Look Away From Dixie:

Notes on My Recent Abduction by A. Lincoln V. A. Herbert, 2008 This is a fictional account of what Lincoln had to endure after having been kidnapped by John Wilkes Booth and his gang on March 31 1864 The novel is based on the historical truth that John Wilkes Booth had recruited several people to kidnap Lincoln and end the war *Minutes of the ... Annual Meeting and Reunion of the United Confederate Veterans ...* , 1900 *The Jolly Miller Songster* Northwestern Miller (Firm), 1905 *Minutes U.C.V. United Confederate Veterans*, 1899 **Poems Children Love** Penrhyn Wingfield Coussens, 1908 **Invisible No More** Robert Greene II, Tyler D. Parry, 2021-12-30 Since its founding in 1801 African Americans have played an integral if too often overlooked role in the history of the University of South Carolina Invisible No More seeks to recover that historical legacy and reveal the many ways that African Americans have shaped the development of the university The essays in this volume span the full sweep of the university's history from the era of slavery to Reconstruction Civil Rights to Black Power and Black Lives Matter This collection represents the most comprehensive examination of the long history and complex relationship between African Americans and the university Like the broader history of South Carolina the history of African Americans at the University of South Carolina is about more than their mere existence at the institution It is about how they molded the university into something greater than the sum of its parts Throughout the university's history Black students faculty and staff have pressured for greater equity and inclusion At various times they did so with the support of white allies other times in the face of massive resistance oftentimes there were both Between 1868 and 1877 the brief but extraordinary period of Reconstruction the University of South Carolina became the only state supported university in the former Confederacy to open its doors to students of all races This first desegregation which offered a glimpse of what was possible was dismantled and followed by nearly a century during which African American students were once again excluded from the campus In 1963 the second desegregation ended that long era of exclusion but was just the beginning of a new period of activism one that continues today Though African Americans have become increasingly visible on campus the goal of equity and inclusion a greater acceptance of African American students and a true appreciation of their experiences and contributions remains incomplete Invisible No More represents another contribution to this long struggle A foreword is provided by Valinda W Littlefield associate professor of history and African American studies at the University of South Carolina Henrie Monteith Treadwell research professor of community health and preventative medicine at Morehouse School of Medicine and one of the three African American students who desegregated the university in 1963 provides an afterword **History of the Twentieth Tennessee Regiment Volunteer Infantry, C.S.A.** William Josiah McMurray, 1904 **Munsey's Magazine** , 1895 **Heroes in Gray** Samuel Wells Sherrill, 1909 *Relief Society Song Book* Relief Society (Church of Jesus Christ of Latter-day Saints).
