Los Partidos Politicos

**Orlando Salazar Mora, Jorge Mario
Salazar Mora**

Los Partidos Politicos:

El marketing de los partidos políticos José Javier Orosa González, 2012-04-30 **Los partidos políticos en Costa Rica** Orlando Salazar Mora, Jorge Mario Salazar Mora, 1991 *Los partidos políticos latinoamericanos* Alfredo Ramos Jiménez, 2001 **¿Por qué los partidos políticos? Una segunda mirada** John Herbert Aldrich, 2012 En este libro lectura esencial para quienes deseen comprender la naturaleza de los partidos políticos John H Aldrich defiende el papel clave de intermediación que estos desempeñan en las preferencias entre los ciudadanos y los gobiernos dentro de los actuales sistemas democráticos A juicio de Aldrich los partidos no están en crisis o declive lo que ha entrado en crisis es un formato específico el partido de masas Igualmente en cuanto instituciones endógenas determinadas por una interacción muy dinámica entre actores e instituciones lo que ha caracterizado a los partidos ha sido su gran capacidad de adaptación evolutiva a contextos en acelerada mutación Finalmente la obra defiende que los principales mecanismos mediante los cuales los partidos se han adaptado a condiciones y desafíos cambiantes han sido muy variados cambios organizativos rediseños institucionales redefinición de las políticas públicas en sus programas o flexibilidad para competir en gobiernos multinivel entre otros retos En definitiva el análisis de John H Aldrich aporta sólidas conclusiones cuya validez trasciende ampliamente el caso norteamericano *Partidos políticos y sistemas de partidos* Alan Ware, 2004 Análisis comparativo de los partidos políticos y los sistemas de partidos en el ámbito de las democracias liberales con el que se trata de mostrar su funcionamiento así como las causas por las que difieren de un país a otro *El estado y los partidos políticos en México* Pablo González Casanova, 1986 Esta recopilación de ensayos ampliada y revisada desde su quinta edición cubre ahora un lapso que va de 1976 a 1985 De esta manera contiene una dimensión de largo alcance que amplía el ciclo que se había iniciado con el libro pionero del mismo González Casanova La democracia en México **Los Estatutos de los Partidos Políticos Españoles** Joan Oliver Araujo, Vicente J. Calafell Ferrá, 2007-04-01 Los partidos políticos tienen una importancia capital en las modernas democracias Hoy el juego político queda prácticamente monopolizado por los partidos que el Tribunal Constitucional ha definido como asociaciones de relevancia constitucional Por esta posición de los partidos políticos en el sistema constitucional sus estatutos merecen una especial atención El derecho establece para ellos unos específicos imperativos a veces expresos a veces implícitos que les confieren una innegable singularidad jurídica Sin embargo contra lo que en principio y con toda lógica podría imaginarse acceder a los estatutos de los partidos políticos incluso de los más conocidos puede ser una tarea difícil Este volumen de la colección Textos y Documentos recoge los estatutos de los partidos políticos con representación en las Cortes Generales en la actual legislatura la VIII que se inició con las elecciones del 14 de marzo de 2004 Los partidos políticos y democracia Wilhelm Hofmeister, 2021-09-15 El funcionamiento de una democracia depende en gran medida del comportamiento y la capacidad de los partidos políticos para representar los intereses de los ciudadanos y elaborar alternativas políticas Para ello los partidos deben desarrollar sus programas construir estructuras organizativas eficaces

ofrecer a sus miembros una participación activa en las decisiones internas del partido poner su financiación sobre una base sólida y transparente mantener un estrecho contacto con los grupos sociales informar abiertamente sobre sus objetivos e intenciones planificar eficazmente las campañas electorales y no en último lugar contar con líderes que se distingan por su competencia y por el respeto de los principios que exige el ejercicio de la política en representación de los ciudadanos La presente obra ofrece una introducción completa y de fácil lectura al mundo de los partidos políticos Basándose en su rica experiencia internacional el autor consigue comparar la evolución en diferentes países y regiones del mundo y formular recomendaciones prácticas concretas para la organización y eventuales reformas de los partidos

Los partidos políticos y su responsabilidad colectiva en actos ilícitos de los gobernantes Marco Antonio González Mora, 2024-10-28

Qué papel le toca desempeñar a un partido político cuando uno de sus miembros delinque como servidor público Este libro argumenta la necesidad de que los institutos políticos se responsabilicen de los actos ilícitos en que puedan incurrir personas en un cargo de elección popular cuando ellas hayan sido postuladas bajo el auspicio de su emblema Además con sólidas bases jurídicas el autor traza una ruta para procesar legalmente a los partidos en cuestión y abonar así al fortalecimiento del sistema democrático mexicano

La desafección social hacia los partidos políticos, 2011
