A collection of fifty-six stories chronicling the adventures of Thomas the Tank Engine and his friends. **The Thomas the Tank Engine Man** Brian Sibley, 2015-07-17. The stories of Thomas the Tank Engine and his friends have delighted generations of children and adults, but what do we know of the man who created them? A devoted pastor and family man, the Reverend W. Awdry first started telling the stories in order to amuse his own children, with no idea that the characters would lead to a global phenomenon that now, seventy years after their first appearance, shows no signs of waning. In this fascinating and warm biography, prolific author Brian Sibley brings to life one of the most eminent children's writers of the twentieth century, tracing his story from his Edwardian childhood through his time at University and into World War 2. A convinced pacifist, Awdry was thrown out of one curacy and denied another because of his beliefs. Never afraid to fight for what he thought was right, he argued with his publishers and his illustrators, demanding the best for his favourite creations, the trains and their friends. **Thomas the Really Useful Engine** W. Awdry, 2014. The perfect first introduction to everyone's favourite engine, Thomas. Meet Sodor's number 1 engine and read about his jobs, his adventures, and his friends.
