race and equity for years to come **History of North Carolina: North Carolina biography, by special staff of writers**

revelry and reflection showcasing the enduring legacy of Dickens's storytelling prowess Elegant Epistles: Being a Copious Selection by V. Knox of Instructive, Moral, and Entertaining Letters from the Most Eminent Epistolary Writers, Etc Vicesimus KNOX, 1822 Autobiography John Stuart Mill, 2019-11-19 In Autobiography John Stuart Mill presents a compelling and introspective account of his intellectual journey and personal development. Written in a reflective and accessible style, the text emerges from the rich tradition of 19th-century philosophical literature, intertwining personal anecdotes with profound philosophical insights. Mill eloquently navigates through his early influences, the rigorous education imposed by his father, and his eventual emergence as a prominent thinker advocating for individual liberty and social reform, all set against the backdrop of Victorian societal norms. This work not only chronicles his life but also serves as a poignant commentary on the relationship between personal experience and philosophical thought. John Stuart Mill, a philosopher, political economist, and civil servant, was born in 1806 to a family deeply engaged in intellectual and radical thought. His upbringing, steered by his father James Mill, instilled in him a strong commitment to utilitarian principles and social progress. Mill's struggle with personal happiness amidst the demands of his early education and his association with key figures in utilitarianism undeniably shaped his perspectives on the intricate balance of individual autonomy and societal obligation, aspects prominently featured in his autobiography. Autobiography is highly recommended for readers seeking to understand the philosophical origins of liberal thought as seen through the life of one of its most influential proponents. Mill's reflections on personal growth, societal constraints, and the pursuit of intellectual freedom resonate deeply in today's world, making this text a crucial read for anyone interested in philosophy, history, or the quest for personal emancipation.
