Smith,2021-04-05 Hamburg is perhaps South Carolina s most famous ghost town Founded in 1821 it grew to four thousand residents before transportation advances led to decline During Reconstruction recently freed slaves reshaped Hamburg into a freedmen s village where

residents held local county and state offices These gains were wiped away after the Hamburg Massacre in 1876 a watershed event that left seven African Americans dead most of them executed in cold blood Yet more than a century after Hamburg the one white supremacist killed in the melee is canonized by the racially divisive Meriwether Monument in downtown North Augusta Author Michael Smith details the amazing events that created this unique community with a lasting legacy *How We Won and Lost the War in Afghanistan* Douglas Grindle, 2017-11-01 Douglas Grindle provides a firsthand account of how the war in Afghanistan was won in a rural district south of Kandahar City and how the newly created peace slipped away when vital resources failed to materialize and the United States headed for the exit By placing the reader at the heart of the American counterinsurgency effort Grindle reveals little known incidents including the failure of expensive aid programs to target local needs the slow throttling of local government as official funds failed to reach the districts and the United States inexplicable failure to empower the Afghan local officials even after they succeeded in bringing the people onto their side Grindle presents the side of the hard working Afghans who won the war and expresses what they really thought of the U S military and its decisions Written by a former field officer for the U S Agency for International Development this story of dashed hopes and missed opportunities details how America's desire to leave the war behind ultimately overshadowed its desire to sustain victory Purchase the audio edition
