Toronto's Poor Bryan D. Palmer, Gaétan Héroux, 2016-11-23 *Toronto's Poor* reveals the long and too often forgotten history of poor people's resistance It details how people without housing people living in poverty and unemployed people have struggled to survive and secure food and shelter in the wake of the many panics downturns recessions and depressions that punctuate the years from the 1830s to the present Written by a historian of the working class and a poor people's activist this is a rebellious book that links past and present in an almost two hundred year story of struggle and resistance It is about men women and children relegated to lives of desperation by an uncaring system and how they have refused to be defeated In that refusal and in winning better conditions for themselves Toronto's poor create the possibility of a new kind of society one ordered not by acquisition and individual advance but by appreciations of collective rights and responsibilities

Toronto's Visual Legacy Steve MacKinnon, Karen Teeple, Michele Dale, 2010-04-30 Twenty five fascinating images that offer a 360 panorama of the Toronto's downtown in 1856 57 mark the beginning of the use of photographs to document Toronto's growth its achievements its great civic works and its citizenry Since 1856 the City of Toronto has been commissioning photographs to document and to promote it This book published to celebrate the 175th anniversary of the city's incorporation brings together more than 100 of these images selected by city archivists from their collection of hundreds of thousands Waterworks roads and bridges many of them familiar landmarks today are seen as they are being built The Bloor Street Viaduct the R C Harris water

filtration plant and the old and new city halls are all celebrated in these images Toronto's citizens are also captured in these photographs going about their affairs on the street as proud workers or as spectators at public events At times in an effort to raise public concern about poverty and poor housing conditions city photographers have documented conditions for residents in low income neighbourhoods Some of these photographs are included here in an impressive series of poignant images In the past fifty years as Toronto has grown into the cosmopolitan metropolis it is now city photographers have recorded the construction of key projects like the Yonge Street subway the new City Hall and the CN Tower while documenting major public events and celebrations This book offers a visual overview of Toronto's history and at the same time documents attitudes and values expressed by City officials from 1857 to the present Gael Force Mervin Daub,1996 Football at Queen's University has one of the richest and certainly one of the longest histories of any sport in Canada The Golden Gaels have been a presence in Canadian football at both the amateur and professional level since 1882 Gael Force traces this history chronicling the team's ups and downs and integrating them within the history of the university the country and the sport in general *Live Stock Market and Meat Trade Review* ,1926 The Trouble with Literature Victoria Ann Kahn,2020 This book argues that the literature of the English Reformation marks a turning point in Western thinking about literature and literariness Victoria Kahn contrasts modern and early modern understandings of the terms and focuses on the works of Thomas Hobbes John Milton Immanuel Kant Soren Kierkegaard and J M Coetzee **Milton's Italy** Catherine Martin,2016-12-01 This book joins a growing trend toward transnational literary studies and revives a venerable tradition of Anglo Italian scholarship centering on John Milton Correcting misperceptions that have diminished the international dimensions of his life and work it broadly surveys Milton's Italianate studies travels poetics politics and religious convictions While his debts to Machiavelli and other classical republicans are often noted few contemporary critics have explored the Italian sources of his anti papal anti episcopal and anti formalist religious outlook Relying on Milton's own testimony this book explores its roots in Dante Petrarch Ariosto and that great Venetian enemy of the pope Paolo Sarpi thereby correcting a recent tendency to make native English contexts dominate his development This tendency is partly due to a mistaken belief that Italy was in steep decline during and after Milton's travels of 1638 1639 the period immediately before he produced his prose critiques of the English Church its canon law and its censorship Yet these were also fundamentally Italian issues that he skillfully adapted to meet contemporary English needs a practice enabled by his extraordinarily positive experience of the Italian language cities academies and music the latter of which ultimately influenced Milton's operatic drama *Samson Agonistes* Besides republicanism and theology radical doctrines of free grace and free will equally strong influences treated here include Italian Neoplatonism cosmology and romance epic By making these traditions his own Milton became what John Steadman once described as an Italianate Englishman whose classical literary tastes and critical orientation were to a considerable extent molded by Italian critics 1976 a view that is fully credited and updated here **The Rhetoric of**

