Shimonis Lover:

Shimoni's Lover Jenifer Levin, 1987 *Death and Other Lovers* Jo Bannister, Light like a great pink chrysanthemum bloomed far away over the distant perimeter hanging high in the quiet air Others would describe it as a fireball and speak of the deep booming roar as the fuel tanks full to capacity at the start of the plane's long run exploded But no sound reached inside the little office double glazed and already ten miles away and Flynn's abiding impression was of a great flower blossoming halfway down the sky After long shocked moments Inspector Harris found a voice and to his great credit it was a voice without hysteria saying something sensible John you were watching was that an aircraft The sergeant nodded slowly The shock that had wiped the expression off his face seemed also to have kicked him temporarily into slow motion An aircraft An aircraft At last and with an effort he dragged appalled eyes away from the fading pink light and they found Flynn The one we pulled him off *The Last Jew* Yoram Kaniuk, 2007-12-01 A layered sweeping panorama of 20th Century Jewish life and identity Publishers Weekly Yoram Kaniuk has been hailed as one of the most innovative brilliant novelists in the Western World and *The Last Jew* is his exhilarating masterwork The New York Times Like Gabriel Garcia Marquez's *One Hundred Years of Solitude* *The Last Jew* is a sweeping saga that captures the troubled history and culture of an entire people through the prism of one family From the chilling opening scene of a soldier returning home in a fog of battle trauma the novel moves backward through time and across continents until Kaniuk has succeeded in bringing to life the twentieth century's most unsettling legacy the anxieties of modern Europe which begat the Holocaust and in turn the birth of Israel and the swirling cauldron that is the Middle East With the unforgettable character of Ebenezer Schneerson the eponymous last Jew at its center Kaniuk weaves an ingenious tapestry of Jewish identity that is alternately tragic absurd enigmatic and heartbreaking A true work of art free from emotional manipulations The Washington Post **New York Herald Tribune Book Review**, 1957 **The Art of Mystical Narrative** Eitan P. Fishbane, 2018 In the study of Judaism the Zohar has captivated the minds of interpreters for over seven centuries and continues to entrance readers in the modern day Yet despite these centuries of study very little attention has been devoted to the literary dimensions of the text *The Art of Mystical Narrative* argues that the Zohar story must be understood first and foremost as a work of the fictional imagination *Jewish Subjects and Their Tribal Chieftains in Kurdistan* Mordechai Zaken, 2007-01-01 This volume deals with the experience and the position of non-tribal Jewish subjects and their relationships with their tribal chieftains aghas in urban centers and villages in Kurdistan It is based on new oral sources diligently collected and carefully analyzed **I.e.**, 1956-03 *Friendship in Jewish History, Religion, and Culture* Lawrence Fine, 2021-01-07 The ubiquity of friendship in human culture contributes to the fallacy that ideas about friendship have not changed and remained consistent throughout history It is only when we begin to inquire into the nature and significance of the concept in specific contexts that we discover how complex it truly is Covering the vast expanse of Jewish tradition from ancient Israel to the twenty first century this collection of essays traces the history of the

beliefs rituals and social practices surrounding friendship in Jewish life Employing diverse methodological approaches this volume explores the particulars of the many varied forms that friendship has taken in the different regions where Jews have lived including the ancient Near East the Greco Roman world Europe and the United States The four sections friendship between men friendship between women challenges to friendship and friendships that cross boundaries especially between Jews and Christians or men and women represent and exemplify universal themes and questions about human interrelationships This pathbreaking and timely study will inspire further research and provide the groundwork for future explorations of the topic In addition to the editor the contributors are Martha Ackelsberg Michela Andreatta Joseph Davis Glenn Dynner Eitan P Fishbane Susannah Heschel Daniel J L Eyal Levinson Saul M Olyan George Savran and Hava Tirosh Samuelson

The Mystery of Love Marc Gafni, 2004-03 In the tradition of Scott Peck's *The Road Less Traveled* and Gary Zukov's *The Seat of the Soul* *The Mystery of Love* speaks penetratingly to the age old desire to move beyond emptiness and alienation and touch the full eros of living

The Engine Michael Rachkovsky, 2017-05-31 The philosophical foundation of this novel is the idea that love and aesthetic sense are the most important products of the biological evolution on Earth and maybe even in the Universe Love is the only engine the source and the meaning of human existence and survival in our complex dark and often cruel world When beautiful and talented journalist Michelle Rosen meets geneticist Sam Levitin neither can imagine the exponentially developing and powerful passion that will dramatically transform their lives Their deep and intense affection for each other will see them drawn into the miraculous transcendental spiritual world From Michelles seeming mystical abilities to Sams extraordinary achievement at getting his dog the Saint Bernard Chook to speak both will begin to unravel the amazing mysterious connections that will
