Looser Ends:

Loose Ends John Andes, 2013-08-26 Bob Bric Bricsonn hardware store owner in Duluth Minnesota and his friends a civil engineer and a foreman at the local food plant come to realize that the tumultuous economic environment will soon crush and discard them They decide there is only one way out of their financial traps Three couples agree that desperate times call for desperate measures The amateurs enter into the professional world of crime a robbery a drug buy and drug resale down state From the beginning the six learn that their actions have unintended and dire consequences Errors in judgment and misplaced enthusiasm put the plan in jeopardy from the start Violence begets violence intended and accidental Alliances and relationships are fluid because the drive for the big payoff is everyone's goal Deception and double dealing abound Bric struggles to keep the team on the right path but ultimately he can trust only himself A new player offers him a way to reach his financial goal

Loose Ends Don Easton, 2005-05-01 Jack Taggart an undercover Mountie lives in a world where the good guys and the bad guys change places in a heartbeat Taggart is very good at what he does Too good to be playing by the rules so the brass assign a new partner to spy on him Taggart's new partner discovers a society dependent upon unwritten rules To break these rules is to lose respect and to lose respect is to lose one's life *Loose Ends* is a tale of violence corruption and retribution but it is also a story of honour and respect

Loose Ends J.R. Roberts, *TOUGH TIMES* In a nameless shantytown near Colton California hopes are high that business will begin to boom But blood becomes a big expense when a gang of cutthroats starts shooting up the town to send a deadly message Clint Adams gets roped into the mess by a pretty little filly Lyssa Spencer needs the famous Gunsmith to save her town and her boss a legendary lawman in his own right named Virgil Earp

Loose Ends Russell Reising, 1996 In this study of American cultural production from the colonial era to the present Russell Reising takes up the loose ends of popular American narratives to craft a new theory of narrative closure In the range of works examined here from Phillis Wheatley's poetry to Herman Melville's *Israel Potter* from Henry James's *The Jolly Corner* to the Disney Studio's *Dumbo* Reising finds endings that violate all existing theories of closure and narratives that expose the often unarticulated issues that inspired these texts Reising suggests that these non endings entirely refocus the narrative structures they appear to conclude accentuate the narrative stresses and ideological fissures that the texts seem to suppress and reveal shadow narratives that trail alongside the dominant story line He argues that unless the reader notices the ruptures in the closing moments of these works the social and historical moments in which the narrative and the reader are embedded will be missed This reading not only offers new interpretive possibilities but also uncovers startling affinities between the poetry of Phillis Wheatley and the fiction of Henry James between Charles Brockden Brown's *Wieland* and Melville's least studied novel and between Emily Dickinson's poem *I Started Early Took My Dog* and Disney's animated classic *Pursuing* the implications of these failed moments of closure Reising elaborates on topics ranging from the roots of domestic violence and mass murder in early American religious texts to the

pornographic imperative of mid century nature writing and from James s descent into naturalist and feminist fiction to Dumbo s explosive projection of commercial racial and political agendas for postwar U S culture **Jesus Left Loose Ends** William R. G. Loader,2021-11-10 Bill Loader has been one of the leading New Testament scholars not just in Australia but globally for half a century What is immediately apparent is that the clarity of communication and the exceptional precision in analyzing the details of ancient texts which are the hallmarks of his scholarship were present even in the earliest essays Without exception every essay in this volume is a contribution of exceptional insight for all who seek to learn from an exemplary scholar **Loose Ends** Tara Janzen,2011 WHITE HOT DOWN AND DIRTY PASSION IGNITES WHEN A SEXY SOLDIER ENCOUNTERS AN IRRESISTIBLE THIEF WHO S CHANGED HER WAYS Six years ago the Special Defense Force mourned the loss of J T Chronopolous Now the striking soldier is back with scant memory a new name Conroy Farrel and one single mission to bring down SDF But SDF has its own plan get him back at any cost And so they ve set a trap for Con a trap that Jane Linden accidentally steps into With darkness falling and the night heating up Con finds himself on the run in an oddly familiar 1967 Pontiac GTO with a drop dead gorgeous brunette named Jane by his side Who she is he doesn t know Or does he Jane certainly hasn t forgotten him When she was a teenager he caught her picking his pocket Now the former street thief is all grown up and gone legit and the effect she has on Con is all too clear pure sweet longing Con s not sure if Jane is there to save him or to take him down But one thing s certain With desire leading the way all bets are off **The Loose Ends List** Carrie Firestone,2016-06-07 A refreshing funny and moving debut novel about first loves last wishes and letting go Seventeen year old Maddie O Neill Levine lives a charmed life and is primed to spend the perfect pre college summer with her best friends and young at heart socialite grandmother also Maddie s closest confidante tying up high school loose ends Maddie s plans change the instant Gram announces that she is terminally ill and has booked the family on a secret death with dignity cruise ship so that she can leave the world in her own unconventional way and give the O Neill clan an unforgettable summer of dreams come true in the process Soon Maddie is on the trip of a lifetime with her over the top family As they travel the globe Maddie bonds with other passengers and falls for Enzo who is processing his own grief But despite the laughter headiness of first love and excitement of glamorous destinations Maddie knows she is on the brink of losing Gram She struggles to find the strength to say good bye in a whirlwind summer shaped by love loss and the power of forgiveness **Loose Ends** Michael Weller,1980 A study of a failed romance **The Discipline of Subjectivity** Ermanno Bencivenga,2014-07-14 Through an interpretation of Montaigne s philosophical vision as expressed in his Essays Ermanno Bencivenga contributes to the current debate about the death of the subject by developing a view of the self as a project of continuous construction rather than the source and foundation of knowledge This latter Cartesian conception of self consciousness as a logical and epistemological starting point is Bencivenga contends delusive the certainty it provides is more akin to faith than to a cognitive state How then do we acquire knowledge of the self Montaigne makes for a productive

case study in this regard he declares that he himself is the matter of his book and that nothing but the constitution of his own self is his business A study of Montaigne reveals that the fundamental category missing in the Cartesian conception of the self is that of practical effort The self is not a ready made entity available for inspection and analysis but something whose generation requires exercise training and discipline It is the result of an operation that must be performed not just once but as in all training over and over again until it becomes second nature Bencivenga characterizes the particular training required by the project of constituting a subject as a revolutionary transgressive critical one which shares with philosophical activity a profoundly playful irrelevance to the ready to hand Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Loose Ends Neal Bowers, 2001 The shortest distance between two people is almost always a lie Or so Davis Banks teacher of poetry at a small Iowa college diabetic and perpetual liar believes Clinging to his philosophy he goes about his days dealing with his uncertain self letting his tangle of lies take him wherever it may lead From inventor of the mobile bowling alley to amateur daredevil Davis deftly changes identities with each new situation and stranger Until he gets a phone call beckoning him to Tennessee for his mother s funeral Returning to his boyhood town Davis becomes enmeshed in a set of lies not his own Too many little things aren t quite right in his mother s house He realizes he doesn t know how or where his mother died Where are the keys to her car And why is there another man s body in his father s grave Confronted with a myriad of loose ends Davis slowly sinks into a quicksand of confusion where nothing is what it seems BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
