Judaic mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation
