through our home Preachers and missionaries alike had wonderful tales to tell Many times after the evening service we sat  
around the dining room table eating finger food and listening to the guest speaker tell more narratives About half of the  
stories in this book are my version of the accounts they told As a young boy I was spellbound by the facts of history and the  
tales that illustrate the facts of history As I grew older I began to realize that the legends of history are dull and worthless  
without its main character God Him It s His story The rest of the book is based on the life of real people I call Amos Rachel  
and Victor Still the main character is God I changed the names places and dates just to protect the guilty the ones guilty of  
thinking they are the most important part of the story We all do it We call our lives our story but if we will place our hand in  
His hand our history becomes His story I hope this book encourages you to make your story His story The 120-Book Holy
