Moonstone The Woman In White:

The Woman in White Wilkie Collins, 1859-10-15 Wilkie Collins's classic thriller took the world by storm on its first appearance in 1859 with everything from dances to perfumes to dresses named in honor of the woman in white. The novel's continuing fascination stems in part from a distinctive blend of melodrama, comedy, and realism and in part from the power of its story. The catalyst for the mystery is Walter Hartright's encounter on a moonlit road with a mysterious woman dressed head to toe in white. She is in a state of confusion and distress and when Hartright helps her find her way back to London, she warns him against an unnamed man of rank and title. Hartright soon learns that she may have escaped from an asylum and finds to his amazement that her story may be connected to that of the woman he secretly loves. Collins brilliantly uses the device of multiple narrators to weave a story in which no one can be trusted and he also famously creates in the figure of Count Fosco the prototype of the suave sophisticated evil genius. *The Woman in White* is still passed as a masterpiece of narrative drive and excruciating suspense. Introduction by Nicholas Rance *The Woman in White* Wilkie Collins, 2006-04-20 As the inscription on his tombstone reveals, Wilkie Collins wanted to be remembered as the author of *The Woman in White* for it was this novel that secured his reputation during his lifetime. The novel begins with a drawing teacher's eerie late night encounter with a mysterious woman in white and then follows his love for Laura Fairlie, a young woman who is falsely incarcerated in an asylum by her husband Sir Percival Glyde and his sinister accomplice Count Fosco. This edition returns to the original text that galvanized England when it was published in serial form in *All the Year Round* magazine in 1860. Three different prefaces Collins wrote for the novel as well as two of his essays on the book's composition are reprinted along with nine illustrations. The appendices include contemporary reviews along with essays on lunacy, asylums, mesmerism, and the rights of women. [The Woman in White \(illustrated\) + The Moonstone + The Haunted Hotel: A Mystery of Modern Venice](#) Wilkie Collins, 2013-09-20 This carefully crafted ebook *The Woman in White illustrated The Moonstone The Haunted Hotel A Mystery of Modern Venice* contains 3 books in one volume and is formatted for your eReader with a functional and detailed table of contents. *The Woman in White* is an epistolary novel written by Wilkie Collins in 1859, serialized in 1859-1860 and first published in book form in 1860. It is considered to be among the first mystery novels and is widely regarded as one of the first in the genre of sensation novels. The story is sometimes considered an early example of detective fiction with the hero Walter Hartright employing many of the sleuthing techniques of later private detectives. *The Moonstone* 1868 by Wilkie Collins is an epistolary novel generally considered the first detective novel in the English language. *The Moonstone* is about the disappearance of a precious diamond called the Moonstone, and the novel is a collection of eyewitness accounts by different characters who know something about its disappearance. The idea was for the novel itself to be like a collection of evidence so that the readers could be put in the position of the detective. *The Haunted Hotel: A Mystery of Modern Venice* is a Wilkie Collins's ghost story set in 1860 and published in book form with *My Lady's Money*. *The Haunted Hotel* a tale of a

haunting or the tale of a crime The ghost of Lord Montberry seems to be haunting the Palace Hotel in Venice Montberry's beautiful yet terrifying wife the Countess Narona and her erstwhile brother are the center of the terror that fills the Palace Hotel Are their malefactions at the root of the haunting or is there something darker something much more unknowable at work William Wilkie Collins 1824-1889 was an English novelist playwright and author of short stories His best known works are *The Woman in White* *The Moonstone* *Armada* and *No Name* Collins developed a new way of writing suspenseful novels instead of having a central narrator who tells the story Collins composed his novels as a series of first person narratives so the point of view in the novels is always changing *The Moonstone and the Woman in White* Wilkie Collins, 1964 [An Introduction to the Detective Story](#) LeRoy Panek, 1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author's Preface *The Woman in White* Wilkie Collins, 1919

of the text 2 This book has been checked and corrected for spelling errors This is the story of what a Woman's patience can endure and what a Man's resolution can achieve If the machinery of the Law could be depended on to fathom every case of suspicion and to conduct every process of inquiry with moderate assistance only from the lubricating influences of oil of gold the events which fill these pages might have claimed their share of the public attention in a Court of Justice But the Law is still in certain inevitable cases the pre-engaged servant of the long purse and the story is left to be told for the first time in this place As the Judge might once have heard it so the Reader shall hear it now No circumstance of importance from the beginning to the end of the disclosure shall be related on hearsay evidence When the writer of these introductory lines Walter Hartright by name happens to be more closely connected than others with the incidents to be recorded he will describe them in his own person When his experience fails he will retire from the position of narrator and his task will be continued from the point at which he has left it off by other persons who can speak to the circumstances under notice from their own knowledge just as clearly and positively as he has spoken before them Thus the story here presented will be told by more than one pen as the story of an offence against the laws is told in Court by more than one witness with the same object in both cases to present the truth always in its most direct and most intelligible aspect and to trace the course of one complete series of events by making the persons who have been most closely connected with them at each successive stage relate their own experience word for word Let Walter Hartright teacher of drawing aged twenty eight years be heard first III It was the last day of July The long hot summer was drawing to a close and we the weary pilgrims of the London pavement were beginning to think of the cloud shadows on the corn fields and the autumn breezes on the sea shore For my own poor part the fading summer left me out of health out of spirits and if the truth must be told out of money as well During the past year I had not managed my professional resources as carefully as usual and my extravagance now limited me to the prospect of spending the autumn economically between my mother's cottage at Hampstead and my own chambers in town
