Austin,2023-06-01 Amid the economic turmoil of the Great Depression in 1929 Clarence Wemett an upstate New York petroleum merchant underwrote a craft shop bordering U S Route 20 and a few years later a different one 15 miles away At precisely the wrong time for such things to happen the improbable idea of selling discretionary goods targeted to a consumer market characterized by 25 percent unemployment at a rural highway s roadside achieved traction the first shop was in business for a quarter century the second for nearly 40 years More significant than their surprising longevity is the shops long lasting contribution to a nascent national movement that spans crafts personally created for individual use to the commercial work that sees craft elevated to

a fine art craft objects moved from pantry shelves to museum vitrines and craftworkers from hobbyists to professionals The roadside shops introduced a business model that 70 years later is widely experienced on a very different but equally super highway the Internet and their story is a chapter in the pre history of the modern crafts movement Roycroft Campus Robert Charles Rust,2013 The history of the American Arts and Crafts movement is embodied in the Roycroft community Founded by Elbert Green Hubbard the Roycroft is more than just a National Historic Landmark in the charming village of East Aurora New York Roycroft s artisans and craftspersons ourished from 1898 to 1938 producing some of America s best and most important crafts furniture and books This visual history through postcards and motto cards produced by the Roycrofters presses shares the story and philosophy of their movement Here the 1898 postcards featuring the Characters of the place and the years of the Roycroft Renaissance show the growth and continuity The Rise of Everyday Design Monica Penick,Christopher Long,Harry Ransom Center,2019-01-01 This fresh look at the Arts and Crafts Movement charts its origins in reformist ideals its engagement with commercial culture and its ultimate place in everyday households *Warman's Antiques and Collectibles Price Guide* Ellen T.
