the whole process because he wants to take revenge against his own captain In this way he loses his most precious possession that is the love of his life Then out of guilt when he wanted to set the record straight it was too late and he ends up losing his life After many years an alien called Sanoby brings Jet back to life and as a token of gratitude Jet becomes Sanoby's disciple and as his first mission they went to negotiate with an alien civilization called Ginarog But it proves to be complicated more or less So they had to escape and take the queen Kasadina with them After rescuing queen Kasadina from the evil Ginarog Jet and his master Sanoby stumbled upon a planet of refugees which was revolving a dying star So Jet and his associates decided to help the refugees after saving the planet In the end a huge battle took place and Exodorous was killed It was also at this point of time that Jet rediscovered the love of his life There after they settled down for a quiet life
