Return To Modesty Discovering The Lost Virtue:

A Return to Modesty Wendy Shalit, 2014-05-20 Updated with a new introduction this fifteenth anniversary edition of *A Return to Modesty* reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue: modesty. When *A Return to Modesty* was first published in 1999, its argument launched a worldwide discussion about the possibility of innocence and romantic idealism. Wendy Shalit was the first to systematically critique the hook-up scene and outline the harms of making sexuality so public. Today, with social media increasingly blurring the line between public and private life and with child exploitation on the rise, the concept of modesty is more relevant than ever. Updated with a new preface that addresses the unique problems facing society now, *A Return to Modesty* shows why the lost virtue of modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct to be celebrated. *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune "Baby, It's Cold Outside." Beholden neither to social conservatives nor to feminists, Shalit reminds us that modesty is not prudery, but a natural instinct and one that may be able to save us from ourselves.

A Return to Modesty Wendy Shalit, 1999-01-01 Where once a young woman had to be ashamed of her sexual experience, today she is ashamed of her sexual inexperience. Where not long ago an unmarried woman was ashamed to give public evidence of sexual desire by living with someone, today she must be ashamed to give evidence of romantic desire. From sex education in grade school to co-ed bathrooms in college, today's young woman is being pressured relentlessly to overcome her embarrassment, her hang-ups, and especially her romantic hopes. Meanwhile, the problems young women struggle with grow steadily more extreme: from sexual harassment, stalking, and date rape to anorexia and self-mutilation. Both men and women endlessly lament the loss of privacy and of real intimacy. What is it all about? Beholden neither to conservatives who discount as exaggeration the dangers facing young women, nor to feminists who steadfastly affix blame on the patriarchy, Wendy Shalit proposes that in fact we have lost our respect for an important classical virtue: that of sexual modesty. *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration. From seventeenth-century manners guides to Antonio Canova's sculpture *Venus Italica* to Frank Loesser's 1948 tune "Baby, It's Cold Outside," *A Return to Modesty* unfolds like a detective's search for a lost idea as Shalit uncovers opinions about this lost virtue's importance from Balzac to Simone de Beauvoir that have not been aired for decades. Then she knocks down the accompanying myths one by one. Female modesty is not about a sexual double standard as is often thought, but is related to male virtue and honor. Modesty is not a social construct, but a natural response. And modesty is not prudery, but a way to preserve a sense of the erotic in our lives. With humor and piercing insight, Shalit invites us to look beyond the blush and consider the new power to be found in an old ideal. She maintains that the sex education curriculum forced on those of her generation from an early age is fundamentally flawed, centered as it is on overcoming reticence, what we today call hang-ups. Shalit surprisingly and persuasively argues that without these misnamed

hang ups there can be no true surrender no richness and depth to relations between the sexes The natural inclination toward modesty is not a hang up that we should set out to cure but rather a wonderful instinct that if rediscovered and given the right social support has the power to transform society *Torn Asunder* McCarthy,2017 A timely unsettling of old settled questions surrounding divorce Amid the current nationwide debate over what marriage is this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced Upholding the inextricable link between our personal identity and our origin in a union of two and more deeply in the Fatherhood of God the contributors to this volume reflect on the damage that divorce does to children opening up important questions for all of us What does it mean to be human What does it mean to love and to marry After decades of talk about the rights of adults to get a divorce and the benefits for children of an amicable split between parents a so called good divorce these authors theologians philosophers political scientists lawyers psychologists sociologists and cultural critics effectively unsettle conventional opinion Led by the Carpenter D. James Kennedy,2008-11-13 Christians know that we are to walk the walk that Christ walked making everyday decisions as God would have us do The recent popularity of the WWJD Movement highlights this desire Yet few Christians take the time to explore God s Will in every aspect of their lives and set goals that reflect a biblical approach to everyday life D James Kennedy uses biblical principles forged in his own life and in the life of the church to highlight practical ways for believers to go deeper in their spiritual walk and set long term goals according to God s Will Readers will learn to partner with Christ and set goals that will affect the way they interact with family friends church community colleagues and their environment A History of Sin John Portmann,2007-05-25 Traces changing conceptions of sin through history and analyzes the role that sin and our understanding of it plays society **Toilet** Harvey Molotch,Laura Noren,2010-11-17 In Toilet noted sociologist Harvey Molotch and Lauren Noren bring together twelve essays by urbanists historians and cultural analysts among others to shed light on the public restroom and how it reflects and sustains our cultural attitudes towards gender class and disability **Not My Mother's Sister** Astrid Henry,2004-09-07 Rebellious generations and the emergence of new feminisms *Religion & Sexuality* Charles Kevin Robertson,2006 Issues of religion and sexuality elicit passionate debate as witnessed in the well researched provocative essays contained in this volume Cutting edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture Oral sex polygamy homosexuality and clergy celibacy and boundaries are addressed as editor C K Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on and off limits in today s increasingly pluralistic yet strongly spiritual society Values in Sex Education J. Mark Halstead,Michael Jonathan Reiss,2003 An accessible yet authoritative book situating sex education both in the primary and secondary school within the current focus on values and citizenship **Not Just Private** Craig Bakker,2023-03-07 Both within the church and outside of it popular discourse around sex is often shallow and

