Margie And Me:

Margie's Gentle Journey Andrea Nathanson, 2011-12-01 Margie's Gentle Journey chronicles an exceptional confrontation with mortality. Unfolding step by step from diagnosis to final days, this uplifting book describes a woman's remarkable end of life story aided by the nurse who became her confidant, advocate, and friend. The story shows how a vibrant spirit can cope with the knowledge that death is hurtling closer. It also demonstrates how a courageous nurse helped orchestrate Margie's passage from this world while also learning so much from her patient. Together they were able to transform a traumatic process into a beautiful and freeing experience.

The Corso Pete Bonet, 2020-11-11 The Corso: The Real Nuyorican Salsa Story is a must-read book not just because it's a fantastic and incredible story of success but also it's a historic legacy of how it was at the beginning of the salsa movement. It is narrated firsthand by someone who was there and was an important part of it, if not the most important. Pete Bonet was born in a very humble, extremely poor part of the island of Puerto Rico. Even the police would not go in there. It was too dangerous. It is a place called El Fanguito, the Muddy. His mother Olga was abandoned there with her six children, ages fifteen down to a newborn baby, Pedrito, as he was called. He was the fourth child; he was six years old when his father left for good. Olga was left alone with no money, no food, no man to protect the family, no government help, no nothing, not even shoes for the kids to go to school. The neighbors would say, "Poor Olga, she's going to die along with all the six kids." Pedrito left that part of the world at the age of fifteen to go to New York City, not knowing how to say no in English. At the age of twenty-one, Pedro graduated from Central Commercial High School with honors in bookkeeping and business law, typing sixty words a minute without errors. He then took the test in order to enter the United States Air Force and qualified in administration and thus entered the United States Air Force. Upon returning home with an honorable discharge, Pedro went to work for different construction companies as a timekeeper on-site: Marshall Const Co, Arc Electric Co, Turner Const Co, Melnick Const Co, among others. He would go dancing on weekends to different nightclubs in New York City, from the world-famous Palladium Ballroom, called the home of the mambo and cha-cha-cha, located on Broadway and Fifty Third Street, the Manhattan Center on Thirty Fourth Street, the Hunts Point Palace in the Bronx, and this was where Pete met the love of his life, Margie. They fell in love at

first sight while dancing to the wonderful music of Tito Rodriguez and his big band orchestra They got married six months later and still together today in the year 2019 fifty seven years and still counting Pete Bonet as he got to be known got into music by mere chance He started singing with Alfredito Valdez and his charanga then Ray Barretto and his charanga La Moderna Then he went with Mongo Santamaria and his orchestra under the musical direction of trumpet player Marty Sheller He formed his own big band together with the great Louie Ramirez as his arranger and musical director After a couple of years he got a call from Tito Rodriguez and went on to sing with the one and only Tito Rodriguez and his big band Upon Tito Rodriguez s death he joined the Joe Cuba Sextet He also sang with the king of Latin music Tito Puente and his big band and over forty other Latin orchestras in New York Hollywood and Puerto Rico By reading this book you will get to appreciate that great era an extraordinary moment in time the very beginning when the term salsa was born and started to be used instead of all the different names of all that great Cuban music You will feel all the excitement of non Latins dancing in clubs like the Corso that most likely will never be repeated again
