(U.S.), 1991 The Abcs of Apa Style Beth Lee, 2017-08-30 Very few students and even professionals know how to write
using American Psychological Association Style You are not the only one Beth Lee knows this to be true because she has
been teaching APA style for more than a dozen years Shes accustomed to hearing students say things such as What is APA
How do I use it Cant I just use MLA The reality is that many professors instructors and professions insist on using APA Style
In this guide youll learn how to take down information to make citing easier look up information in style guides memorize the
most important rules and avoid the most common mistakes While it would be easy to copy and paste web addresses into
essays and academic papers that is not how APA Style works If you dont know the rules your writing wont be taken as
seriously and if youre in school your marks will suffer Once you understand the main elements of APA style youll be equipped
to use more complex style guides and reference materials Bolster your academic writing today with lessons in The ABCs of
