Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

Out of Order? (Routledge Revivals) E. Cashmore, E. McLaughlin, 2013-10-08 First published in 1991 this book evaluates and compares the problematic relationships that have sometimes existed between police and Afro Caribbean people in Britain and in the United States of America Contributors from both sides of the Atlantic assess conflicting claims from police and black communities as to whether some police are racist or too brutal in their operations Although this book was written in the early 90s many of the issues discussed remain interesting and relevant to our society today **From**

Immigrants to Ethnic Minority Lorna Chessum, 2017-07-05 While there is an extensive sociological literature concerning race relations racial discrimination and the process of migration this has tended to focus on snapshots at a given moment in time There are few historical accounts of the development of black communities in Britain This book will be the first social history of a black community in modern times which attempts to weave many aspects of life together to give a more comprehensive understanding of the lives of black people in Britain The book will address the way peoples lives are constructed through racialized identities and how African Caribbean people in Leicester relate to the wider community It provides an important contribution to the debate concerning the social class profile of different ethnic groups The work is gendered throughout and discusses the different nature of the experiences of men and women The 1991 census shows Leicester to have the highest proportion of ethnic minority residents of any city outside London however compared to other cities with black and Asian communities it has received little attention from academics The present study charts the development of Leicester s African Caribbean community from its origins in the Second World War to 1981 and its changing construction from immigrants to ethnic minority