individualistic This is especially true on the topic of sex outside of marriage Not Just Private explains how our sexual practices can and should stem from our deeply held uniquely Christian convictions convictions that mean we cannot talk about sex apart from Christian community or Christian character Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches With these foundations in view we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities This is a book for Christians who want to be chaste but are not sure why they should be This is also a book for non Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion namely chastity In the end Not Just Private shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian

Mentioning the Unmentionables Chris Heaton,2023-12-06 We have a pornography crisis in the church This book however does not take a deep dive on the statistics or how our brains are being rewired by the internet This is not a book about the pornography business This is a book about root causes root teachings and then root solutions Mentioning the Unmentionables seeks to answer the question How did we get here It calls attention to the dire problem of pornography but then offers a faithful response in the context of the church to mention the unmentionables

Comparative Religious Ethics Christine E. Gudorf,2013-01-01 Unlike other texts Gudorfs work focuses on common everyday issuesincluding food and diet work sex and marriage proper dress anger and violence charity family and infirmity and the elderlywhile drawing out ethical implications of each and demonstrating how different religious traditions prescribe rules for action An introductory chapter reviews standard ethical theory and core elements of comparative religious analysis Each chapter opens with a riveting real life case and shows how religious ethics can shed light on how to handle the larger issues without determining for the reader what a proper ethical response might be

Walk a Straight Path in a Crooked World Isaac Stewart, Rebecca Stewart, 2000 The Western World is divided between two opposing worldviews that of the relativistic M n M culture the culture of materialism and meaningless and that deriving from the divine narrative preserved by the Hebrew and Greek Scriptures A personal journey in living this book contrasts these two ways of thinking shows the way out of the human dilemmas common today and encourages us to take up the challenge to Walk a Straight Path in a Crooked World the path leading to happiness and a hope that lasts longer than a lifetime

Unseduced and Unshaken Rosalie De Rosset, 2012-08-01 You can t afford to live casually haphazardly No matter your age you were born into a plethora of expectations of what it means to be a woman How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self possession and dignity We tend to live as divided and distracted selves allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer lesser loves This collection of essays is more than a call to modesty or chastity It is a thoughtful provocation to speak well read often make choices that reflect the character of God and even to establish a theology of play or leisure Being intentional with your choices cultivating your intellect and taking seriously your voice determines not only what kind of person you are but also what kind of woman you will be Unseduced and Unshaken raises the bar for young Christian women It s a call for all Christian women to examine their personal faith presuppositions deliberately choose a life of Biblical dignity and to not be frightened to allow theology to inform our choices Just Between Us Summer 2013 issue

Return To Modesty Discovering The Lost Virtue Introduction

In the digital age, access to information has become easier than ever before. The ability to download Return To Modesty Discovering The Lost Virtue has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Return To Modesty Discovering The Lost Virtue has opened up a world of possibilities. Downloading Return To Modesty Discovering The Lost Virtue provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Return To Modesty Discovering The Lost Virtue has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Return To Modesty Discovering The Lost Virtue. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Return To Modesty Discovering The Lost Virtue. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Return To Modesty Discovering The Lost Virtue, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Return To Modesty Discovering The Lost Virtue has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
