THE OLD BALL GAME

Baseball in Folklore and Fiction

Old Ball Game Baseball In Folklore 1st Edition

Janet Bruce

Old Ball Game Baseball In Folklore 1st Edition:

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game, for example pinch hitter and out in left field, have become common in our everyday language. From AARON HENRY onward, this book covers all of what might be called the cultural aspects of baseball as opposed to the number-rich statistical information so widely available elsewhere. Biographical sketches of all Hall of Fame players, owners, executives, and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners, and league presidents. Advertising agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.

Encyclopedia of American Folklore Linda Watts, 2020-07-01 Folklore has been described as the unwritten literature of a culture: its songs, stories, sayings, games, rituals, beliefs, and ways of life. *Encyclopedia of American Folklore* helps readers explore topics, terms, themes, figures, and issues related to this popular subject. This comprehensive reference guide addresses the needs of multiple audiences, including high school, college, and public libraries, archive, and museum collections, storytellers, and independent researchers. Its content and organization correspond to the ways educators integrate folklore within literacy and wider learning objectives for language arts and cultural studies at the secondary level. This well-rounded resource connects United States folk forms with their cultural origin, historical context, and social function. Appendixes include a bibliography, a category index, and a discussion of starting points for researching American folklore. References and bibliographic material throughout the text highlight recently published and commonly available materials for further study. Coverage includes folk heroes and legendary figures, including Paul Bunyan and Yankee Doodle, fables, fairy tales, and myths often featured in American folklore, including Little Red Riding Hood and The Princess and the Pea. American authors who have added to or modified folklore traditions, including Washington Irving. Historical events that gave rise to folklore, including the civil rights movement and the Revolutionary War. Terms in folklore studies, such as fieldwork and the folklife movement. Holidays and observances, such as Christmas and Kwanzaa. Topics related to folklore in everyday life, such as sports folklore and courtship dating folklore. Folklore related to cultural groups, such as Appalachian folklore and African American folklore, and more.

Encyclopedia of American Folklife Simon J. Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture, always evolving yet often practiced as it was created many years or even centuries ago. This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America, from barn

raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

Baseball, 3rd Ed. Benjamin G. Rader, 2008-05-02 A succinct history of baseball newly revised and updated **AB**
Bookman's Weekly, 1999 **The 1930s** William H. Young, 2002-10-30 Most historical studies bury us in wars and politics paying scant attention to the everyday effects of pop culture Welcome to America's other history the arts activities common items and popular opinions that profoundly impacted our national way of life The twelve narrative chapters in this volume provide a textured look at everyday life youth and the many different sides of American culture during the 1930s Additional resources include a cost comparison of common goods and services a timeline of important events notes arranged by chapter an extensive bibliography for further reading and a subject index The dark cloud of the Depression shadowed most Americans lives during the 1930s Books movies songs and stories of the 1930s gave Americans something to hope for by depicting a world of luxury and money Major figures of the age included Fred Astaire and Ginger Rogers Irving Berlin Amelia Earhart Duke Ellington the Marx Brothers Margaret Mitchell Cole Porter Joe Louis Babe Ruth Shirley Temple and Frank Lloyd Wright Innovations in technology and travel hinted at a Utopian society just off the horizon group sports and activities gave the unemployed masses ways to spend their days and a powerful new demographic the American teenager suddenly found itself courted by advertisers and entertainers **Baseball's Creation Myth** Brian Martin, 2013-06-12 The story about baseball's being invented in Cooperstown New York in 1839 by Abner Doubleday served to prove that the U S national pastime was an American game not derived from the English children's game of rounders as had been believed The tale embraced by Americans has long been proven false but to this day Cooperstown is celebrated as the birthplace of baseball The story has captured the hearts of millions But who spun that tale and why This book provides a surprising answer about the origins of America's most durable myth It seems that Abner Graves who espoused Cooperstown as the birthplace of the game likely was inspired by another story about an early game of baseball The stories were remarkably similar as were the men who told them For the first time this book links the stories and lives of Graves a mining engineer and Adam Ford a medical doctor both residents of Denver Colorado While the actual origins of the game of baseball remain subject to debate

