

Praise for Scattered Pictures

"Imam Zaid Shakir has compiled in this volume a number of his articles which address some of the burning issues that challenge all religious men and women in the United States of America and beyond. What is remarkable about this text is its message of hope. Deeply rooted in the Western and Islamic traditions, and bent on reconciling and profiting from both of them, Imam Shakir has written a text that could serve as a useful model for younger Muslims coming from a similar background. His reflections in this text have made it clear to me that the person who wrote this book is a man whose mental furniture has been properly re-arranged by his encounter with the Qur'an and the legacy of Prophet Muhammad. Muslims and non-Muslims will find much inspiration from the messages that are beautifully packaged for those who think seriously and critically."

- Sulayman S. Nyang, Ph.D., Howard University

"This collection of Zaid Shakir's essays is long overdue. For some years now he has brought a clarity of mind and feeling to substantive issues challenging Muslims today. It is good to see some of his fire-fly, lightning-bolt thinking captured in words and put between covers."

- Michael Wolfe, author of *The Hadj: An American's Pilgrimage to Mecca*

"The clarity with which Imam Shakir delves into issues such as the true nature of jihad and the relationship between Islam and the African American struggle leaves the reader with new insights and imparts him or her a satisfying resolution to many unspoken issues and hardened realizations common to many Muslims today."

- Yahiya Emerick, author of *Muhammad (Critical Lives Series)*

IMAM ZAID SHAKIR was born in Berkeley, California in 1956. He accepted Islam in 1977. Trained in both the Western and Islamic intellectual traditions, he is uniquely qualified as a commentator on current affairs.

Muslims on the Americanization Path? Yvonne Yazbeck Haddad, John L. Esposito, 2000-05-11 Islam is the fastest growing religion in the United States There are more Muslims in America than in Kuwait Qatar and Libya together Leaving aside immigration and conversion birthrate alone ensures that in the first part of the twenty first century Islam will replace Judaism as the nation s second largest religion Like all religious minorities in America Muslims must confront a host of difficult questions concerning faith and national identity Can they become part of a pluralistic American society without sacrificing their identity Can Muslims be Muslims in a state that is not governed by Islamic law Will the American legal system protect Muslim religious and cultural differences Is there a contradiction between demanding equal rights and insisting on maintaining a distinctively separate identity Will the secular and or Judeo Christian values of American society inhibit the Muslim practice of religious faith While the Muslims of America are indeed on the path to Americanization what that means and what that will yield remains uncertain In this thoughtful and wide ranging volume fourteen distinguished scholars take an in depth look at these issues and examine the varied responses and opinions of the Muslim community
