

# THE LOST DIARY OF

King Henry VIII's  
**EXECUTIONER**

Found by Steve Barlow and Steve Skidmore

# Lost Diary Of Henry Viii's Execution

**Susan Brigden**

## **Lost Diary Of Henry Viii Execution:**

**Shakespeare and Lost Plays** David McInnis, 2021-03-25 Shakespeare and Lost Plays returns Shakespeare's dramatic work to its most immediate and arguably pivotal context by situating it alongside the hundreds of plays known to Shakespeare's original audiences but lost to us. David McInnis reassesses the value of lost plays in relation to both the companies that originally performed them and to contemporary scholars of early modern drama. This innovative study revisits key moments in Shakespeare's career and the development of his company and, by prioritising the immense volume of information we now possess about lost plays, provides a richer, more accurate picture of dramatic activity than has hitherto been possible. By considering a variety of ways to grapple with the problem of lost, imperceptible or ignored texts, this volume presents a methodology for working with lacunae in archival evidence and the distorting effect of Shakespeare-centric narratives, thus reinterpreting our perception of the field of early modern drama. **The Lost Kings** Amy

Licence, 2017-08-01 The century spanning the wars of the roses and the reigns of the Tudor kings was a volatile time of battle and bloodshed, execution and unexpected illness. Life could be nasty, brutish and short. Some met their end in battle, others were dragged to the block, losing everything for daring to aspire to the throne. Some were lost in mysterious circumstances like Edward V, the elder of the Princes in the Tower. But the majority of these young men died in their teens, on the brink of manhood. They represent the lost paths of history, the fascinating what-ifs of the houses of York and Tudor. They also diverted the route of dynastic inheritance with all the complicated implications that could bring passing power into some unlikely hands. This book examines ten such figures in detail, using their lives to build a narrative of this savage century. **New**

**Worlds, Lost Worlds** Susan Brigden, 2002-09-24 No period in British history has more resonance and mystery today than the sixteenth century. *New Worlds, Lost Worlds* brings the atmosphere and events of this great epoch to life. Exploring the underlying religious motivations for the savage violence and turbulence of the period, from Henry VIII's break with Rome to the overwhelming threat of the Spanish Armada, Susan Brigden investigates the actions and influences of such near-mythical figures as Elizabeth I, Thomas More, Bloody Mary and Sir Walter Raleigh. Authoritative and accessible, *New Worlds, Lost Worlds*, the latest in the Penguin History of Britain series, provides a superb introduction to one of the most important, compelling and intriguing periods in the history of the Western world. *Chambers's Journal*, 1908 **Lost Plays in**

**Shakespeare's England** D. McInnis, M. Steggle, 2014-10-22 *Lost Plays in Shakespeare's England* examines assumptions about what a lost play is and how it can be talked about; how lost plays can be reconstructed, particularly when they use narratives already familiar to playgoers; and how lost plays can force us to reassess extant plays, particularly through ideas of repertory studies. **Chambers's Edinburgh Journal**, 1908 **The Many Faces of Anne Boleyn** Helene

Harrison, 2025-09-30 Explores Anne Boleyn's life and legacy through 500 years of images, perceptions and historical interpretations. Mistress, Queen, Reformer, Traitor, Icon. This book is not like any others you might have read on Anne Boleyn. It

is not a biography of the life of Henry VIII's second wife and queen. What this book does is to examine Anne Boleyn through images and perceptions of her. Through documents, letters, images, propaganda, films, novels, and historical biographies, this book explores Anne Boleyn through more than 500 years of history. Explore how perceptions of her have changed and developed over time. Whether she is seen as a mistress, a queen, a mother, a reformer, a traitor, or a tragic heroine, Anne Boleyn continues to inspire so much exploration and even new discoveries today. See Anne through the eyes of people who knew her: loved her, hated her, and studied her. In the present day, Anne Boleyn has quite a devoted scholarship honed through perceptions built over the last half a millennium. Her life, reign, and tragic death at the hands of the man who tore England apart to be with her have made Anne Boleyn one of the most divisive and exciting figures in English history.

**The London Journal, and Weekly Record of Literature, Science, and Art**, 1853      **Appletons' Journal**, 1869      *The Law Times*, 1869
