Reflections Of An Octogenarian:

Reflections of an Octogenarian Ethel M. Jones, 1990-01-01 **Reflections of an Octogenarian** Betty Brown Hayes, 2010-05-22 A memoir A book of essays on life by a woman who like many others came to New York to seek her fortune Without a support system she encountered many crises involving her in laws related to mental illness domestic violence and suicide She has tried to address these problems with a light touch Betty Brown Hayes a native of Massachusetts has lived in New York City for 60 years since graduating from college Her essays reflect different spans of her life including the college years her 39 years on Wall Street as a security analyst as wife of a lawyer as a mother raising her two children and putting them through college She has had more than one career and ran a non profit historical society for 14 years wrote for a non profit rating service for charities was Administrator of her college alumnae club for a year and for two years was coordinator of her college class web site Now retired she is delving into her diverse memories Happy reading **Reflections of an Octogenarian** Burtis Dockery, 2019-08-21 Ever wonder what the average man thinks about politics religion work or just about anything Well Burtis Dockery has lived over 80 years and along the way he s formed some pretty interesting opinions Now he d like to share how he feels with you the reader So pull up a chair kick back and be prepared to be amused and in some instances shocked in this revealing look at one man s Reflections of an Octogenarian It s quite a ride Reflections of an Octogenarian Elizabeth Howerton, 1988 **Reminiscences and Reflections of an Octogenarian Highlander** Duncan Campbell, 1910 **Reflections on Biblical Themes by an Octogenarian** Reuben J. Swanson, 2007-01-01 Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings *Reminiscent Reflections of a Youthful Octogenarian* George Henry Gerberding, 1928 *Evangelism and Pagan England* J. Ernest Rattenbury, 2017-09-15 Evangelism is a much wider term than Methodism but it may I think be justly claimed that Methodism is the outstanding historical result of the Evangelical Revival of the eighteenth

century The movement is the mother at least amongst English speaking people of most modern evangelistic appeals Since one must begin somewhere I begin with the Church with which I am most familiar From the Introduction The History of the Highland Clearances Alexander Mackenzie,1914 *A Journey Into God* John Morris,2013 A Journey into God gives us a personal insight into the life of the author from his childhood illness through to his calling to South Africa to work in the area of healing and reconciliation Contains personal photographs The Living Church John Stott,2021-04-30 What exactly is a living church Author John Stott explains We need more radically conservative churches conservative in the sense that they conserve what Scripture plainly requires but radical in relation to that combination of tradition and convention that we call culture Scripture is unchangeable but culture is not The Living Church brings together a number of characteristics of what the author calls authentic or living church The marks being clearly biblical are timeless and need to be preserved We are encouraged to become learning churches caring churches worshipping churches and evangelising churches John Stott unpacks the Bible s wisdom rigorously with a teacher s skill and applies it faithfully with a pastor s heart Becoming a living church is not an impossible goal **The Spiritual Formation of Evelyn Underhill** Robyn Wrigley-Carr,2020-03-20 The most extensive and inviting introduction a brilliantly written book Eugene Peterson It made my heart sing Dana Greene President of the EvelynUnderhill Association The publication of Evelyn Underhill s Prayer Book in 2018 sparked renewed interest in one of the most significant Christian writers of the twentieth century What lay behind Evelyn Underhill s spiritual formation Robyn Wrigley Carr s fascinating original research reveals the great influence of Baron Friedrich von Hugel to whom Evelyn wrote I owe my whole spiritual life Understanding the nurture she received from this man who had no less an influence on Eugene Peterson prepares the way for an exploration of Evelyn s motherhood of souls We learn about her advice to others involved in this ministry her pioneering work in the conducting of retreats and of the soul care she tirelessly bestowed on her retreatants *Graduate* Freda C. Stuckey,2001* How to Finish the Christian Life Donald Sweeting,George Sweeting,2012-01-20 Thrive as a Christian regardless of your age Dr George Sweeting s How to Begin the Christian Life revealed a plan for success in starting new lives of purpose in pursuit of Christ Now he and his son Donald Sweeting present How to Finish the Christian Life a guide that gives mature believers a new set of disciplines and encouraging truths to help them finish well Retirement from a career should never be mistaken for an absence of purpose On the foundation of his own ministry that continues to thrive Dr Sweeting and his son deliver an inspiring message that the end of the believer s journey is not a matter of dying but a challenge to live to the fullest to the glory of God When it comes to the life of a true follower of Christ there is only one way to finish strong **Old Age and Other Essays** Norberto Bobbio,2017-06-06 This book by one of Italy s oldest and wisest intellectuals is a philosophical and personal meditation on ageing The question of old age has preoccupied writers from Cicero to Amery but in this volume Norberto Bobbio produces an account that is specific to our times Born in 1909 Bobbio has lived through the major events of the past century and his

experiences of Fascism Communism and the Cold War lend his reflections a melancholy that distinguishes them from earlier eulogies on old age and death Bobbio's conclusions are often sobering yet his investigation into memory and mortality is written with both humour and emotion In the opening chapter Bobbio reassesses the notion of progress from the perspective of an old man Arguing for an understanding of historical change as the transfer between generations Bobbio explains how the elderly are increasingly marginalized in contemporary society Referring to the traditional idea of old age as the age of wisdom Bobbio argues that our ever accelerating technological progress has dramatically shifted the power of knowledge from old to young This discussion of old age as a social problem is accompanied by a reflection on old age as a personal predicament In his elegant and lucid prose Bobbio confronts the facts of decrepitude and death In taking stock of his life he argues once again for the importance of democracy and human rights This is a beautifully written book that will be of great interest to the academic and general reader alike Its intellectual content renders it of particular value to students in the fields of philosophy politics and the social sciences

The Happiness of the British Working Class Jamie L.

Bronstein,2023-01-10 For working class life writers in nineteenth century Britain happiness was a multifaceted emotion a concept that could describe experiences of hedonic pleasure foster and deepen social relationships drive individuals to self improvement and lead them to look back over their lives and evaluate whether they were well lived However not all working class autobiographers shared the same concepts or valorizations of happiness as variables such as geography gender political affiliation and social and economic mobility often influenced the way they defined and experienced their emotional lives The Happiness of the British Working Class employs and analyzes over 350 autobiographies of individuals in England Scotland and Ireland to explore the sources of happiness of British working people born before 1870 Drawing from careful examinations of their personal narratives Jamie L Bronstein investigates the ways in which working people thought about the good life as seen through their experiences with family and friends rewarding work interaction with the natural world science and creativity political causes and religious commitments and physical and economic struggles Informed by the history of emotions and the philosophical and social scientific literature on happiness this book reflects broadly on the industrial era working class experience in an era of immense social and economic change