Conversion in English Puritan Writing from Perkins to Milton David Parry, 2021-12-30 This rhetorical study of the persuasive practice of English Puritan preachers and writers demonstrates how they appeal to both reason and imagination in order to persuade their hearers and readers towards conversion assurance of salvation and godly living Examining works from a diverse range of preacher writers such as William Perkins Richard Sibbes Richard Baxter and John Bunyan this book maps out continuities and contrasts in the theory and practice of persuasion Tracing the emergence of Puritan allegory as an alternative imaginative mode of rhetoric it sheds new light on the paradoxical question of how allegories such as John Bunyan's *The Pilgrim's Progress* came to be among the most significant contributions of Puritanism to the English literary canon despite the suspicions of allegory and imagination that were endemic in Puritan culture Concluding with reflections on how Milton deploys similar strategies to persuade his readers towards his idiosyncratic brand of godly faith this book makes an original contribution to current scholarly conversations around the textual culture of Puritanism the history of rhetoric and the rhetorical character of theology Canadian Policy Toward Khrushchev's Soviet Union Jamie Glazov, Teleglobe

Raoul-Dandurand Chair of Strategic and Diplomatic Studies, 2002 Glazov's new assessment of Western policies toward Khrushchev's Russia is critical to our understanding of present day Russia since Gorbachev's democratization which led to the disintegration of the Soviet Union in 1991 had its origins in the Khrushchev thaw The Canadian Entomologist, 1873

B. Fleming,2007-10-01 During the first two decades of this century Sir William Mackenzie was one of Canada s best known entrepreneurs He Spearheading some of the largest and most technologically advanced projects

undertaken in Canada he built a business empire that stretched from Montreal to British Columbia and to Rio de Janeiro and Sao Paulo in Brazil It included gas electric telephone and transit utilities railroads hotels and steamships as well as substantial coal mining whaling and timber interests But when he died in 1923 his estate was virtually bankrupt as a result of the dramatic collapse of his Canadian Northern Railway during the First World War In a business biography intended as much for general readers as for a scholarly audience Fleming offers a revisionist perspective on Mackenzie He dispels the simplistic approach of those historians and journalists who have depicted Mackenzie and his partner Sir Donald Mann as melodramatic crooks who could have stepped out of the pages of Huckleberry Finn **Charmed Circle** Mel R.

Freese,1997-01-01 Since 1901 over 5 600 pitchers have toed the rubber in baseball s major leagues Of them only 369 have won 20 or more games in a single season Only 168 of those to win 20 games have been able to repeat the feat further illustrating how difficult it is to reach that plateau Season by season this reference work documents major league 20 game winners from 1901 through the 1996 season including the Federal League 1914 1915 A brief synopsis of each pitcher s season is provided along with his complete pitching statistics Some of the pitchers who won 20 games were all time greats but interestingly many were journeymen who had one great season The work also shows the changes in the game from the deadball era when pitching dominated to the present when the lively ball has made the 20 game winner even rarer than before

Casa Loma Matthew M. Reeve,Michael Windover,2023-09-01 Leading architect E J Lennox designed Casa Loma for the flamboyant Sir Henry Pellatt and Mary Lady Pellatt as an enormous castellated mansion that overlooked the booming metropolis of Toronto The first scholarly book dedicated to this Canadian landmark Casa Loma situates the famous house on the hill within Toronto s architectural urban and cultural history Casa Loma was not only an outsized home for the self appointed Lord Toronto but a statement of Canada s association with empire an assertion of the country s British legacy During and after the Pellatts occupation Casa Loma was a major landmark and it has since infiltrated the iconography and collective memory of the metropolis The reception of Casa Loma variously loved and abhorred by Torontonians reflects many of Toronto s major aspirations and anxieties about itself as a modern city Across ten chapters this book charts the history of Casa Loma from the purchase of the estate atop Davenport Ridge in 1903 and its construction from 1906 through to its sale and the dispersal of its contents in 1924 its subsequent life as a hotel and finally its transformation into one of the city s major entertainment venues Casa Loma brings to light a wealth of hitherto unpublished archival images and documentation of the house s visual and material culture weaving together a textured account of the design use and life of this unique building over the course of the twentieth century
