International Books in Print, 1997 Justice Delayed Fielding Keith Fielding, 2010-03-22 In this fast paced noir thriller the mean spirited Vice President of Finance at a Toronto pharmaceutical company resorts to embezzlement and insurance fraud in order to free himself from debts caused by reckless stock market trading During his increasingly corrupt struggle for survival he must contend with myriad problems a marriage in worse shape than his finances the faulty intuition of Inspector Ogopoulos a voracious bank executive with the instincts of Cruella a paranoid golfer bent on revenge an elusive partner in crime and his wife s annoying talent for evading death Will justice ever be served **Children's Book Review Index** Gary C. Tarbert, 1996 **100 Reasons Why Realtor, Ed Remus Could Not Get Married** Joe Remesz, 2012-03 I have worked in the broadcasting and real estate industries and enjoyed both I met a lot of people had my ups and downs and in the end managed to laugh at myself and with others There are joke anecdote and amusing story books about the broadcasting industry I could write about my experiences as a radio TV announcer but feel broadcasting has already been adequately covered by other writers but not the real estate industry In Finding Charity I hope you and your friends will enjoy reading with hours of smiles chuckles and old fashioned belly laughs Whenever I appear as a guest on radio or TV talk show the host often invites me to stay a little longer as listeners and viewers jam the phone lines with material It seems that each humorous incident happened in their town to them or a friend Many theories exist about what humour is and what social function it serves I found that people of all ages and cultures respond to humour The majority of people are able to be amused to laugh or to smile at something funny and thus they are considered to have a sense of humour Science proves that laughter heals Sometime a sense of humour is a requisite for long term survival in the real estate industry After you have

read Finding Charity I do not take responsibility for a cardiac arrest I have tried to give credit wherever possible but jokes anecdotes and amusing stories generally and now with cyberspace technology sweep the world so swiftly that it is often impossible to discover who put the story into public print first let alone who actually originated it I had fun in planning Finding Charity and to all those whom I interrupted with I already got that one I apologize I m particularly grateful to my wife Teofista for planting the idea in writing Finding Charity

The Enigma of Loch Ness Henry H. Bauer, 2012-05-11 Like UFO s Big Foot and the Bermuda Triangle the Loch Ness monster continues to fascinate us by the persistence of its mystery While many authors have focused upon the search for Nessie Bauer is the first to present a detailed and balanced look at the history of the controversy surrounding this search Bauer is much more concerned with examining the sociological psychological and philosophical aspects of the Loch Ness controversy than with proving or disproving Nessie s existence He shows that the Nessie phenomenon has much to tell us about how we acquire our beliefs about the nature of the scientific enterprise and about the adversarial relationship between mainstream science and fringe subjects such as Nessie The result of more than a decade of research Bauer s study includes both famous and little known photos and illustrations the most complete bibliography yet compiled on the subject and a list of close to 800 reported sightings Whether you believe in Nessie or laugh at the mere thought of believing you ll find The Enigma of Loch Ness both entertaining and enlightening *Public Accounts of the Province of Alberta ... Alberta. Treasury Department, 1984*
