Amico**

Looking At Gay And Lesbian Life:

Looking At Gay & Lesbian Life Diane Raymond, 1993-06-30 Discusses gender roles human sexuality prejudice discrimination lesbian and gay politics AIDS gay culture and the homosexual in literature *Women's Sexuality Across the Life Span* Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report *Working-Class Lesbian Life* Yvette Taylor, 2007-07-13 This is an original study of women self identified as working class and lesbian showing the significance of class and sexuality in their biographies everyday lives and identities It provides insight a critique of queer theory and an empirical interrogation of the embodied spatial and material intersection of class and sexuality *Social Perspectives in Lesbian and Gay Studies* Peter M. Nardi, Beth E. Schneider, 2013-09-13 This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities Through it students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s Bringing together classic readings and the best work of younger scholars from all parts of the English speaking world this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender Separate sections cover theoretical foundations identity and community making institutions and social change challenges for the future Each section begins with an introduction giving readers a brief guide to the readings in that section contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future **Psychotherapy With Lesbian Clients** Kristine L. Falco, 2013-05-24 An explanation of who lesbians are how psychotherapy with this population is unique how therapists and patients are influenced by homophobia and what the therapist brings to the therapeutic relationship It presents models of lesbian affirmative psychotherapy and offers guidelines for therapists **The Personal and the Political** Ulrike

Boehmer,2000-05-04 Drawing on the experiences of thirty seven diverse women who are active in the AIDS and breast cancer movements *The Personal and the Political* provides an in depth look at the social and political dimensions of AIDS and breast cancer within the context of social movement and feminist theories While it is generally assumed that activists reasons for getting involved in either the AIDS or breast cancer movements differ Boehmer uncovers similarity in women s motivations finding that activism depends on both a personal and a political link to the disease The work pays particular attention to diversity issues such as race class and sexual orientation and explores the women s motivations how they view their activism and how their activism relates to their identities The author lets the women speak for themselves interspersing their voices throughout the text The book highlights similarities and differences between the activists in both movements and between the movements themselves offering some intriguing conclusions *"You Can Tell Just By Looking"* Michael Bronski,Ann Pellegrini,Michael Amico,2013-10-01 2014 Lambda Literary Award Finalist *LGBT Nonfiction Breaks* down the most commonly held misconceptions about lesbian gay bisexual and transgender people and their lives In *You Can Tell Just by Looking* three scholars and activists come together to unpack enduring popular and deeply held myths about lesbian gay bisexual and transgender people culture and life in America Myths such as All Religions Condemn Homosexuality and Transgender People Are Mentally Ill have been used to justify discrimination and oppression of LGBT people Others such as Homosexuals Are Born That Way have been embraced by LGBT communities and their allies In discussing and dispelling these myths including gay positive ones the authors challenge readers to question their own beliefs and to grapple with the complexities of what it means to be queer in the broadest social political and cultural sense *Lives of Lesbian Elders* J Dianne Garner,D. Merilee Clunis,Pat A. Freeman,Nancy M. Nystrom,Karen I. Fredriksen-Goldsen,2014-07-16 The untold history of lesbian life from those who have lived it *Lives of Lesbian Elders Looking Back Looking Forward* illuminates the hopes fears issues and concerns of gay women as they grow older Based on interviews with 62 lesbians ranging in age from 55 to 95 this very special book provides a historical account of the shared experiences of the lesbian community that is so often invisible or ignored in contemporary society The book gives voice to their thoughts and feelings on a wide range of issues including coming out identity and the meaning of life the role of family and personal relationships work and retirement adversity and individual sources of strength and resilience Cast off and overlooked at best or victims of scorn and prejudice at worst lesbians in the twentieth century lived dual lives their full voices unheard until now *Lives of Lesbian Elders* chronicles the life choices they made and their reasons for making them set against the contexts of culture politics and the social mores of the eras in which they lived Their stories of courage resilience resourcefulness pride and independence help restore lesbian history that has been forgotten distorted or disregarded and provide the information necessary to meet the future needs of aging lesbians *Lives of Lesbian Elders* gives aging lesbians a chance to discuss their thoughts on a variety of topics including Coming out You didn t talk about it Until two years ago I never even referred to a lesbian or would I allow

the word to pass my lips I used to sneak into libraries and read about homosexuality and back in that era it was not classy it was classified as a disorder of some type Identity The only difference between me and anybody else is that I just happen to be sleeping with a woman I think I grew up not really knowing who I was and I think probably fighting all my life trying to find out who I was Family I feel very connected with the lesbian community here I guess I would call that family Many years ago my sister said I think when they re ready you need to explain to the nieces what a lesbian is because I want them to hear the correct story I want them to hear what it really is and not all these stupid rumors that go around Work I was going to become a youth minister at one point and it dawned on me in high school that there was no way the church was going to let me work with kids I didn t really finish my career I still have dreams about the military and about not finishing It was my choice but it wasn t really my choice Aging and the Future I think financing of course is a real big problem for lesbian women I have a concern that if anything should happen to my partner in growing older of being isolated from the gay community and much more Lives of Lesbian Elders Looking Back Looking Forward also includes appendices that present demographic data on the women who were interviewed for the book information on historical timelines and suggested readings on lesbian history The book is an invaluable addition to the growing collective history of lesbians in the United States *The Lives of Older Lesbians* Jane Traies,2016-06-24 This unique book sheds new light on the most invisible members of the lesbian gay bisexual and transgender LGBT community Hidden from view by a combination of prevailing cultural assumptions and their own unwillingness to be seen older lesbians have been consistently under represented in both popular culture and research This ground breaking study based on an unprecedentedly large research sample of nearly four hundred lesbian identified women between the ages of 60 and 90 offers a fascinating insight into the lives of older lesbians in the UK Drawing on data from a comprehensive questionnaire survey and illustrated with vivid personal testimonies it explores both the diversity and the distinct collective identity of the older lesbian community arguing that understanding their past experience is crucial to providing for their needs in the future It is essential reading for scholars in the fields of women s studies and genders and sexualities and will also appeal to sociologists political scientists anthropologists social and cultural historians and experts in ageing gerontology nursing and social work **Encyclopedia of Lesbian and Gay Histories and Cultures** Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking newapproach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human

experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Entertaining Lesbians**

