Return Of Aj Raffles:

The Return of A.J. Raffles Malcolm Black Collection, *The return of A. J. Raffles* Graham Greene,1972 **The Return of A. J. Raffles** Aldwych Theatre,1975 **Conversations with Graham Greene** Graham Greene,1992 This collection of seventeen interviews covers fifty years Here the eminent author of *The Power and the Glory* *The Third Man* and *The Heart of the Matter* speaks of himself his life and his works Though reluctant to be interviewed especially by an academic or journalist he did not know Greene was more at ease in an interview with a personal friend who he felt would be less likely to misunderstand or misquote him Yet even his good friend V S Pritchett spent considerable time trying to pin him down for his 1978 interview When he finally did arrange an interview Pritchett tells that Greene s flat conspiratorial laughing voice of itself makes him the best company I ve known in the last forty years Other interviewers included here are V S Naipaul and Penelope Gilliatt shared Pritchett s opinion but many found that he avoided idle conversation for fear that his words would be misconstrued Greene s anxiety was not without foundation In an interview with Michael Menshaw Greene explained It s got so I hate to say who I am or what I believe A few years ago I told an interviewer I m a gnostic The next day s newspaper announced that I had become an agnostic After such incidents Greene turned to the anecdote relating an experience with Fidel Castro or with Papa Doc Duvalier to communicate in interviews with strangers Nevertheless in all the interviews Greene granted over the years the reader hears very clearly the voice of a man whose conversation is as painfully honest and unpretentious as is his written prose The interviews here are divided chronologically into four periods loosely related to his subject matter or to his reputation at the time of the interview Thus the reader sees the development of the writer from a callow but gifted young man into one of the foremost men of letters in the English speaking world *Blood on the Stage, 1950-1975* Amnon Kabatchnik,2011-04-14 Discussing more than 120 full length plays this volume provides an overview of the most important and memorable theatrical works of crime and detection produced between 1950 and 1975

The return of A.J. Raffles ,1975 RSC in *The return of A J Raffles* by Graham Greene an Edwardian comedy directed by David Jones designed by Alan Tagg music by Guy Woolfenden lighting by Stewart Leviton **Graham Greene** Inky Parrot Press,199? *The Villainous Stage* Marvin Lachman,2014-11-19 Live theatre was once the main entertainment medium in the United States and the United Kingdom The preeminent dramatists and actors of the day wrote and performed in numerous plays in which crime was a major plot element This remains true today especially with the longest running shows such as *The Phantom of the Opera* *Les Miserables* and *Sweeney Todd* While hundreds of books have been published about crime fiction in film and on television the topic of stage mysteries has been largely unexplored Covering productions from the 18th century to the 2013 2014 theatre season this is the first history of crime plays according to subject matter More than 20 categories are identified including whodunits comic mysteries courtroom dramas musicals crook plays social issues Sherlock Holmes and Agatha Christie Nearly 900 plays are described including the reactions of critics and audiences *The Road to*

Armageddon Cecil D. Eby, 1987 The Lost Generation has held the imagination of those who succeeded them partly because the idea that modern war could be romantic generous and noble died with the casualties of that war From this remove it seems almost perverse that Britons Germans and Frenchmen of every social class eagerly rushed to the fields of Flanders and to misery and death In *The Road to Armageddon* Cecil Eby shows how the widely admired writers of English popular fiction and poetry contributed at least in England to a romantic militarism coupled with xenophobia that helped create the climate that made World War I seem almost inevitable Between the close of the Franco Prussian War of 1871 and the opening guns of 1914 the works of such widely read and admired writers as H G Wells Rudyard Kipling J M Barrie and Rupert Brooke as well as a host of now almost forgotten contemporaries bombarded their avid readers with strident warnings of imminent invasions and prophecies of the collapse of civilization under barbarian onslaught and internal moral collapse Eby seems these narratives as growing from and in turn fueling a collective neurosis in which dread of coming war coexisted with an almost loving infatuation with it The author presents a vivid panorama of a militant milieu in which warfare on a scale hitherto unimaginable was largely coaxed into being by works of literary imagination The role of covert propaganda concealed in seemingly harmless literary texts is memorably illustrated *Graham Greene* A. F. Cassis, 1981 Covers fifty years of criticism of Graham Greene a leading man of letters on the English literary scene *A Thief in the Night* E. W. Hornung, 2014-07-01 The third installment in the irresistible adventures of A J Raffles the thief who gives crime a good name For weeks Bunny Manders has scoured the sporting papers looking for word of his vanished friend the cricketer playboy and gentleman thief A J Raffles A mysterious message lures Bunny to a darkened side street where he finds Raffles in filthy clothes with an unkempt beard The amateur cracksmen have been lying low in the empty townhouse of a vacationing colonel what better place to take a Rest Cure He invites Bunny to stay with him but when the colonel returns unexpectedly the public school duo is forced to contemplate a crime beyond reason murder Pushed to the very brink of disaster the quick footed Raffles recovers in style In these classic stories England's most honorable thief and his loyal companion elude criminologists cops and ruthless professional villains stealing whatever they want and doing it with flair This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices

A Preface to Greene Cedric, M.A. Ph.D. (Professor) Watts, 2014-09-25 Lively informed and thorough this survey of the life and works of Graham Greene opens with a biographical account setting the writer in context of his times and describing and exploring the influences tensions and contradictions that occur throughout his work The second half of the book devotes itself to the art of Greene discussing his writing techniques recurring themes and imaginative preoccupations Within this section thorough critical analyses are given of three works *Brighton Rock* *The Power and the Glory* and the film *The Third Man* The book concludes with a reference section which comprises a gazetteer a biographical list and a bibliography Suggestions for further reading and a list of films encourage the student to explore the works of Greene more widely

Night Raiders Eloise Moss, 2019 Lurking in the shadowy depths of the night time city burglars inspired both fear and fascination during the nineteenth and twentieth centuries Night Raiders is the first history of burglary in modern Britain exploring how burglary fundamentally reshaped the meanings of home and urban lifestyles during this important period of change