and study new light is shed on the source of baseball's durable creation myth American History through American Sports Bob Batchelor, Danielle Sarver Coombs, 2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history American History through American Sports From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author's analysis *The Kansas City Monarchs* Janet Bruce, 1985 An illustrated study of the Kansas City Monarchs one of the top teams in the Negro National League which served as a training ground for Jackie Robinson Satchel Paige and over twenty other players who were eventually sent to the major leagues *Women Characters in Baseball Literature* Kathleen Sullivan, 2005-05-25 Since the early 20th century American writers have both recorded and fictionalized the real life activities of great athletes as well as created original characters for sports stories How have women fared in this literature Women Characters in Baseball Literature is the first comprehensive evaluation of the women characters of baseball literature including women's crucial roles on and off the field of play Applying several feminist theories and examining the works in the context of both myth and psychology the author discusses baseball fiction written by both men and women Among the topics discussed are the literary implications of motherhood how patterns of behavior in women characters often recall Greek goddesses and how women characters and the feminist imagination enrich the literature of this apparently masculinized sport Authors covered include Bernard Malamud Mark Harris August Wilson Lamar Herrin Nancy Willard Silvia Tennenbaum Karen Joy Fowler and others The Great Depression in America William H. Young, Nancy K. Young, 2007-03-30 Everything from Amos n Andy to zeppelins is included in this expansive two volume encyclopedia of popular culture during the Great Depression era Two hundred entries explore the entertainments amusements and people of the United States during the difficult years of the 1930s In spite of or perhaps because of such dire financial conditions the worlds of art fashion film literature radio music sports and theater pushed forward Conditions of the times were often mirrored in the popular culture with songs such as Brother Can You Spare a Dime breadlines and soup kitchens homelessness and prohibition and repeal Icons of the era such as Fred Astaire and Ginger Rogers Louis Armstrong Bing Crosby F Scott Fitzgerald George and Ira Gershwin Jean Harlow Billie Holiday the Marx Brothers Roy Rogers Frank Sinatra and Shirley Temple entertained many Dracula Gone With the Wind It Happened One Night and Superman distracted others

from their daily worries Fads and games chain letters jigsaw puzzles marathon dancing miniature golf Monopoly amused some while musicians often sang the blues Nancy and William Young have written a work ideal for college and high school students as well as general readers looking for an overview of the popular culture of the 1930s Art deco big bands Bonnie and Clyde the Chicago s World Fair Walt Disney Duke Ellington five and dimes the Grand Ole Opry the jitter bug Lindbergh kidnapping Little Orphan Annie the Olympics operettas quiz shows Seabiscuit vaudeville westerns and Your Hit Parade are just a sampling of the vast range of entries in this work Reference features include an introductory essay providing an historical and cultural overview of the period bibliography and index

'American Book Publishing Record' Cumulative
R. R. Bowker LLC,1976

Baseball Fever Peter Morris,2003-03-03 This detailed history of early baseball in rural Michigan focuses on the evolution of America s pastime from child s game to organized sport and challenges the notion that baseball s development was strictly an East Coast phenomenon

Inventing Baseball Heroes Amber Roessner,2014-06-09 In *Inventing Baseball Heroes* Amber Roessner examines herocrafting in sports journalism through an incisive analysis of the work surrounding two of baseball s most enduring personalities Detroit Tigers outfielder Ty Cobb and New York Giants pitcher Christy Mathewson While other scholars have demonstrated that the mythmakers of the Golden Age of Sports Writing 1920 1930 manufactured heroes out of baseball players for the mainstream media Roessner probes further with a penetrating look at how sportswriters compromised emerging professional standards of journalism as they crafted heroic tales that sought to teach American boys how to be successful players in the game of life Cobb and Mathewson respectively stereotyped as the game s sinner and saint helped shape their public images in the mainstream press through their relationship with four of the most prominent sports journalists of the time Grantland Rice F C Lane Ring Lardner and John N Wheeler Roessner traces the interactions between the athletes and the reporters delving into newsgathering strategies as well as rapport building techniques and ultimately revealing an inherent tension in objective sports reporting in the era *Inventing Baseball Heroes* will be of interest to scholars of American history sports history cultural studies and communication Its interdisciplinary approach provides a broad understanding of the role sports journalists played in the production of American heroes

[The Louisville Grays and the Myth of Baseball's First Great Scandal](#) Wendell Lloyd Jones,2024-05-23 The National League was in its second season of existence in 1877 In mid season the Louisville Grays suddenly took the league by storm and by mid August were considered a lock to win the pennant Then disaster struck The Grays fell out of first place and the pennant was lost Suspicions were high that the club had sold out to gamblers Three players were tricked into confessing to the selling of exhibition games and were blacklisted from the sport along with a fourth player who refused to cooperate with the investigation Since then historians have presented a simple narrative about how the Grays sold the pennant to gamblers how that treachery was discovered and the steps that followed However none of this is true For nearly 150 years the story of the Louisville Grays has been told and the story has been wrong For the first time the objective evidence that was there all along

is examined in comparison to the narrative that has been told about the Grays The evidence shows the Grays did not sell the pennant they simply lost it This is the story of how Major League Baseball s first great scandal never truly happened

American Book Publishing Record ,2003 *Handbook of American Folklore* Richard M. Dorson,1986-02-22 Includes material on interpretation methods and presentation of research **Subject Catalog, 1976** Library of Congress,1976

Old Ball Game Baseball In Folklore 1st Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Old Ball Game Baseball In Folklore 1st Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Old Ball Game Baseball In Folklore 1st Edition has opened up a world of possibilities. Downloading Old Ball Game Baseball In Folklore 1st Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Old Ball Game Baseball In Folklore 1st Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Old Ball Game Baseball In Folklore 1st Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Old Ball Game Baseball In Folklore 1st Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Old Ball Game Baseball In Folklore 1st Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Old Ball Game Baseball In Folklore 1st Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Old Ball Game Baseball In Folklore 1st Edition Books

1. Where can I buy Old Ball Game Baseball In Folklore 1st Edition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