Martha Gever,2012-11-12 Before the rise of celebrities like Ellen DeGeneres and k d lang lesbians were rarely in the limelight and the few that were often did not fare well Times have changed and today s famous lesbians are popular icons Entertaining Lesbians charts the rise of lesbians in the public eye proposing that celebrity has never been a simple matter of opening closet doors portraying positive images or becoming role models Gever traces the history of lesbians in popular culture during the twentieth century from Radclyffe Hall and Greta Garbo to Martina Navratilova and Rosie O Donnell to explore the paradoxes inherent in lesbian celebrity *The Advocate* ,1995-06-13 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

Counseling Lesbian Partners Joretta L. Marshall,1997-01-01 This resource for counselors who work with lesbian couples gives a clear assessment of the issues faced in working through their relationship within the context of their sexuality and society s oppression of lesbians The purpose of the Counseling and Pastoral Theology series is to address clinical issues that arise among particular populations currently neglected in the literature on pastoral care and counseling This series is committed to enhancing both the theoretical base and the clinical expertise of pastoral caregivers by providing a pastoral theological paradigm that will inform both assessment and intervention with persons in these specific populations The Advocate ,1997-10-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

We, Too, Must Love Ann Aldrich,2015-08-29 A literary lesbian landmark that will transport today s readers to the 1950s homosexual scene Marcia M Gallo author of *Different Daughters* Three years after the publication of her groundbreaking 1955 bestseller *We Walk Alone* Ann Aldrich expanded on her journalistic portraits of lesbian subcultures in and around New York in *We Too Must Love* Inspired by the hundreds of letters she received by women from around the country many reprinted here Aldrich tackled questions of class division explored the diverse careers lesbians held guided readers through the social cliques and bar scenes set the record straight on gay stereotypes observed the differences among the Village Uptown and Brooklyn lesbian communities and hinted at the growing consciousness that would fuel later lesbian and gay rights movements *We Walk Alone* and *We Too Must Love* are in effect indispensable guides to a hidden world Advocate.com Simultaneously intimate and investigative subjective and discerning UTNE Magazine Aldrich touched innumerable lives and gave hope to lesbians mired in a harsh and ignorant era Read these books to learn what it was like back then what we believed and how we made a start in the struggle against prejudice Ann Bannon author of *The Beebo Brinker Chronicles* *Gay, Lesbian, Bisexual, and Transgender Aging* Tarynn M.

Witten,A. Evan Eyler,2012-06 The graying of the US population draws increasing focus to historically unattended segments of society including sexual and gender minorities This title addresses the challenges of aging in the gay lesbian bisexual transgender and intersex populations It presents what is known about aging GLBT individuals *Searching the Soul of Ally McBeal* Elwood Watson,2006-07-06 Ally McBeal the popular Fox television series 1997 2002 was both groundbreaking and controversial With its challenging presentation of gender roles and gender politics the show provided fuel for an ever expanding international debate over feminism and the roles of women in modern society In 1998 Time Magazine ran a cover story featuring a photo of the Ally McBeal character alongside three of the feminist movement s most memorable figures The article was suggestively entitled Is Feminism Dead This collection of essays addresses that important question as it relates to the presentation of women s behaviors desires and images in Ally McBeal It considers the challenges that women s sexuality presents to feminism and looks at feminist thought regarding female professionalism and contemporary marriage Also discussed is the struggle for an understanding of masculinity in light of feminism s growing challenge to patriarchy Other topics include the series groundbreaking narrative structure its critique of society and the law in the early 21st century and its treatment of minority characters Contrary to the implications of Time Magazine s coverage this book argues that Ally McBeal is a positive feminist text from the perspective of post feminist theory The Practice of U.S. Women's History S. J. Kleinberg,Eileen Boris,Vicki Ruíz,2007 In the last several decades U S women s history has come of age Not only have historians challenged the national narrative on the basis of their rich explorations of the personal the social the economic and the political but they have also entered into dialogues with each other over the meaning of women s history itself In this collection of seventeen original essays on women s lives from the colonial period to the present contributors take the competing forces of race gender class sexuality religion and region into account Among many other examples they examine how conceptions of gender shaped government officials attitudes towards East Asian immigrants how race and gender inequality pervaded the welfare state and how color and class shaped Mexican American women s mobilization for civil and labor rights The Everyday Lives of Gay Men Edgar Rodríguez-Dorans,Jason Holmes,2021-10-06 The Everyday Lives of Gay Men draws on the expertise of 12 contributors from different countries and fields writing from an autoethnographic first person approach Putting the power of personal stories at the centre of the construction of sophisticated narratives of gay men s lives the accounts draw attention to the limits of traditional perspectives to gay men s studies that look at gayness through a sexualised lens and explore how gay men make sense of their identity in their everyday lives Together they present a complex nuanced understanding of gayness and challenge the conception of being gay as a sexual orientation because it describes in sexual terms an identity that is not only not always and not predominantly sexual The authors come from a variety of fields including counselling studies and sociology to communication religion and education The innovative approach of The Everyday Lives of Gay Men makes it ideal for students and scholars in gender studies sexuality studies
