Long Way Home The Real People:

Long Way Home Lynn Austin, 2022 Peggy Serrano couldn't wait for her best friend to come home from the war. But the Jimmy Barnett who returns is much different from the Jimmy who left, changed so drastically by his experience that he can barely function. When he attempts the unthinkable and his parents check him into the VA hospital, Peggy determines to help the Barnetts unravel what might have happened to send their son over the edge, starting by contacting Jimmy's war buddies and trying to identify the mysterious woman in the photo they find in Jimmy's belongings. Seven years earlier, sensing the rising tide against her people, Gisela Wolff and her family flee Germany aboard the passenger ship *St. Louis*, bound for Havana, Cuba. Gisela meets Sam Shapiro, the love of her life, on board, but the ship is eventually denied safe harbor and sent back to Europe. This begins Gisela's perilous journey of exile and survival, made possible only by the kindness and courage of a series of strangers she meets along the way, including one man who will change the course of her life. **The Long Way Home**

Alexander Grant, 2025-11-08 When Ethan Harper's marriage ends, he retreats to a quiet seaside town, hoping to rediscover the version of himself he's long forgotten. The ocean is meant to be his refuge until he meets Leo, a young barista whose warmth and easy charm make the world start to feel alive again. What begins as simple conversation turns into something deeper, a connection that both soothes and unsettles him. With every lingering glance and late afternoon walk along the pier, Ethan finds himself pulled toward a truth he's spent a lifetime avoiding. Set against the golden light of a coastal town where time seems to stand still, *The Long Way Home* is a slow-burn, age-gap love story about rediscovery, second chances, and the kind of attraction that feels like coming up for air after years underwater. **The Long Way Home** Madison
