Modern Irish Writers Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume

Revolutionary Lives Lauren Arrington, 2020-08-04 Constance Markievicz 1868-1927 born to the privileged Protestant upper class in Ireland embraced suffrage before scandalously leaving for a bohemian life in London and then Paris She would become known for her roles as politician and Irish revolutionary nationalist Her husband Casimir Dunin Markievicz 1874-1932 a painter playwright and theater director was a Polish noble who would eventually join the Russian imperial army to fight on behalf of Polish freedom during World War I Revolutionary Lives offers the first dual biography of these two prominent European activists and artists Tracing the Markieviczes entwined and

impassioned trajectories biographer Lauren Arrington sheds light on the avant garde cultures of London Paris and Dublin and the rise of anti imperialism at the turn of the twentieth century Drawing from new archival material including previously untranslated newspaper articles Arrington explores the interests and concerns of Europeans invested in suffrage socialism and nationhood Unlike previous works Arrington s book brings Casimir Markievicz into the foreground of the story and explains how his liberal imperialism and his wife s socialist republicanism arose from shared experiences even as their politics remained distinct Arrington also shows how Constance did not convert suddenly to Irish nationalism but was gradually radicalized by the Irish Revival Correcting previous depictions of Constance as hero or hysteric Arrington presents her as a serious thinker influenced by political and cultural contemporaries Revolutionary Lives places the exciting biographies of two uniquely creative and political individuals and spouses in the wider context of early twentieth century European history **Report** National Library of Ireland. because they are generally considered to be the significant ones for the Abbey Theatre the year of its founding to the production of Sean O Casey s *The Plough and the Stars* which caused a riot in the theatre Mr Holloway attended every play during these years as well as many rehearsals and talked with nearly everybody who had anything to do with the theatre This journal reflects the tensions feuds and anguish that produced one of the great theatres of modern times The meticulous display of minute detail makes Joseph Holloway s *Abbey Theatre* imperative reading for the student of modern theatre particularly since its character as a daily account permits ready checking of dates listed in previous works about the Irish National Theatre **The Irish Drama** Andrew E.
