Steinberg,2016-12-26 The classic reference work that provides annually updated information on the countries of the world *Annual Report of the American Historical Association* American Historical Association,1922 *Greater than Equal* Sarah Caroline Thuesen,2013-08-01 During the half century preceding widespread school integration black North Carolinians engaged in a dramatic struggle for equal educational opportunity as segregated schooling flourished Drawing on archival records and oral histories Sarah Thuesen gives voice to students parents teachers school officials and civic leaders to reconstruct this high stakes drama She explores how African Americans pressed for equality in curricula higher education teacher salaries and school facilities how white officials co opted equalization as a means of forestalling integration and finally how black activism for equality evolved into a fight for something greater than equal integrated schools that served as models of civic inclusion These battles persisted into the Brown era mobilized black communities narrowed material disparities fostered black school pride and profoundly shaped the eventual movement for desegregation Thuesen emphasizes that the remarkable achievements of this activism should not obscure the inherent limitations of a fight for equality in a segregated society In fact these unresolved struggles are emblematic of fault lines that developed across the South and serve as an urgent reminder of the inextricable connections between educational equality racial diversity and the achievement of first class citizenship

Encyclopedia of African American History, 1619-1895 Paul Finkelman,2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction

Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

The Statesman's Year-Book Mortimer Epstein, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world
